

"Nature's Gift from the Sunny South"

Cottolene

Shortens your food—Lengthens your life

Everything about Cottolene is clean and pure from its origin to its completion. Warmed into life by the sun on Southern Cotton Fields, nurtured by rain and dew, the Cotton plant finally concentrates in its seed that life-giving and life-sustaining quality which is the basis of Cottolene. Cottolene makes food nutritious, delicious and healthful. Then think of people using hog fat when they can get Cottolene?
