**BISPHAM'S WIFE KIDNAPS CHILDREN**  
(Clotted Press Leased Wire.)  
New York, Sept. 16.—David Bispham, the baritone, is today looking for his children, who were kidnaped by his wife from Hokeneke, Conn., several days ago. Both the woman and the children have disappeared and Bispham's friends are aiding in the search.

The Bisphams separated some time ago, and both agreed that the children should remain in the custody of the father. While Bispham was at Bar Harbor, Maine, filling a musical engagement, Mrs. Bispham moved to Hokeneke and took the children to Westchester. A few days later she saw suspicious characters about the place, and disappeared with the children.

**WRIGHTS HOLD ALL RECORDS**

**WILBUR FLIES THE SPEEDIEST**

(United Press Leased Wire.)  
Lemans, France, Sept. 16.—Wilbur Wright today took his place beside his brother, Orville, as the holder of the world's record for speed in an aeroplane.

Wilbur sailed 39 minutes and 19 seconds today at the rate of 46 miles an hour, approximately six miles per hour faster than any previous record. This divides the honors between the two brothers. Orville holds the record for duration of flight and second place for speed. Wilbur holds the record for speed and second place for duration.

The Wrights now stand out as the undisputed champions of aerial navigation in machines heavier than air. All Parts is filled with praise for Wilbur Wright, and the French people take pride in his having outdone his brother in the matter of speed. The French now take a proprietary interest in Wilbur Wright, and are anxious to see him surpass the records of his brother in America.

Wilbur's flight this morning exceeded by more than nine minutes the longest flight ever made before in Europe. The flight was made over the military course at Anvours.

**SUES FOR PSYCHIC TREATMENT**

(Clotted Press Leased Wire.)  
San Francisco, Sept. 16.—What is the value in dollars and cents of the benefit derived by an invalid from psychic forces applied by a person of a stronger mind? Is it worth \$5500? These are the questions that a jury in Judge Graham's court will be called upon to decide either today or tomorrow, in one of the strangest cases that has ever come up for decision in the local courts.

Mrs. Mary Cashman, a psychic medium, is suing for \$5500 from the estate of Mrs. Sarah F. Miller. Mrs. Miller, who was the wife of Dr. Albert Miller, a celebrated psychologist, died in January, 1907. She left an estate valued at a half million dollars, and named her two sisters, Mrs. Louisa W. Knowler and Mrs. Elizabeth L. Bpal, as administrators.

Before Mrs. Miller's death she was attended by Mrs. Cashman, for the betterment of her physical and mental health, says Mrs. Cashman. It is understood that the psychologist was to receive for her services, the proceeds from the sale of a piece of property that is now valued at \$5,500.

The woman put in her bill against the estate, and the two sisters of Mrs. Miller refused to honor it. They say Mrs. Cashman led Mrs. Miller to believe that she, Mrs. Cashman, was Jehovah.

Attorney J. M. Young, who claims to be a psychologist, was on the stand today for cross-examination in the case. He says that he has studied psychology for 25 years, and that the contentions of Mrs. Cashman are in accordance with the known facts of the practice of the science. People can be made well by suggestion, he says.

The witness was led through all the phases of the subject in a drilling cross-examination.

**EVELYN IS TO GO BACK ON STAGE**

**HARRY THAW'S WIFE PENILESS**

(United Press Leased Wire.)  
Boston, Mass., Sept. 16.—Howard Nesbit, brother of Evelyn Thaw, today confirmed the report that Harry Thaw's wife will soon be seen before the footlights again.

Young Nesbit declares it is not at all improbable that his sister will go on the road with the "Morning, Noon and Night" company, with whom he is playing, within two weeks.

Evelyn Thaw is almost penniless, it is said, and is compelled to go on the stage, or try her hand at something else to make a living. She held a long conference yesterday with Joe Welch, a theatrical manager.

**Albany Pioneer Dies.**

Albany, Or., Sept. 16.—Timothy Kelly, one of the oldest and best-known men in Linn county, died on Monday at the home of his son, Michael Kelly, three miles east of Jefferson, at the age of 94 years. He had been ill for some time, but his condition was not dangerous until morning, when he was seized with heart failure and died suddenly.

Mr. Kelly was born in Ireland and came to America when 6 years old. He had resided in Oregon the past 35 years. He was noted as one of the strongest men in this county, and his advanced age was marked with great vigor. He cast his first vote for President Van Buren, and had voted for every Democratic candidate for President since that time. In spite of his advanced age, his interest in politics continued active, and he attended the Democratic county convention here last spring and was committeeman from Shelburn precinct in the last campaign.

Mr. Kelly leaves four children—Michael Kelly and Mrs. Dan Donahue, residing near Jefferson; Mrs. William Moore, of Cottage Grove, and Mrs. Hudson, of Atchison, Kan.

**THEFT CHARGED TO WEALTHY MAN**

(United Press Leased Wire.)  
Chicago, Sept. 16.—Accused of embezzling \$5500 of the funds of the Kearns No. 2 Gold Mine Company, of Rawhide, Nevada, Thomas Kearns, a well-known Nevada mining man, and a reputed millionaire, was taken to Nevada today, to face the charge, following his arrest last night at the Palmer house.

The warrant for the arrest of Kearns was sworn to by President James O'Brien, of the company whose funds he is charged with having misappropriated. Kearns claims that the money was voted to him at a meeting of the directors of the company about three months ago, and that the minutes will exonerate him. He threatens to bring suit against O'Brien for heavy damages. He resides in San Francisco.

**Athletes Coming.**

Portland, Or., Sept. 16.—Gilbert, Smithson and Kelly, the Oregon boys who won honors in the Olympic games, may be the guests tomorrow of the state fair at Salem. This date, while it is Portland day, is most satisfactory to the athletes, for they have made other arrangements for later in the week. Friday night Albert Gilbert leaves for Seattle, where he is to be married to Miss Mary Thompson on Saturday night.

**OFFICIALS ESTIMATE TODAY'S ATTENDANCE WILL TOTAL 22,000**

**Stadium Athletes Gilbert, Smithson and Kelly To Be Here Tomorrow**

Today, Salem Day, at the state fair, has broken all records up to the time the paper went to press of any former special day for the Capital City, and from estimates gathered from officials, who are in a position to observe, the attendance will be 22,000. The cities all over the valley are represented today, and the big electric trains from Portland are carrying their capacity at every hourly trip this way. Extra trains on the Southern Pacific had every bit of space taken. The Lone Oak race course has also attracted the attention of fans from down south as far as Los Angeles, and several prominent families are attending at the events. Seattle, Tacoma and many of the other Northern cities have turned out this year also. Yesterday's attendance was 4500.

The Cottage Grove local, which arrived at 9 o'clock this morning, an hour late, was jammed with an enormous crowd, which filled every vestibule, the baggage car, the tender, and even the engine, and the train was delayed at every point between Eugene and this city, taking on more passengers. When the train of nine cars reached Salem, however, the matter reached a climax. The conductor got off the train to give some orders, and, in the meantime about 50 local passengers attempted to board the train for the fair grounds. When the conductor came out of the station he tried to get on board, but the crowd walled up every opening. He couldn't even get in the baggage car, and before the overdue train could proceed to the fair grounds, he had to attach another passenger and freight car to the train.

**Bourne Coming.**

It is reported that Senator Jonathan Bourne, Jr., who has just returned to Oregon, will be at the state fair today.

**City Lighted.**

The city will be decorated tonight this afternoon the flags will be put in place, and, if the proper connections can be made, the current will be turned into the electric streamers this evening.
