

CONSIDER THE LILIES, AND HOW THEY GROW

Consider the lilies of the field. If there are no lilies handy, any other wild flowers will do. The lilies in Palestine grew wild, and no doubt were well worth studying, for "Solomon in all his glory was not arrayed like one of these." Wild lilies were not so common in this country, but any kind of flower will unfold its soft petals if we do but heed its message. Sentimental youth and the olden time communists, who consider their heart's desire to each other in the "language of flowers"—a language frankly artificial, however, and which the flowers had nothing to do with forming. But the flowers do truly speak to the thoughtful observer and to all those who have the trouble to stop and think. Considering the clustering flowers, such as the red clover, daisies and other similar specimens, a scholar says: "It must not be supposed that the flowers have been arranged in various and attractive forms simply to gratify the eye of man, but they should come along with nature to perceive and enjoy their beauty."

Barely said. The flowers were here before the human race arrived upon the scene. The flowers began to cluster in groups and associate in clusters and daemones ages before man was taken into account. They had reasons for combining which were far more pressing than any to get ready to please the eye of a creature of the future. The advent was still a matter of centuries ahead. It was, indeed, a matter of life and death.

A Paying Investment. Mr. John White, of 38 Highland street, Houlton, Maine, says: "I have been troubled with a cough every year and spring. Last winter I bought a bottle of Dr. King's New Discovery, before that was half gone, my cough was all gone. This winter I am as happy result has followed. I do not once more banished the cough. I am now convinced that Dr. King's New Discovery is the best of all cough and lung remedies. Sold under guarantee at J. C. Perry's drug store. 50c and 10c trial bottle free."

Lady Woolston Now Slender.

On her last visit to New York the charming, titled English kinswoman of the Van Horn Mentors of Rhode Island was quite plump—even fat—yes, downright fat. This visit she is beautifully slender, but neither exercising nor dieting did it, she says.

Here is her advice to her American cousins, who would safely and quickly take off a pound or so fat a day and keep it off as desired: Take a teaspoonful after meals and at bedtime of this simple trio of home remedies: 1/4 ounce Marmola, 1/4 ounce Fluid Extract Cascara Aromatic and 3/4 ounce Syrup Simplex. These articles cost little, may be obtained at any drug store, and can be mixed at home by any one.

"There isn't a wrinkle nor a stomach in a barrelful," concluded her ladyship. That is, she meant all that, though her language was much more elegant, of course.

A Sure-Enough Knecker. J. C. Goodwin, of Reidsville, N. C., says: "Bucklen's Arnica Salve is a sure-though knecker for ulcers. A bad one came on my leg last summer, but that wonderful salve knocked it out in a few rounds. Not even a scar remained." Guaranteed for ulcers, sores, burns, etc. 25c at J. C. Perry's drug store.

Deafness Cannot Be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and this is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circular, free. F. J. CHENEY & CO., Toledo, O.

How to Get Strong. F. J. Daly, of 1247 W. Congress St., Chicago, tells of a way to become strong: He says: "My mother, who is old and was very feeble, is deriving so much benefit from Electric Bitters, that I feel it my duty to tell those who need a tonic and strengthening medicine about it. In my mother's case a marked gain in flesh has resulted; insomnia has been overcome, and she is steadily growing stronger." Electric Bitters quickly remedy stomach, liver and kidney complaints.
