TWO WAYS

OF GETTING GLASSES

One is to let some slick-tongued fakir who peddles through the country come into your home and sell you a pair, and run the risk of ruining your eyes. They know how to fit glasses that make you see splendidly today, but it is an unnatural glass, and the eye cannot stand up under it. You find that tomorrow you cannot stand to wear them at all. Then you turn to your peddler—he has gone.

WOMAN FAILS TO CHEAT GALLOWS
Philadelphia, Pa., Oct. 9.—The jail physicians today declared that Mrs. J. Clayton Erb, who tried to hang herself to a bedpost in the Media jail

yesterday, will recover and be able to stand trial soon for the murder of her husband, of which she and her sister, Mrs. Katherine Besel, stand accused.

The two women are accused of

plotting to get Erb's property into his wife's name, and then trying to kill him by slow poison. Failing in this, say the police, they lured him to a lonely place and shot him.

Mrs. Erb is said to have twisted

her underskirt into a rope yesterday and attempted to strangle herself to death. The timely interference of jail hands saved her life.
