THE PREVAILING MODE is hardwood finish for interiors. For a private residence nothing can equal it, in being at the same time artistic, beautiful and durable. However, those who cannot afford hardwood trim need not have the plain, old-fashioned styles. I make a specialty of the latest designs in interior woodwork in both hard and soft woods and my prices are very low.

**JEALOUS WOMAN
KILLS HER RIVAL**

Wabash, Ind., Sept. 7.—Joel F. Baker, of Wabash, killed Mrs. Sylvia Hornice, a pretty young widow, to prevent her marrying a rival suitor. Then placing the body in a buggy and holding it in his arms he drove 12 miles to the city. Just before reaching town Bakker shot and killed himself. His body remained in an upright position beside that of the body of the woman he had killed several hours before. The horse—hired from a local livery barn—made its way unguided to the stable. The hostler, hearing a noise outside, investigated and found the buggy with two corpses in front of the door.

Baker was jealous over the relations of his victim with John Warner, for whom she was a housekeeper. Whether Warner, who is out of the city, is the man she intended to wed is not known. Baker, who was a carpenter, about 42 years of age, engaged the horse and buggy at a local livery barn last night. He and Mrs. Hornice was seen driving about the city, making merry with others in the crowds attending the Eagles' carnival.

About midnight they were seen to start out one of the country roads in the buggy. The sheriff today followed the road and discovered the place where Mrs. Hornice was shot. Fragments of her clothing were lying on the ground near the roadside. Bushes were trampled and evidence of a fierce struggle were found. Both Baker and Mrs. Hornice had been married before, the woman's husband having been murdered in this city several years ago in a saloon fight.

MAKES WORK EASIER.

Salem People Are Pleased to Learn How It Is Done.

It's pretty hard to attend to duties

With a constantly aching back; With annoying urinary disorders; Doan's Kidney Pills makes work easier.

They cure backache. They cure ever ykdney ill.

W. H. Wood, of 250 Cottage street, Salem, Oregon, says: "A good many years ago I got badly kicked by a mule right over the kidneys, and at another time while digging a well it caved in on me, also injuring my back, and since then I have had more or less annoyance from my kidneys. Change of weather caused by back to ache and when I worked hard it became so lame that I could hardly straighten up after stooping. I procured Doan's Kidney Pills at Stone's drug store, and since taking them altogether I have continued to work hard and been exposed to severe weather not an ache or other symptom of my former trouble remains. This clearly proved that Doan's Kidney Pills act up to the representations made for them. I also know of other people who have derived great benefit from their use. I am glad to let others know the merits of Doan's Kidney Pills for backache and kidney trouble."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

A Traveling Man's Experience. "I must tell you my experience on an east bound O. R. & N. R. R. train from Pendleton to La Grande, Ore., writes Sam A. Garber, a well known traveling man. "I was in the smoking department with some other traveling men when one of them went out into the coach and came back and said, "There is a woman sick unto death in the car. I at once got up and went out, found her very ill with cramp colic; her hands and arms were drawn up so you could not straighten them, and while a deathlike look on her face. Two or three ladies were working with her and giving her whiskey. I went to my suit case and got my bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy (I never travel without it), ran to the water tank, put a double dose of the medicine in the glass, poured some water into it and stirred it with a pencil; then I had quite a time to get the ladies to let me give it to her, but I succeeded. I could at once see the effect and I worked with her, rubbing her hands, and in 20 minutes I gave her another dose. By this time we were almost into La Grande, where I was to leave the train. I gave the bottle to the husband to be used in case another dose should be needed, but by the time the train ran into La Grande she was all right, and I received the thanks of every passenger in the car." For sale by Dr. Stone's drug store.
