Sixty years of experience with Ayer's Cherry Pectoral make us have great confidence in it for coughs, colds on the chest, bronchitis, hoarseness, weak throat, weak lungs. Ask your doctor to tell you his experience with it. If satisfactory, then you will certainly have every confidence in it.

BURNS MOVING DOWN TOWN

Prince Burns, the well known retired farmer north of the city, is erecting two fine cottages near the intersection of Ferry and Church streets, and will move into town shortly.
Prince has for the past 20 years been the Burgmaster of the fair ground district, and for the past few years mayor of the state fair grounds, notwithstanding several other prominent official positions he has been an occupant of, and his prominence in the northern part of the city can not be surpassed now or in the future when his presence has ceased to be general around that district. Mistah Burns' beautiful acres have yielded him a very fine fortune, and his ability as a true tiller of the soil is known not only in this immediate vicinity, but all over the Willamette valley. His business traits, such as horse trading, milking cows and pitching horseshoes, is also widely advertised owing to the excellent manner with which he performs them. It has been rumored that upon Prince's departure from that part of town and when he resigns his many official duties, a communication will be tendered him by the next most prominent citizen, thanking him for the many deeds he has done in interest of the North Salem country, and to express their most sincere regret at his leaving a field where he had the best of opportunities for further displaying his fine hand at "boosting." "Welcome Mr. Burns to the haunts of your city friends."
Ten new policemen have been added to Portland's force. Perhaps it will be possible to see one occasionally now.

Where Bullets Flew.

David Parker, of Fayette, N. Y., a veteran of the civil war, who lost a foot at Gettysburg, says: "The good Electric Bitters have done me more than \$500 to me. I spent much money doctoring for a bad case of stomach trouble, to little purpose. I then tried Electric Bitters, and they cured me. I now take them as a tonic, and they keep me strong and well." 50c at J. C. Perry's drug store.

No one ever heard of a booster pamphlet, no matter where published, in which it was not claimed that the finest climate in the world existed at the place.

Had a Close Call.

Mrs. Ada L. Croom, the widely known proprietor of the Croom hotel, Vaughn, Mich., says: "For several months I suffered with a severe cough, and consumption seemed to have its grip on me, when a friend recommended Dr. King's New Discovery. I began taking it, and three bottles affected a complete cure." The fame of this life saving cough and cold remedy, and lung and throat healer is world wide. Sold at J. C. Perry's drug store. 50c and \$1.00. Trial bottle free.
