A Traveling Man's Experience.

"I must tell you my experience on an east bound O. R. & N. R. R. train from Pendleton to La Grande, writes Sam A. Garber, a well known traveling man. 'I was in the baggage department with some other traveling men when one of them went out into the coach and came back and said, 'There is a woman sick and death in the car. I at once went out and found her very sick with cramp colic; her hands and arms were drawn up so you could see her teeth, and while she lay there looking on her face. Two or three ladies were working with her and giving her whiskey. I went to her case and got my bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy (I never travel without it), ran to the water tank, and poured some water into it with a pencil; then I added a little of the medicine in the water and stirred it with the ladies to let me give it to her, but I succeeded. I could at once see the effect and I worked with her, rubbing her hands and in 20 minutes I gave her another dose. By this time we were almost at La Grande, where I was to leave her in the train. I gave the bottle to the steward to be used in case another case should be needed, but by the time the train ran into La Grande she was all right, and I received the thanks of every passenger in the car.' Deafness Cannot Be Cured

In local applications, as they cannot reach the diseased portion of the ear, there is only one way to cure deafness, and this is by constitutional medicine. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a humming sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and the tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous lining.

We will give One Hundred Dollars for any case of Deafness (caused by Catarrh) that cannot be cured by the "Catarrh Cure." Send for circular, free. F. J. CHENEY & CO., Toledo, O.

THE CASTORIA COMPANY, 77 NASSAU STREET, NEW YORK CITY.

HICKORY BARK IS A REMEDY THAT IS BECOMING POPULAR

The story of founding and developing a successful proprietary medicine is interesting as a fairy tale, and when it is considered that such a business was established at Salem a year ago July, weathered the financial storm, has been moved into larger and more comfortable location, and has doubled its business, which now extends to twelve states and the territory of Alaska, it is almost marvelous.

Yet that is what O. W. Haar, as president, and Sam A. Garber, as vice president and manager, have done in the past year. The company under their able management has bought and fitted up a model and complete factory and distributing plant at corner of Twelfth and Mill streets, near the Southern Pacific passenger station, where they will be able to meet the demands of the trade for some time to come.

The Hickory Bark Remedy company is now building up a big trade and a widely disseminated business on mail orders alone. Wherever introduced it gives to the trade and to the public the best of satisfaction. This is proven by getting orders and re-orders wherever it is placed on sale. The secret of its great success lies in the fact of its absolute purity as a preparation. It is today the only article that is sold under the pure food and medicine law that is absolutely pure and contains no alcohol whatever—being composed of two ingredients—refined cane syrup and extract of hickory bark.

It has a large sale at home and is becoming the popular home and family remedy. Parents are not afraid to give it to their children, as it carries with it no deleterious effects whatever, and in the opinion of good authorities is at the same time a food and a medicine. That such a business can be built up in our city and make a great success is a high testimonial to Salem as a distributing point. All the stock in this corporation is owned locally and none is on the market.

On August 31, the national bank alone had \$625,996,992 in circulation and though there are no statistics on the subject we are confident that it would last a day if the professional "touchers" got all they asked for.

Good for Biliousness.
"I took two of Chamberlain's Stomach and Liver Tablets last night, and I feel 50 per cent better than I have for weeks," says J. J. Firestone of Allegan, Mich. "They are certainly a fine article for biliousness." For sale by Dr. Stone's drug store. Samples free.

Of course "Teddy" was not giving orders when he expressed the opinion that Hughes should be re-nominated—it was only a tin, but if it isn't acted upon he will doubtless feel called upon to see that somebody is sorry.

A Sure enough Knocker.
J. C. Goodwin, of Reidville, N. C., says: "Bucklen's Arnica Salve is a sure-enough knocker for ulcers. A bad one came on my leg last summer, but that wonderful salve knocked it out in a few rounds. Not even a scar remained." Guaranteed for piles, sores, burns, etc. 25c at J. C. Perry's drug store.

If all the delegates to the Denver convention would follow the example of the six from Montana, who have chipped in \$1500, Chairman Mack would soon have hordes of money. But the ante of \$250 per may scare out some.

They Take the Kinks Out.
"I have used Dr. King's New Life Pills for many years, with increasing satisfaction. They take the kinks out of stomach, liver and bowels, without fuss or friction," says N. H. Brown, of Pittsfield, Vt. Guaranteed satisfactory at J. C. Perry's drug store. 25c.

One of the Darwin family asserts that plants have memory. Don't know about that, but some hobbies would be in trouble if they had voices to tell of being neglected while wives were away.

Women with good complexions are never homely. Good blood makes good complexions. Lane's Family Medicine makes good blood. All druggists sell it for 25 cents.

Has Senator Smoot lost his Washington "drag"? Secretary Straus ordered nine Mormon immigrants, who had been detained in Boston, deported notwithstanding Smoot's protest. 'Twas not always thus.

DeWitt's Carbolic Witch Hazel Salve is the best thing to use for piles. Sold by all druggists.
