CLAIM UNFAIRNESS IN GIVING BENTON AWARD

The managers of six of the county exhibits at the Oregon state fair have entered a formal protest to the state board of agriculture, against the "authorized suggestions and methods employed by an official of the pavilion for the purpose of influencing awards." The name of the official is withheld, but it is understood that the protest is directed against Superintendent Savage. Both Mr. Savage and the board of agriculture vigorously deny that the judges were influenced in any manner whatever. The protest is as follows: "To the Oregon State Board of Agriculture. "Gentlemen—We, the undersigned, managers of county exhibits entered by our respective counties in the Oregon state fair of 1908, while desiring to acquiesce cheerfully in the awards of the judges in the county agricultural and horticultural contest, wish to protest against and to express our distinct disapproval of the unauthorized suggestions and methods employed by an official of the pavilion for the purpose of influencing awards. "In consequence of this, our extreme dissatisfaction, we hereby agree that as managers of exhibits we will advise our several counties that it would be injudicious to make further county entries at future Oregon state fairs under the present condition surrounding the awarding of premiums. "E. M. Warren, Manager for Lane County. "C. S. Dow, Manager for Clatsop County. "M. O. Lowndale, Manager for Yamhill County. "W. J. Fullerton, Manager for Columbia County. "E. M. Miller, Manager for Multnomah County. "Mrs. F. A. Wolfe, Manager for Polk County."

VICTOR MOSES CLERK OF BENTON COUNTY

Victor Moses is clerk of Benton county, not by three votes, but by ten votes. So says Judge L. T. Harris in his decision handed down Thursday morning. As a result Mr. Moses and Democracy are happy, and Mr. Vincent and Republicanism are taking their defeat with such composure as can be mustered. The costs of the contest case, amounting to something near \$500, are charged up to Mr. Vincent.

NATIONAL COMMITTEE OVERHAULED HITCHCOCK MAY RETIRE

(United Press Lensed Wire.) Cincinnati, O., Sept. 21.—It is stated in Republican circles here today that the Republican National committee has undergone a complete reorganization, and that National Chairman Frank Hitchcock has been deposed from the command of the campaign in all but name. It is understood that Senator Wm. Murray Crane, of Massachusetts, will be the real leader in the campaign in the future. The story, which has gained considerable circulation, despite the absence of any authoritative announcement from Republican headquarters, has created a sensation in political circles, where it is believed that the appointment of Crane to the leadership of the Republican committee is but a forerunner of the coming out of President Roosevelt for Taft on the stump.

A Travelling Man's Experience.

"I must tell you my experience on an east bound O. R. & N. R. R. train from Pendleton to La Grande, Or., writes Sam A. Garber, a well known traveling man. 'I was in the smoking department with some other traveling men when one of them went out into the coach and came back and said, 'There is a woman sick unto death in the car. I at once got up and went out, found her very ill with cramp colic; her hands and arms were drawn up so you could not straighten them, and while a deathlike look on her face. Two or three ladies were working with her and giving her whiskey. I went to my suit case and got my bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy (I never travel without it), ran to the water tank, put a double dose of the medicine in the glass, poured some water into it and stirred it with a pencil; then I had quite a time to get the ladies to let me give it to her, but I succeeded. I could at once see the effect and I worked with her, rubbing her hands, and in 20 minutes I gave her another dose. By this time we were almost into La Grande, where I was to leave the train. I gave the bottle to the bus hand to be used in case another dose should be needed, but by the time the train ran into La Grande she was all right, and I received the thanks of every passenger in the car.'
