Who was it who said, "That country is governed best that is governed best?" When the doctor is called he asks: "How are the bowels?" They are generally wrong. His visit might have been saved by a timely dose of Lane's Family Medicine.

How seldom we hear the prayer: "Lord have mercy on my son, for he is a fanatic?" Yet such a prayer could be answered.

Kemp's Balsam will stop any cough that can be stopped by any medicine and cure coughs that cannot be cured by any other medicine. It is always the best cough cure.

There is always hope for the fool who has sufficient control over his tongue to keep others from finding it out.

There is nothing else "just as good" as Kemp's Balsam, the best cough cure, and the other kinds just as much as this famous remedy.

Remember, man, the universal sense acts not by partial but by general laws.

Don't be afraid to give Chamberlain's Cough Remedy to your children. It contains no opium or other harmful drug. It always cures. For sale by Dr. Stone's drug store.

YOUNG THIEF DISPLAYS \$10,000 IN JEWELRY New York, Oct. 3.—The juvenile court here in trying to decide today what to do with Morris Rosenthal, a diminutive bell boy who admits having stolen over \$10,000 worth of jewels and money from the rooms of guests in various hotels all over the United States where he has been employed. Rosenthal was arrested yesterday for stealing several thousand dollars worth of jewels from a bank-vault here, at the Lorraine hotel.

The boy went under the name of Jay Harsh here and when confronted with evidence of his guilt, he confessed to detectives and told them that he had stolen from other hotels. He went where he had a safe deposit and showed them he had rented a box where he had stored \$10,000 worth of jewels.

A Bold Step.

To overcome the well-grounded and reasonable objections of the more intelligent to the use of secret, medicinal compounds, Dr. R. V. Pierce, of Buffalo, N. Y., some time ago, decided to make a bold departure from the usual course pursued by the makers of put-up medicines for domestic use, and so has published broadcast and open to the whole world, a full and complete list of all the ingredients entering into the composition of his widely celebrated medicine. Thus he has taken his numerous patrons and patients into his full confidence. Thus too he has removed his medicines from among secret nostrums of doubtful merits, and made them medicines of known composition.

By this bold step Dr. Pierce has shown himself a man of the highest moral and scientific integrity. Not only does the wrapper of every bottle of Dr. Pierce's Golden Medical Discovery, the famous medicine for weak stomach, liver or biliousness and all catarrhal diseases wherever located, have printed upon it a plain English, a full and complete list of all the ingredients composing it, but a small book has been compiled from numerous standard medical works, of all the different schools of practice, containing very numerous extracts from the writings of leading practitioners of medicine, endorsing in the strongest possible terms, each and every ingredient contained in Dr. Pierce's medicine. One of these little books will be mailed to any one sending address on postal card or by letter to Dr. R. V. Pierce, Buffalo, N. Y., and receiving the same. From this little book it will be learned that Dr. Pierce's medicines contain no alcohol, narcotics, miners' agents or other poisonous or injurious agents, and that they are made from native medicinal roots of great value, also that some of the most valuable ingredients contained in Dr. Pierce's Favorite Prescription for weak nervous system, "run-down," nervous and debilitated women, were employed, long years ago, by the Indians for similar ailments affecting their squaws. In fact, one of the most valuable medicinal plants entering into the composition of Dr. Pierce's Favorite Prescription was known to the Indians as "Squaw-Weed." Our knowledge of the use of not a few of our most valuable native medicinal plants was gained from the Indians.

As made up by improved and exact processes, the "Favorite Prescription" is a most efficient remedy for regulating all the womanly functions, correcting displacements, as prolapsus, anteversion and retroversion, overcoming painful periods, toning up the nerves and bringing about a perfect state of health. Sold by all dealers in medicines.

The slaughter of the innocents has begun. Good for Biliousness. "I took two of Chamberlain's Stomach and Liver Tablets last night and I feel 50 per cent better than I have for weeks," says J. J. Firestone of Allegan, Mich. "They are certainly a fine article for biliousness." For sale by Dr. Stone's drug store. Samples free.

No more kicking about there not being enough rain. A Sure-enough Knocker. J. C. Goodwin, of Reidville, N. C., says: "Bucklen's Arnica Salve is a sure-enough knocker for ulcers. A bad one came on my leg last summer, but that wonderful salve knocked it out in a few rounds. Not even a scar remained." Guaranteed for piles, sores, burns, etc. 25c at J. C. Perry's drug store.

Things are being dug up down at the irrigation congress. Gambling your life against 25 cents is just exactly what you are doing if you neglect a cough or cold on the chest instead of treating it with Ballard's Horehound Syrup. A 25 cent bottle of this splendid remedy will cure an ordinary cough, heal the lungs and act as a tonic for your entire system. Sold by all dealers.

Work, diet and play, and Christlike religion may be sandwiched in. A Burnt Child. The dread is wholesome, but not the burn; that can be healed and instantly relieved by applying Ballard's Snow Liniment. Be prepared for accidents by keeping a bottle always in the house. Best for sprains, bruises, cuts, scalds, rheumatism, neuralgia, bunions—any and all aches and pains. Price 25c, 50c and \$1.00. Sold by all dealers.

If you think that you are invincible, you are. They Take the Kinks Out. "I have used Dr. King's New Life Pills for many years, with increasing satisfaction. They take the kinks out of stomach, liver and bowels, without fuss or friction," says N. H. Brown, of Pittsfield, Vt. Guaranteed satisfactory at J. C. Perry's drug store, 25c.

Don't do a dam-tap more than your duty. But do that. Kodol will, in a very short time, enable the stomach to do the work it should do, and the work it should do is to digest all the food you eat. It makes the stomach sweet and it is pleasant to take. It is sold here by all druggists.

If giving a baboon beer and whiskey be inhumane treatment, as claimed by the president of the Washington Humane society in a recent case, we could easily produce a bunch of men hankering for inhumane treatment.
