Portland people survived without
liquor Sunday but had their fruit,
peanuts, theaters and cigars.

The first man or boy found hunt-
ing birds by shooting firearms in the
city limits should be prosecuted.

None of the big machine politi-
cians but sneers at the direct pri-
mary and direct election of senators.
Why should they complain of Re-
publican apathy? Their success
means the defeat of the two most
popular reforms of the age.

Mayor Lane's crusade will unroll
part of the Portland tendency on
the cities of the interior.

That "pretty rotten" Portland
Light & Power company has only
spent \$135,000 in Salem the past
year. Of course, our home million-
aires beat that all hollow.

That "ex-populist and renegade
Republican," Robt. La Follette has
the people of Wisconsin back of him.

Salem business men who do not
pull down offensive signs may as well
prepare to pay fines and spend a few
nights in jail.

That South Commercial street
bridge should be the full width. It
is bad enough to have that street
fenced shut at the other end.

This is a free country, and there
is nothing to prohibit the Prohibi-
tion party jollying up the voters on
the holy Sabbath day.

The dinner pail brigade is not yet
fully in evidence in this campaign,
but it is beginning to get a move on.
The trouble is, you cannot tell which
way it is travelling.

But what is the use of Bryan mak-
ing speeches to catch the Prohi vote?
Those people on the water wagon
have a candidate of their own. But
it seems Bryan wants all the people
of all the other parties to help make
up what he will lose in his own.

Let those showers come, Jupiter
Pluvius. We want some mush-
rooms.

Why hat every politician who
fights the direct primary and the
direct election of senators the fight
of his life on his hands? Because
he is opposing the best moral and
political sentiment of the best peo-
ple in all parties.

Good for Biliousness.
"I took two of Chamberlain's
Stomach and Liver Tablets last
night, and I feel 50 per cent better
than I have for weeks," says J. J.
Firestone of Allegan, Mich. "They
are certainly a fine article for bil-
iousness." For sale by Dr. Stone's
drug store. Samples free.

A good many men spend more

A Sure-enough Knocker.
J. C. Goodwin, of Redsville, N.
C., says: "Buckley's Arnica Salve is
a sure-enough knocker for ulcers. A
bad one came on my leg last sum-
mer, but that wonderful salve
knocked it out in a few rounds. Not
even a scar remained." Guaranteed
for piles, sores, burns, etc. 25c at
J. C. Perry's drug store.

who would shrink from actually com-
mitting violence.

Gambling
your life against 25 cents is just ex-
actly what you are doing if you neg-
lect a cough or cold on the chest in-
stead of treating it with Ballard's
Horehound Syrup. A 25 cent bottle
of this splendid remedy will cure an
ordinary cough, heal the lungs and
act as a tonic for your entire system.
Sold by all dealers.

Every deed has its inception in the
mind; there never was a crime com-
mitted involuntarily. Clean thoughts
cannot result in evil deeds.

A Burnt Child.
dreads the fire. The dread is whole-
some, but not the burn; that can be
healed and instantly relieved by ap-
plying Ballard's Snow Lintment. Be
prepared for accidents by keeping a
bottle always in the house. Best for
sprains, bruises, cuts, scalds, rheu-
matism, neuralgia, bunions—any
and all aches and pains. Price 25c,

THE STOMACH DOES NOT CAUSE DYSPEPSIA

Neither Will It Cure It Because the
Lack of Gastric Juices Prohibit
Relief.

The stomach is a strong, powerful
organ, which is composed of muscles
of great strength. It is filled during
digestion with gastric juices which,
when the stomach, extending and
compressing the food, dissolve it and
separate the nourishment from the
waste matter. If, however, these
gastric juices are lacking, the stom-
ach is not capable of digesting its
food because it has not the tools with
which to work successfully.

The gastric juices when in a per-
fect state do away with all foul odors
fermentation and decay, reduce the
food to a disintegrated mass and the
stomach then presses it into the in-
testines where another form of di-
gestion takes place. Then the intes-
tines take from this mass of food all
that is nourishing and give it to the
blood. The waste matter is thrown
from the system.

If, instead of nourishment, the in-
testines receive impure food com-
bined with a poisonous and imper-
fect gastric juice, it can be readily seen
that they must turn such imperfect
nourishment into the blood. The
blood then, being unable to give
each part of the body that which it
requires, becomes impoverished, and
disease is spread broadcast.

Stuart's Dyspepsia Tablets cor-
rects such a condition at once. If
the gastric juices are lacking and
imperfect these tablets do their work
just the same. They build up the
elements in the juices which are lack-
ing and remove those elements which
cause disturbance.

Meat, grains, fruits, vegetables and
dainties, in fact each portion of a
large meal have been placed in a
glass vial and Stuart's Dyspepsia
Tablets have digested them to a per-
fect fluid, just as a healthy stomach
would do.

A large, complex, hearty meal
holds no terror for a dyspeptic. If
Stuart's Dyspepsia Tablets are used,
Abnormal eating, late dinners, rich
foods cause ill effects to the stomach,
but when Stuart's Dyspepsia Tablets
are used one may eat when and what
one will without danger of dyspeps-
ia or discomfort.

Forty thousand physicians endorse
and prescribe Stuart's Dyspepsia Ta-
blets, and every druggist carries them
in stock, price 50c. Send us your
name and address, and we will send
you at once by mail a sample pack-

A Traveling Man's Experience.
"I must tell you my experience on
an east bound O. R. & N. R. R.
train from Pendleton to La Grande,
Or., writes Sam A. Garber, a well
known traveling man. "I was in the
smoking department with some
other traveling men when one of them
went out into the coach and came
back and said, "There is a woman
sick unto death in the car. I at once
got up and went out, found her very
ill with cramp colic; her hands and
arms were drawn up so you could
not straighten them, and while a
deathlike look on her face. Two or
three ladies were working with her
and giving her whiskey. I went to
my suit case and got my bottle of
Chamberlain's Colic, Cholera and
Diarrhoea Remedy (I never travel
without it), ran to the water tank,
put a double dose of the medicine in
the glass, poured some water into it
and stirred it with a pencil; then I
had quite a time to get the ladies to
let me give it to her, but I succeeded.
I could at once see the effect and I
worked with her, rubbing her hands,
and in 20 minutes I gave her another
dose. By this time we were almost
into La Grande, where I was to leave
the train. I gave the bottle to the
husband to be used in case another
dose should be needed, but by the
time the train ran into La Grande
she was all right, and I received the
thanks of every passenger in the
car." For sale by Dr. Stone's drug
store.

Deafness Cannot Be Cured
by local applications, as they cannot
reach the diseased portion of the
ear. There is only one way to cure
deafness, and this is by constitutional
remedies. Deafness is caused by an
inflamed condition of the mucous
lining of the Eustachian Tube. When
this tube is inflamed you have a
rumbling sound or imperfect hear-
ing, and when it is entirely closed,
Deafness is the result, and unless the
inflammation can be taken out and
this tube restored to its normal con-
dition, hearing will be destroyed for-
ever; nine cases out of ten are caused
by Catarrh, which is nothing but an
inflamed condition of the mucous
surfaces.

We will give One Hundred Dollars

catarrh) that cannot be cured by

In the opinion of Mr. Hearst "in-

A Paying Investment.
Mr. John White, of 38 Highland
Ave., Houlton, Maine, says: "Have
been troubled with a cough every
winter and spring. Last winter I
tried many advertised remedies, but
the cough continued until I bought
a 50c bottle of Dr. King's New Dis-
covery; before that was half gone,
the cough was all gone. This winter
the same happy result has followed.
A few doses once more banished the
annual cough. I am now convinced
that Dr. King's New Discovery is
the best of all cough and lung
remedies." Sold under guarantee at

A WOMAN'S BACK
The Aches and Pains Will Disappear
If the Advice of This Salem
Citizen is Followed.

A woman's back has many aches
and pains.

Most times 'tis the kidneys' fault.
Backache is really kidney ache:
That's why Doan's Kidney Pills
cure it.

Many Salem women know this.
Read what one has to say about it:

Mrs. B. Schreiber, of 560 High St.,
Salem, Or., says: "The good reports
I had heard concerning Doan's Kid-
ney Pills induced me to procure a
supply. I had been suffering from
incessant backache which not only
troubled me through the day but
broke my rest at night. I began to
feel the effects of Doan's Kidney Pills
after I had taken a few doses. Rel-
ief speedily came and then an abso-
lute cure. There has been no sign
of the backache nor any other symp-
toms since. I am only too pleased
to let others know of such a valuable
and effective remedy."
For sale by all dealers. Price 50
cents. Foster-McLburn Co., Buffalo,
New York, sole agents for the United
States.

Remember the name—Doan's—
and take no other.
