THE QUESTION OF HONESTY AT THE PRIMARIES.

The Oregonian has raised the question of honesty and sincerity at the expense of the direct primary law.

Every kind of failure in political action is laid at the doors of the OREGON PRIMARY LAW, WHERE IT DOES NOT BELONG.

Untold evils and demoralization of the government and destruction of parties are all laid to the dishonest practices and corrupt politics engendered by the Oregon direct primary law.

Especially severe is the Oregonian ON ALLEGED FRAUDS COMMITTED BY MEN WHO WERE DEMOCRATS BUT REGISTERED AS REPUBLICANS.

It is charged that they committed this fraud in order to help nominate Calkins for senator in order to defeat him at the general election.

They are charged with ballot-box stuffing and illegal voting on the theory that they acted dishonestly by helping nominate one man and then supporting Chamberlain as the choice in June for senator.

On last Sunday in an unguarded editorial the Oregonian gave outspoken utterance to what it considers honest and honorable political conduct.

IT FRANKLY SAYS CALKINS HAD NO BUSINESS TO BE A CANDIDATE FOR SENATOR. "He butted in where he did not belong and his election would have been a misfortune."

So the Oregonian says in so many words, that the wing of the party which it represents, the Fulton faction, VOTED AGAINST CALKINS BY VOTING FOR CHAMBERLAIN at the general election following the primary.

As it challenges the honesty of men who were formerly Democrats, and we have no doubt there were some such, who registered as Republicans to help nominate the least objectionable of the two Republicans, WHAT BECOMES OF ITS HONESTY AND SINCERITY IN UPHOLDING MEN WHO REGISTERED AS REPUBLICANS AND NOT GETTING THEIR MAN NOMINATED PROCEEDED TO VOTE FOR A DEMOCRAT?

That could not have been Mr. Fulton's advice, for he only gave as a reason for not supporting Julius Moreland that Moreland had once voted for a Democrat.

But now we are told by the Oregonian that it was honest for men to register as Republicans, AND THEN, BECAUSE A MAN "BUTTED IN" AND GOT THE NOMINATION AWAY FROM MR. FULTON, VOTE FOR THE DEMOCRAT FOR SENATOR.

We are told by the Oregonian that it was not only honest politics to do this but that will be honest to defeat the man in the legislature by corruption for whom you voted in June without compulsion.

What a spectacle of unrighteousness is here held up to the people by a great newspaper posing as a public moralist and censor of others! REGISTER AS A REPUBLICAN, VOTE FOR A REPUBLICAN AT

IF your idle money is not earning interest you are losing a profit that should be yours.

SAVINGS DEPARTMENT CAPITAL NATIONAL BANK

THE PRIMARY VOTE FOR A DEMOCRAT AT THE ELECTION, AND THEN ELECT A REPUBLICAN IN THE LEGISLATURE!

The advice of the Oregonian is pernicious to the Republican party in Oregon. Such advice followed would put this state solidly into the Democratic column.

Of course, the purpose of all this double-dealing is to render the primary law odious and restore the old corrupt way of buying the senatorship with the corruption rack.

BUT THE RESULT WILL BE THROUGH ALL THIS DISHONESTY OF PURPOSE.

If the legislature carries out such a program of turpitude and treachery it will have driven the last nail in the coffin of machine politics in Oregon.

MUST BELIEVE IT

When Well-Known Salem People Tell It So Plainly.

When public endorsement is made by a representative citizen of Salem the proof is positive. You must believe it. Read this testimony. Every backache sufferer, every man, woman or child with any kidney trouble will find profit in the reading.

Jacob E. McCoy, retired, living on Capital St., beyond Mill creek, Salem, Or., says: "There has been no reason for me to change my good opinion of Doan's Kidney Pills which I expressed through our papers three years ago. I procured the remedy at Dr. Stone's drug store at that time and received the most gratifying results from their use. I was relieved of kidney complaint of several years' standing. The principal symptoms were in connection with the kidney secretions and any strain or over-exertion often caused hemorrhages of the kidneys. Nothing I had found in the way of medicine gave me any satisfactory relief until I got Doan's Kidney Pills. They gave prompt and lasting benefits. I have recommended them ever since then when occasion has arisen.

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

New Notaries. R. W. Fisher, F. E. Watkins, F. R. Burdett, Portland; J. E. Paul, Huntington.

Good for Biliousness. "I took two of Chamberlain's Stomach and Liver Tablets last night, and I feel 50 per cent better than I have for weeks," says J. J. Firestone of Alleman, Mich. "They are certainly a fine article for biliousness." For sale by Dr. Stone's drug store. Samples free.

New Excursions. Oregon Orchards Company; principal office, Portland, Or.; capital \$2,000,000; incorporators, Karl Olson, Albert B. Olson and Ott Olson.

Anna's River Land, Water & Power Company; principal office, Lakeview, Or.; capital stock, \$15,000; incorporators, M. W. O'Brien, J. W. Nelson and C. Duvall.

Hoppy Hop. Are you just barely getting around by the aid of crutches or a cane? Unless you have lost a limb or have a deformity—if your trouble is rheumatism, lumbago, sprain, stiff joints, or anything of like nature use Ballard's Snow Liniment and in no time you can throw away your crutches and be as well as anyone. Price 25c. 50c and \$1.00. Sold by all dealers.

A sweet disposition is very charming and desirable, but it takes a strong kick to get results.

Kennedy's Laxative Cough Syrup does not constitute like most of the old-fashioned cough cures, but on the other hand it gently moves the bowels and at the same time soothes irritation and allays inflammation of the throat. Sold by all druggists.

WATCHING THE PRESIDENTIAL CONTEST

Europe has watched the progress of our presidential campaign with an interest so profound as to contrast markedly with the languor that has so far characterized the contest here.

From London to St. Petersburg there prevails an impression that the foreigner in the Old World understands some aspects of the contest far better than do the Americans themselves. "The issue of the election is of the first consequence to Europe," as the Paris Gaulois believes. "For the result must react upon international relations from Morocco to the far east."

Readers of European newspapers are therefore assured that the balance of naval power for the next four years, the destinies of the German element in South America and the contest that will soon ensue for possession of the throne of China, must be affected—even materially affected,

as the Paris Figaro remarks—by the election. Americans, as some European dailies are noting, care little for world politics. They will not take foreign affairs into account when they cast their votes next November. But Europe must do so.

"The power of a President of the United States over the diplomatic relations of his country with foreign countries," says the Temps, "is absolute. The checks upon him in this field are only theoretical." He can make no treaty of alliance on paper without the senate, but he can bring about an alliance in fact because he disposes at his will the army and navy of the republic. "There are seven great powers," as the Berlin Kreuz Zeitung says, "and the election will decide who shall cast the vote of one of the greatest of them in the world conferences of the immediate future."—Current Literature

SMILES. Jack Frost is barking for rain, and will fetch them.

No telling how many chickens that Court street market man will have to dress Saturday.

Well, the political situation is a little mixed. But it will clear.

Pretty hard for any of the preachers to get the start of Bishop Hughes.

There is a great deal of good weather coming yet for building.

Things are lively on Willamette campus. But the boys are starting to paint too early in the game.

Will Salem appreciate a genuine Weber and Field play at the Grand opera house next Monday night?

Salem is still in need of that large freight depot and a \$25,000 passenger station and grounds.

That boulevard to the little fair grounds should be open to all kinds of vehicles, including autos.

Don't build that state fair boulevard just yet, gentlemen. Wait about ten years.

There were not many of the Missourians out to hear that girl from Missouri. Most of them are too old to stir around rough nights.

If the ministers are in town Saturday night with a band concert on the street, with even their own rain, with all pieces of business and residences lighted up, they will see a live town.

The Democratic caucus who opened the presidential campaign in Salem had the decency and courtesy to speak highly of Taft's character as a man.

The Portland General Electric spent \$133,000 in Salem improvements the last year. The Oregon Electric about \$100,000. Of course, the city ought to treat them fairly and ought to keep its agreements with them. If it don't how can the heads of those corporations get any more money to blow in on the Capital City, and what would the town amount to without them?
