buildings remaining are the new \$125,000 high school, the grade school, the Catholic church, the Italian church and a dozen dwellings in the southernmost parts of the town which were saved by a few heroic fire fighters who stuck to their posts in the face of the cyclonic onslaught of the flames and smoke.
Loss Will Be \$1,750,000.
The damage to property is estimated at \$1,000,000 and the personal property at \$750,000, including the stocks of the merchants. H. A. Hibbing, an insurance man, who had many policies on property in the destroyed town, estimates the insurance carried by Chisholm merchants at \$500,000.
Hibbing, five miles west of Chisholm, afforded accommodations to about 1000 refugees from Chisholm last night, and it is expected that 3000 would be given places to sleep tonight. The Duluth, Mesba & Northern started a car of tents from Duluth for Hibbing this afternoon on receipt of a message from Mayor Warwick. A thousand tents can be used, and by tomorrow night a white city will have sprung up on the environs of Hibbing.
Over 1000 were given beds in private homes and hotels last night, as most of Chisholm's population was too excited to seek a place of rest.
There are many destitute persons. Many men who were rated as well-to-do are without funds to buy a meal today. In most instances these misfortunes are only temporary, as many will soon receive their insurance money. However, some merchants lost everything that they had except the clothes on their backs, and there will be much suffering and financial embarrassment.
Four Burned or Burned.
Three unknown lumbermen and the wife of one of them are supposed to have perished in the forest fires near Hibbing yesterday. Searching parties are out looking for the bodies in the carpet of the forest today. No word has been received from the searchers.
