

## ASHLAND PIONEER

**WOMAN DEAD**  
Mrs. Bennett Millon passed away at the family homestead on Oreg. street, Saturday afternoon at 2 o'clock. Mrs. Millon had been in feeble health for two years past, and death came to her as a sweet rest after a long and active life which spanned more than four score of years, and had its full measure of joys and sorrows.

Mrs. Millon, whose maiden name was Armida Beam, had lived on the place where she died in Ashland for over 40 years. Born in Wayne county, Indiana, May 26, 1826, she remained when a little girl with her parents to Ohio, and afterwards to Wisconsin, where in LaFayette county, March 24, 1841, she was married to Bennett Millon, who died in November, 1905, in the 74th year of his age, leaving the marriage union that had existed for more than 64 years. Mr. Millon, a pioneer of Wisconsin as well as of Oregon, was a veteran of the Black Hawk war in the northwest and served with distinction therein. He first came to the Pacific coast in 1849 with the rush of gold seekers to California. Returning to Wisconsin he disposed of his farm and with his wife and six children set out again for the coast with ox teams and landed in Oregon in 1854. They located a donation land claim of 320 acres, which is now largely included within the city of Ashland and upon which the family have ever since resided. Portions of the place were sold but a tract of 143 acres has remained in the possession of the family and has been continuously cultivated by two of the sons for many years.—Tidings.

**How to Get Strong.**  
P. J. Daly, of 1247 W. Congress st., Chicago, tells of a way to become strong: He says: "My mother, who is old and was very feeble, is deriving so much benefit from Electric Bitters, that I feel it my duty to tell those who need a tonic and strengthening medicine about it. In my mother's case a marked gain in flesh has resulted, insomnia has been overcome, and she is steadily growing stronger." Electric Bitters quickly remedy stomach, liver and kidney complaints. Sold under guarantee at J. C. Perry's drug store, 50c.

Some women spend money on some things as worthless as whiskey.

**Hoppy Hop.**  
Are you just barely getting around by the aid of crutches or a cane? Unless you have lost a limb or have a deformity—if your trouble is rheumatism, lumbago, sprain, stiff joints, or anything of like nature use Ballard's Snow Liniment and in no time you can throw away your crutches and be as well as anyone. Price 25c, 50c and \$1.00. Sold by all dealers.

**Good for Biliousness.**  
I took two of Chamberlain's Stomach and Liver Tablets last night, and I feel 50 per cent better than I have for weeks, says J. J. Farnese of Allegan, Mich. "They are certainly a fine article for biliousness." For sale by Dr. Stone's drug store. Samples free.

**A Traveling Man's Experience.**  
"I must tell you my experience on an east bound O. R. & N. R. R. train from Pendleton to La Grande, Or., writes Sam A. Garber, a well known traveling man. "I was in the smoking department with some other traveling men when one of them went out into the coach and came back and said, 'There is a woman sick unto death in the car. I at once got up and went out, found her very ill with cramp colic; her hands and arms were drawn up so you could not straighten them, and while a deathlike look on her face. Two or three ladies were working with her and giving her whiskey. I went to my suit case and got my bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy (I never travel without it), ran to the water tank, put a double dose of the medicine in the glass, poured some water into it and stirred it with a pencil; then I had quite a time to get the ladies to let me give it to her, but I succeeded. I could at once see the effect and I worked with her, rubbing her hands, and in 20 minutes I gave her another dose. By this time we were almost into La Grande, where I was to leave the train. I gave the bottle to the husband to be used in case another dose should be needed, but by the time the train ran into La Grande she was all right, and I received the thanks of every passenger in the car." **Deafness Cannot Be Cured**  
by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and this is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by Catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circular free. F. J. CHENEY & CO., Toledo, O.

Sold by druggists, 75c.

**A Paying Investment.**  
Mr. John White, of 38 Highland Ave., Houlton, Maine, says: "Have been troubled with a cough every winter and spring. Last winter I tried many advertised remedies, but the cough continued until I bought a 50c bottle of Dr. King's New Discovery; before that was half gone, the cough was all gone. This winter the same happy result has followed, a few doses once more banished the annual cough. I am now convinced that Dr. King's New Discovery is the best of all cough and lung remedies." Sold under guarantee at J. C. Perry's drug store. 50c and \$1.00. Trial bottle free.

Surrender your individuality and you become a drone.

Don't be afraid to give Chamberlain's Cough Remedy to your children. It contains no opium or other harmful drug. It always cures. For sale by Dr. Stone's drug store.

## COLONISTS ARRIVE

(La Grande Observer.)

One hundred and thirty colonists from the middle west, destined for points in Washington and Oregon, passed through the city this morning on No. 1. This is the second group of colonists to reach Oregon through the Huntington gateway as No. 5 last evening was run in two sections to give ample accommodations to the tourist. As predicted before the colonist rates went into effect, the influx of easterners to this state the coming two months will be simply enormous. The first two trains to each Oregon on which colonists could arrive from Omaha, carried a remarkable large number of people, as evinced by the figure stated on today's train. The morning passenger was two hours late, because of the extra traffic. If this pace is maintained during the time of the low rates, the population of Oregon and Washington will be materially increased, even though only a portion of those taking advantage of the low rates, remain in the region of the setting sun.

## FIRST HOP SALES

REPORTED AT EUGENE

(Eugene Guard.)  
The first hop sales of the season have been made in Eugene this week. S. H. Friendly and Will Seavey sold a lot of Early Eagles to Jas. Hayes, representing E. Clemens Horst company, at 7 cents per pound, and Glenn Anderson has sold his growing crop, not yet picked, to him at 8 cents per pound. The market starts out about like it did last year, but careful observers say there are some prospects for a betterment.

It is going to be harder to entertain company in future. Where will the host store his airships?

**They Take the Kinks Out.**

**A Burglar in Town**

It may mean consumption if you don't. A cure for all coughs, colds and chest troubles. Price 25c, 50c and \$1.00 per bottle. Sold by all dealers.

Your past mistakes should not be a source of worry.

**A Burnt Child.**
