

# SALEM SOCIETY NEWS OF THE WEEK

By MISS MILLIE RUNCORN, Phone 1534

The whirl of the social season has again begun after lying dormant through the summer months. While it really began showing signs of life about two weeks ago, it has been within the last six or seven days that "things have been doing."

Theater parties, a dance and entertainments of different kinds were in evidence during the first week of the season. Should the impetus with which the social life has begun be kept up, this will be the liveliest winter. Salem has never had. The number of strange people at the different affairs shows the rate at which Salem is growing.

"The Man of the Hour," at the Grand opera house, brought out sensation in its best. Many attractive gowns and bonnets made their first appearance for the season on this occasion. The audience were as merry an entirely "fashionable" one has ever been seen at a play in the Capital City. It would appear that the opera house was going to be the principal meeting place of the social world here this winter. Several of the best people are planning to take boxes at the play house at intervals in the future. This will give Salem a much better standing in the eyes of the theatrical world as, from the stage, the house seems strangely empty to the players with one in the boxes. It has been claimed by some in the past that the boxes made them conspicuous. This misconception will be proven to be wrong, when, in the future, the fashions will take box seats.

**Visit McMinnville Lodge.**

A number of the officers and members of Silver Bell Circle No. 11, Women of Woodcraft attended the Home Circle lodge of McMinnville Wednesday night.

The party went over Wednesday afternoon in Yannek's trolley, and returned Thursday morning. The latter report a very interesting meeting, followed by an excellent program. A large banquet concluded the entertainment of the evening. Those who attended are enthusiastic about the entertainment they were given, and will return an urgent invitation for the ladies of the sister lodge to visit the Capital City. Those

## DRESS-MAKERS

The nervous strain through which dressmakers have to pass at certain seasons of the year seems almost beyond endurance, and frequently brings on nervous prostration, fainting spells, dizziness, sleeplessness and a general breaking down of the nervous system, until life seems altogether miserable.

## LYDIA E. PINKHAM'S VEGETABLE COMPOUND

restores the feminine system to a strong, healthy, normal condition.

Mrs. Ella Griffin, of Park St., Canton, N.Y., writes to Mrs. Pinkham:

"I was troubled for three years with female weakness, backache, pains in my side, and headaches. I was most miserable and discouraged, for doctors gave me no relief. Lydia E. Pinkham's Vegetable Compound brought back my health and made me feel better than ever before."

## FACTS FOR SICK WOMEN.

For thirty years Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, has been the standard remedy for female ills, and has positively cured thousands of women who have been troubled with displacements, inflammation, ulcers, fibroid tumors, irregularities, periodic pains, backache, that bearing-down feeling, flatulency, indigestion, dizziness or nervous prostration. Why don't you try it?

Mrs. Pinkham invites all sick women to write her for advice. She has guided thousands to health. Address, Lynn, Mass.

The dancing party given by Messrs. A. H. Gilie and A. L. Wallace at the armory Thursday night was a most enjoyable affair, attended by about seventy-five couples. The Peerless orchestra furnished the music, in such an excellent manner that the members are being given the credit of assisting in a very high degree in making the dance successful. Most of the numbers on the program were new, the other being the most popular of old ones.

At 8:30 the grand march was led by Miss Mabel De Long and A. L. Wallace, nearly everyone present taking part. Punch was served during the evening. "The Baltimore," a new dance was introduced. This was the first invitational dance of the season, and Mr. Wallace and M. Gilie expect to give another in about two weeks, and will introduce another new dance.

### Dent-Hofer.

What is described as being one of the prettiest of quiet Portland weddings, occurred when Miss Sabine L. Dent, of that place, became the bride of Mr. Robert McKinnie Hofer of this city. The ceremony took place last Monday evening at 6 o'clock at the home of the bride's parents, 721 Hawthorn avenue. Rev. George B. Van Waters, pastor of St. David's Episcopal church, officiated. Miss Alta Broughton played the wedding music, and just before the ceremony Mr. Claire Montetith sang "Down in the Forest," and "Love, I Have Won You" by Ronald. He was accompanied by Carlisle Denton, at the piano. Mr. Vyvyan Dent, brother of the bride, acted as usher. The rooms were pretty with quan-

ties of brilliantly tinted autumn leaves yellow chrysanthemums and palms. The episcopal ring service was read in a bower of the parlor, which was decorated with palms, ferns and strands of white ribbon suspending a pair of white doves. The bride and groom knelt during the blessing and prayer.

The bride wore a lovely costume of white messaline, cut empire, and trimmed with real lace. She carried a shower bouquet of bride's roses. Her veil was draped through her mother's wedding ring, and her hair was lightly caught with white jasmine flowers.

Her sister Miss Tessa was maid of honor. She wore a modified Directoire gown of cream-colored mull over yellow silk, and carried yellow chrysanthemums. Laurence Hofer, brother of the bridegroom was best man. Miss Broughton caught the bride's bouquet.

Following the ceremony refreshments were served, and at 7:45 Mr. and Mrs. Hofer left for Newport, and other points on the bay. They will return in two weeks, and will be at home to their friends at the home of the groom's parents in South Salem until the completion of their pretty bungalow, on South Commercial street.

# The Public Endorsement of Our Mining Properties If You Have Not Read It Then Do So

The report of the committee appointed by the Salem Board of Trade is printed in your daily papers. It will post you on what the committee found at the mines. Now we have their endorsement we are in position to urge you to SIGN UP AT ONCE FOR ALL THE STOCK YOU CAN HANDLE. DO IT NOW. DON'T WAIT. We will try and call on you, but don't wait; come to our office and we will put you in a position to make some money. By this time with all the proofs we have furnished no one can question our mines being all we have claimed for them. Now, remember we are talking for the Gold Creek Mining & Milling Company's property. Our stock is selling at 10 cents. We have 17 claims in our group. We have a saw-mill, electric light plant, electric drill in our equipment and we have A MINING ENGINEER WITH US WITH A REPUTATION OF DOING THINGS IN CHARGE. We have spent \$20,000 more on our property than all the other mines on the creek combined. We have the ore opened up to show for it. There are five great ledges across our properties. We have 1300 feet of work done showing the ore. The smelter people ask us to supply ONE-HALF THE ORE REQUIRED FOR THEIR SMELTER. As much as all the others are required to furnish. Why? Because it was there. Our engineer told the smelter people that within 90 days from the time the road was completed he would furnish the full 100 tons per day they required, and he knew he could do it. Now don't it look as though our mines were the ones to invest in—we are boasting Marion county's resources, and want you to help us succeed.

**More Than Enough Is Too Much.**  
To maintain health, a mature man or woman needs just enough food to repair the waste and supply energy and body heat. The habitual consumption of more food than is necessary for these purposes is the prime cause of stomach troubles, rheumatism and disorders of the kidneys. If troubled with indigestion, revise your diet, let reason and not appetite control and take a few doses of Chamberlain's Stomach and Liver Tablets and you will soon be all right again. I now take them as a tonic, and they keep me strong and well." 50c at J. C. Perry's drug store.

## Thousands Have Kidney Trouble and Never Suspect It.

Prevalency of Kidney Disease.  
Most people do not realize the alarming increase and remarkable prevalence of kidney disease. While kidney disorders are the most common diseases that prevail, they are almost the last recognized by patient and physicians, who consider them as a last resort.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in fifty-cent and one-dollar sizes.

You may have a sample bottle and a book that tells all about it, both sent free by mail. Address Dr. J. C. Kilmer & Co., Binghamton, N. Y. When writing mention this paper and don't make by mistake, but remember the name, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y.
