

### You Wouldn't Dare to Live Over a Cesspool Day After Day

You wouldn't deliberately take poison that you knew would lead to chronic stomach, liver, bowel or kidney disease.

You're doing both of these things when you neglect constipation. Nature's natural sewer is clogged up and the worst of poisons are overflowing into your system—impregnating every drop of your blood with disease germs.

Constipation is the cause of nine out of every ten cases of dyspepsia, indigestion, typhoid fever, malaria, chills and fever, rheumatism, kidney disease, skin troubles and general "run down" condition of the system.

Give your system a thorough housecleaning this very night—restore your liver to its normal, active, healthy condition. Even if you think you're not constipated take an **N** tablet to-night and you'll feel better in the morning.

From feeling sick or just so-so you'll learn what it is to feel absolutely well, vigorous and happy.

### Do You Want a Suburban Home?

Do you want the pleasures of the country with the advantages of the city?

Do you want to pick your own berries: fresh from the bush and eat them with rich Jersey cream?

Do you want to raise garden two weeks earlier than your friends?

Do you want a chicken or hog ranch just over the fence from the Cherry City, whose paved streets are the talk of the Northwest?

If you do, see F. P. Farrington, the State street grocer and merchant.

I will sell my home place on the Turner road, consisting of 15 acres of rich gravel land, fenced and cross-fenced, two wells on place, young orchard, two acres of Logan berries, also strawberries, raspberries, blackberries, black caps, Himalaya berries, shrubbery, etc.

House 34 feet square, two stories high, ell 12x20, water in kitchen, drain to cesspool in field.

Woodshed, good lawn, carriage shed, cow barn, chicken house, and other out-buildings; also building 40 feet square, shingled, splendidly arranged for hogs or chickens, water inside.

A good family horse, cow, about 100 chickens, new set buggy harness, one set double harness, one set single harness, \$150 worth of hay in barn, \$75 worth of wood in sheds, other tools, all buildings in good repair inside and out. All you have to do is to move in; the rest is there. Terms on part. Call and see me about it.
