

SMILES. The hard frost forecasted for Sunday night did not arrive. Poultry supplies are running low. "School days, school days." Next, the Trans-Mississippi congress at San Francisco.

If the Oregonian keeps up its high-toned methods of fighting Governor Chamberlain, the vote for him in the legislature will be unanimous.

One of the Brothers at Mt. Angel and Rev. Sellick, of Salem, both called in our absence Saturday, which we very much regret.

At one of the city churches Sunday, Clarence True Wilson, of Portland, was advertised to preach, and there was a packed house. The minister told his congregation he was glad there was something besides a charge of dynamite could bring them out. But Wilson did not come, and out he went under the weather, whose throat acted as if he had been sleeping out, preened to them. In the evening Wilson preached for the sick man, and had a good crowd, but not so many.

Dexter Field has been doing the nice thing to advertise Salem to the Methodist conference. He has each day brought in two boxes of splendid Gravenstein apples for free distribution. He did not want this to get out, but as it was a good boasting net, it should be mentioned.

A man just came to town to look up a location from Eureka, Cal. He is in doubt where his family are, as there has been an earthquake down there since he left. He stopped a week at Eugene and Grants Pass, but the air was too hot for comfort in those places. It was not forest fires, either. He likes the cool, candid, honest temperature at Salem very much.

A Travelling Man's Experience. "I must tell you my experience on an east bound O. R. & N. R. R. train from Pendleton to La Grande, Or. writes Sam A. Garber, a well known travelling man. I was in the smoking department with some other travelling men when one of them went out into the coach and came back and said, 'There is a woman sick unto death in the car. I at once got up and went out, found her lying on the floor with her head on the seat, and with a look of death on her face. Two of the ladies were working with her and giving her whiskey. I went to my suit case and got my bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy (I never travel without it), ran to the water tank, got a double dose of the medicine in the glass, poured some water into it and stirred it with a pencil; then I let quite a time to get the ladies to let me give it to her, but I succeeded at last at once she felt the effect and I worked with her, rubbing her hands, and in 20 minutes I gave her another dose. By this time we were almost into La Grande, where I was to leave the train. I gave the bottle to the husband to be used in case another dose should be needed, but by the time the train ran into La Grande she was all right, and I received the thanks of every passenger in the car." For sale by Dr. Stone's drug store.

Road River business men and fruitgrowers are enthusiastic over the auto road to Portland and already \$500 has been subscribed. How to Get Strong. F. J. Daly, of 1247 W. Congress St., Chicago, tells of a way to become strong: He says: "My mother, who is old and was very feeble, is deriving so much benefit from Electric Bitters, that I feel it my duty to tell those who need a tonic and strengthening medicine about it. In my mother's case a marked gain in strength has resulted, insomnia has been overcome, and she is steadily growing stronger." Electric Bitters quickly remedy stomach, liver and kidney complaints. Sold under guarantee at J. C. Perry's drug store, 50c.

A Yamhill county farmer near McMinville sold 57 hogs for \$616.87, making, it is claimed, a net profit of \$24.87.

A Paying Investment. Mr. John White, of 38 Highland Ave., Houlton, Maine, says: "Have been troubled with a cough every winter and spring. Last winter I tried many advertised remedies, but they all failed. I continued until I bought the bottle of Dr. King's New Discovery, before that was half gone. The cough was all gone. This winter I was once more troubled with the same cough. I am now convinced that Dr. King's New Discovery is the best of all cough and lung remedies." Sold under guarantee at J. C. Perry's drug store, 50c and \$1.00. Trial bottle free.

Many reports black bass as plentiful in the Willamette near there. These fish were planted near Salem many years ago.

A straw vote on a Northern Pacific train coming into Portland showed the following result—Taft, 89; Bryan, 26; Debs, 13.

Deafness Cannot Be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and this is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surface.

We will give One Hundred Dollars for any case of Deafness (caused by Catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free. F. J. CHENEY & CO., Toledo, O. Sold by druggists, 75c. Take Hall's Family Pills for constipation.
