You will then be exempt from the annoyance of having it burn holes in your pockets, and aside from the fact that your money will be safe from theft, the habit of saving tends to the establishment of thrift, economy, discipline, and a general understanding of business principles essential to your success.

**Why Colds Are Dangerous.**  
Because you have contracted ordinary colds and recovered from them without treatment of any kind, do not for a moment imagine that colds are not dangerous. Everyone knows that pneumonia and chronic catarrh have their origin in a common cold. Consumption is not caused by a cold, but the cold prepares the system for the reception and development of the germs that would not otherwise have found lodgment. It is the same with all infectious diseases. Diphtheria, scarlet fever, measles and whooping cough are much more likely to be contracted when the child has a cold. You will see from this that more real danger lurks in a cold than in any other of the common ailments. The easiest and quickest way to cure a cold is to take Chamberlain's Cough Remedy. The many remarkable cures effected by this preparation have made it a staple article of trade over a large part of the world. For sale at Dr. Stone's drug store.

Some men never have time to think of honesty until they are in jail.

I would not be without it if I had to mortgage the farm to get it." Only 25c at J. C. Perry's drug store.

**FEBLE OLD LADY Has Strength Restored By Vinol**

Mrs. Michael Bloom of Lewistown, Pa., who is 80 years of age, says: "For a long time I have been so feeble that I have had to be wheeled around in an invalid's chair. I had no strength and took cold at the slightest provocation, which invariably settled on my lungs, and a cough would result. My son learned of the cod liver preparation called Vinol, and procured a bottle for me. It built up my strength rapidly, and after taking three bottles I am able to do most of my work, and I can walk a quarter of a mile easily. Every aged or weak person who requires strength should try Vinol. I am delighted with what it has done for me."  
As a body builder and strength creator for old people, delicate children, weak run-down persons, and after sickness, Vinol is unequalled. If it fails to give satisfaction we will return your money.
