

Does not Color the Hair Destroys Dandruff AYER'S HAIR VIGOR

MINNESOTANS ARE PLEASED WITH OREGON
Theodore Gensmer and bride have been spending a few weeks with his parents and family, Hermann Rieck, at the Walden Hills. They are at the Walden Hills, Minnesota, and are very much pleased with Oregon. Gensmer's life when he would be almost anywhere and he would not blame him after having a talk with the young lady.

TEA
There's plenty of humming in tea; not one ounce of a ton Schilling's Best.

Your money returns your money if you don't like it.

Personal Review: A man who allows his personal feelings to figure in his writing is not fit to run a newspaper. He must learn to ignore personalities and treat all alike.

Do not let anyone tell you that anything else is just as good as DeWitt's Kidney and Bladder Pills because there isn't anything just as good. Sold by all druggists.

Brownsville Times: Assault with intent to kill is a penitentiary offense. If one Albany man assaulted another with intent to kill, as stated, he should receive the crime he deserved.

\$100.00 Reward.
I would gladly be paid for a cure by any people who are crippled with rheumatism, yet if they only knew they can be cured by a few bottles of Ballard's Snow Liniment, and the cure is only 25c, 50c and \$1.00 per bottle. Sold by all dealers.

The east has gone plum crazy on baseball.

Would Mortgage the Farm.
A farmer on Rural Route 2, Ennis, W. A. Floyd by name, says: "My wife's Arnica Salve cured the worst sores I ever saw, one on my hand and one on my leg. It is worth more than its weight in gold. I would be without it if I had to mortgage my farm to get it." Only 25c at J. C. Perry's drug store.

Have you yet found yourself in the whirl of the political excitement?

Slightly Colder With Snow.
Do you see that kind of a weather ahead you know that rheumatism is at hand. Get ready for now by getting a bottle of Ballard's Snow Liniment. Finest thing for rheumatism, chilblains, stiff joints, sore and stiff joints and aches, all aches and pains. 25c and \$1.00 a bottle. Sold by all dealers.

Will Taft be elected? Well, he would smile!

A Healthy Family.
Our whole family has enjoyed good health since we began using King's New Life Pills, three years ago. I. A. Bartlett, of Rural Route 1, Guilford, Maine. They have done the system in a general way that does you good. 25c at J. C. Perry's drug store.

After all, those canned speeches are not cutting a very wide swath as the campaign progresses.

More Than Enough Is Too Much.
To maintain health, a mature man or woman needs just enough food to repair the waste and supply energy and body heat. The habitual consumption of more food than is necessary for these purposes is the prime cause of stomach troubles, rheumatism and disorders of the kidneys. If troubled with indigestion, revise your diet, let reason and not appetite control and take a few doses of Chamberlain's Stomach and Liver Tablets and you will soon be all right again. For sale at Dr. Ston's drug store.

Some one ought to licked over in Europe anyway.

Where Bullets Flew.
David Parker, of Fayette, N. Y., a veteran of the civil war, who lost a foot at Gettysburg, says: "The good Electric Bitters have done for me more than \$500 to me. I spent much money doctoring for a bad case of stomach trouble to little purpose. I then tried Electric Bitters, and they cured me. I now take them as a tonic, and they keep me strong and well." 50c at J. C. Perry's drug store.

We are Republicans and Democrats—provided we are not socialist—and wrangle more or less in political campaigns, but we are Americans first, all right.

Had a Close Call.
Mrs. Ada L. Croom, the widely known proprietor of the Croom hotel, Vaughn, Miss., says: "For several months I suffered with a severe cough, and consumption seemed to have its grip on me, when a friend recommended Dr. King's New Discovery. I began taking it, and three bottles affected a complete cure." The fame of this life saving cough and cold remedy, and lung and throat healer is world wide. Sold at J. C. Perry's drug store. 50c and \$1.00. Trial bottle free.

In the long run it doesn't pay to run a blind pig—it is sure to equal after a while.

Kennedy's Laxative Cough Syrup drives the cold out of the system through its laxative principle by assuring a free and gentle action of the bowels. Sold by all druggists.

The brethren are quite as certain that Bryan will be overwhelmingly elected as they were in 1896—and some Republicans are quite as badly scared now as they were then.

DeWitt's Carbolyzed Witch Hazel Salve is the best salve for piles. Be sure you get DeWitt's. Sold by all druggists.

INDEPENDENT PARTY NOMINEES IN PORTLAND

Portland, Or., Oct. 12.—Final arrangements for the reception of Thomas L. Hilsen, Independence party nominee for the presidency at the armory, where he will speak tonight, were completed early today.

Hilsen accompanied by William Randolph Hearst and other leaders of the party, arrived in Portland this morning. The meeting will also be addressed by Hearst and Clement L. Pollock of Massachusetts.

DRAMATIC SENSATION AT PORTLAND

Baker Stock Company Enjoying a Startling Run To See a Great Play.

Everybody who attends theaters in Portland is just now talking about the Baker Stock Company and Bungalow Theater in that city. For the past two weeks that popular playhouse has been the scene of what is something of a sensation. This is the production of the famous Belasco play, "The Girl of the Golden West," and so great is the interest excited among playgoers there that there has not been a single vacant seat during the entire run so far. The present week, however, Manager Geo. L. Baker, who was so fortunate as to make this great find, announces that he will positively the last week closing Saturday night October 17. Hundreds from the surrounding cities have sent in orders and witnessed the play, and, in fact, it has now become a fad to go to Portland whenever there is anything unusual going on. "The Girl of the Golden West" is a magnificent Western play with scenes laid in California and it is as far above the ordinary play of like character as the sun is above the moon. It takes a good deal to excite Portland amusement seekers, but "The Girl" must have accomplished it most thoroughly as nothing before has ever run longer than a single ten days at the most. The Baker Stock Company is one of the features of Portland, however, and no one considers a visit to the metropolis complete without seeing this great stock organization. Manager Baker has stated that unusual care will be given to all orders sent from out of town.

THE "ISLE OF SPICE" TONIGHT

One of the attractive features of the "Isle of Spice," which comes to the Grand theater tonight, is the song "The Goo Goo Man," sung by the principal comedian and twelve young and pretty little girls sturdily costumed. This number is said to be one of the most sensational hits ever heard in musical comedy, and it is claimed that the audiences in other cities have invariably demanded from a dozen to fifteen encores, which is surely a record. Everyone will probably be whistling "The Goo Goo Man" after it is heard here.

FROLIC IN "A KNIGHT FOR A DAY"

The newest musical mirthful mélange, "A Knight for a Day" after a whole year's success in Chicago is now to be taken "on the road" to receive the verdict of several other cities where its reputation has preceded it. The production entire and complete will be seen here Thursday at the Grand.

The whole entertainment is sparklingly new and entirely original and besides its extended run in Chicago has never been seen except in New York city, where it is now on at Wallack's theater in its third month by a specially organized company. The Chicago organization to be seen here comprises 70 people, all well and favorably known in comic opera, and includes many famous clever performers. There is "lots" of course, which occasionally stray from light over-shadowed by the American Beauty Chorus, said to be the most gorgeous selection of female loveliness ever gathered in one company. The two acts are replete with pretty scenes, happy girls, hilarious comedians and one notable effect discloses an electric saw-saw using hundreds of colored lights that dazzle and bewilder. The book is by Robert R. Smith, while Raymond Hubbell's music is entrancing. Over 20 copyrighted song hits will be heard here for the first time; the most popular are, "Life is a See-Saw," "Little Girl in Blue," "I'm Afraid to Go Home in the Dark," "Whistle as You Walk" and many others. A group of girls, known as the "original eight Berlin dancing madcaps" execute several acrobatic dances that will delight please the audience. The production is a costly innocent diversion and comes recommended from both Chicago and New York city, where it has met with long hearty and generous receptions for many weeks.

NEWSPAPER HEADS FROM DYNAMITE SUSPECT
(United Press Leased Wire)
San Francisco, Cal., Oct. 12.—The Examiner today prints a letter purported to come from Felix Patavaria, a Greek, charged in an indictment with dynamiting the home of James L. Gallagher, the chief witness in the "graft" prosecution. The letter is dated "Paris, France, Sept. 25 and is the first indication of the whereabouts of the suspected Greek.
