

He Knows

Talk with your doctor about Ayer's non-alcoholic Sarsaparilla. Ask him if he prescribes it for pale, delicate children. Ask him if he recommends it when the blood is thin and impure, and when the nerves are weak and unsteady. Ask him if it aids nature in building up the general health.

This ailment is usually caused by inflammation of the muscles of the back, and is quickly relieved by applying Chamberlain's Liniment two or three times a day and rubbing the parts at each application. For sale at Dr. Stone's drug store.

PLAY LAST NIGHT

WAS "SPICY" ENOUGH

"The Isle of Spice" last night at the Grand was indeed true to its calling, as the spicy music and peppery jokes held the interest of the audience during the entire performance.

The first act setting was that of an Oriental lodge with all the usual decorations common to the Far East people. The finale of this act was the "Star of Fate," being an enormous star fringed with electric lights and at the close of the music the center of the star opened up disclosing a beautiful chorus girl kneeling in a haze of blue light. The second and final act brought forth the comic sailors Micky O'Grady and Slubsky Mackinaw. These two characters provided sport galore with their ludicrous cavortings and brand-new sayings.

HAZE TAFT'S DAUGHTER

AT BRYN MAWR
(United Press Leased Wire.)

Bryn Mawr, Pa., Oct. 13.—Among the girls of the freshman class at Bryn Mawr who are recovering today from the effects of "rushing" by the sophomores is Miss Helen Taft, daughter of the Republican presidential candidate. Although a mysterious rumor was promulgated that Miss Taft was not to be subjected to any "rough" treatment, she was compelled to do "stunts" that signified her admission into the baby class of the college.

The girls who subjected Miss Taft and her "freshie" comrades to such indignities as being fed by a spoon, compelled to wear variegated hosiery, and to plunge into waterless bath tub, are careful to explain that Miss Taft was not hazed but just "rushed."

"I did not realize the ceremonies," laughingly admitted the candidate's daughter.

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine causes out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free. F. J. CHENEY & CO., Toledo, O.
