

# Doctors

You could not please us better than to ask your doctor about Ayer's Cherry Pectoral for coughs, colds, croup, bronchitis. Thousands of families always keep it in the house. The approval of their physician and the experience of many years have given them great confidence in this cough medicine.

## WARRIEN WANTED TO TALK

A peculiar incident happened at a business session of the state W. C. U. on last Thursday, in Portland. A man entered the place of meeting and said he would like to see the chairman. He went to the platform and stated that he used to know Frances E. Willard well and would like to make a speech to the convention. When asked who he was, he said his name was O'Brien, and he was from New York. He was asked if he wasn't the man who ran for governor in Albany for awhile, but he said it. He was advised to return to New York. Then he took a seat. Looking around he observed a couple of prominent Albany women near him, whom he saw recognized him, and getting up left the hall.

## ORD BACON SAID,

### "DIGEST"

This is the Secret of Life in Business or in Health.

It is claimed that Lord Bacon struck the prime keynote of life when he wrote: "Some books are to be read, others to be swallowed and some few to be chewed and digested." He wrote of books; many who have followed him have written likewise of life. The man who digests his business, makes success; the actor who digests his part, makes a success; the man who digests his food, makes a success. It is not the food you swallow or digest that brings happiness to you; it is the food you digest.

If you swallow and taste and don't digest and chew, nature cannot give you health, for you do not furnish the ammunition.

Stuart's Dyspepsia Tablets contain a pure, concentrated form of the essence which, when they reach the stomach, turn dyspeptic conditions into those of healthy digestion.

These little tablets are dissolved in the mouth by saliva; they mix with the fluid and are passed down into the stomach, where they immediately set to work upon the food and digest it. They are many times more powerful than the human digestive fluids, and thus replenish nature with those juices which sickness, abuse or wrongful eating have exhausted.

The world's best chemists in Europe and America agree on the ingredients best adapted to perfect digestion. Stuart's Dyspepsia Tablets are these ingredients presented to the stomach in the most pleasant and lasting form.

Powders and liquids soon lose their effectiveness through chemical actions and decay. Stuart's Dyspepsia Tablets are made under terrific pressure, and their qualities are thus made lasting.

Forty thousand physicians prescribe and use these tablets, and every druggist sells them. Price 50 cents. Send us your name and address and we will send you a trial package by mail free. Address F. A. Stuart Co., 150 Stewart Building, Marshall, Mich.

## ALBANY NOTES

Miss Lena Parrish of Portland, who secured second place in the state beauty contest a year ago, left for her home this morning after several days spent hunting Linn pheasants. She is said to be the best lady shot in Oregon, and seldom misses the game.

Born, on Tuesday morning, October 13, 1908, to Mr. and Mrs. Owen Beam, a girl. All doing well.

Mr. J. W. Bailey state dairy and food commissioner, and Mr. F. H. Scribner, of Wisconsin, breeder of the celebrated cow which won first prize at the St. Louis Exposition, will speak at the Commercial club, Wednesday evening, on the "Dairy-ling Possibilities of Linn Co."

Under the contract with the Warren Construction company work will have to begin on Albany's pavement by the 30th of October, and the pavement of the seven blocks completed by the first of July 1909, with a forfeiture of \$10 a day after that, under \$4000 bonds, which have been filed.

This has been the biggest cement walk year in the history of Albany.

The work of rebuilding the Albany Iron works has been completed and the machinery is being put in ready for running. Splendidly arranged, it is a model iron works.

Mr. O. O. McClelland was registered at the Revere today.

### Charm the Fat Away.

To reduce by means of exercise or dieting is nothing but torture to the flesh and mortification to the spirit. It is so much simpler to "charm" it away. Of course, I don't mean by "spells" or "incantations" but through the occasional use of this home receipt, viz: 1/2 ounce Marina, 1/2 ounce Fluid Extract Cas-cara Aromatic and 3 1/2 ounces Syrup Simplex, which any one can obtain at any drug store for a small sum and mix at home. Take a teaspoonful after meals and at bedtime. It literally charms the fat away. Takes it off just where you need it off and does it quickly but harmlessly. Many persons lose as much as a pound a day.

Isn't that "charming" off the fat what you please and still lose a pound a day—without strain, injury or effort?

Let the people generally have something to say about making the next city charter. The committee should be composed of more than one or even two men.

### For Chronic Diarrhoea.

"While in the army in 1863 I was taken with chronic diarrhoea," says George M. Felton of South Gibson, Pa. "I have since tried many remedies but without any permanent relief, until Mr. A. W. Miles, of this place, persuaded me to try Chamberlain's Colic, Cholera and Diarrhoea Remedy, one bottle of which stopped it at once." For sale at Dr. Stone's drug store.

## ORDER FOR 20,000 PEACH TREES

A large corporation that is putting out 400 acres of peaches on Mission Bottom near Salem has just placed an order for about 20,000 peach trees with the Quaker Nurseries conducted by C. F. Lansing. The order was placed through Hon. Alex. La Follette who is regarded as something of an expert on peaches, being one of the largest and most successful peach growers in Marion county. He looked over the nurseries of western Oregon, examined their stock as to quality and varieties, and after looking around for about ten days, came back and gave Mr. Lansing the preference. He feels as if this was a pretty good endorsement of the Quaker Nurseries. The peach corporation will plant 200 acres this fall and winter, and next year put in as much more. Mr. Lansing has been connected with the nursery business for over thirty years and built up a trade that extends over several states and even to foreign countries.

## RELIEVES ALL DYSPEPSIA IN FIVE MINUTES

As there is often some one in your family who suffers an attack of indigestion or some form of stomach trouble, why don't you keep a case of Diapepsin in the house handy?

This harmless blessing will digest anything you can eat without the slightest discomfort, and regulate a sour stomach five minutes after.

Tell your pharmacist to let you read the formula plainly printed on these 50-cent cases of Pape's Diapepsin, then you will readily see why they cure Indigestion, Sour Stomach, Heartburn and prevent at once such miseries as Belching of Gas, Erection of sour undigested food, Nausea, Headaches, Dizziness, Constipation and other Stomach disorders.

Some folks have tried so long to find relief from indigestion with the common every-day cures advertised that they have about made up their minds that they have something else wrong, or believe theirs is a case of Nervousness, Gastritis, Catarrh of the Stomach or Cancer.

This is a serious mistake. Your real trouble is, what you eat does not digest; instead, it ferments and sours, turns to acid, Gas and Stomach poison, which will putrefy in the entire digestive tract and intestines, and, besides, poison the breath with nauseous odors.

A hearty appetite, with thorough digestion, and without the slightest discomfort or misery of the Stomach, is waiting for you as soon as you decide to try Pape's Diapepsin.

One candy-like Triangle, taken after eating, will promptly digest all your food, the same as a strong, healthy stomach would do it.

A good many people speak out when there is no one around to hear them.

**Cold Weather Advice.** To all is to beware of coughs and colds on the chest; as neglected they readily lead to pneumonia, consumption or other pulmonary troubles. Just as soon as the cough appears, treat it with Ballard's Horehound Syrup the standard cure of America. Use as directed—perfectly harmless. A cure and preventive for all diseases of the lungs. Price 25c, 50c and \$1.00 per bottle. Sold by all dealers.

A pencil is often hard pushed to tell the truth.

**Never Worry** about a cough—there's no need of worry if you will treat it at its first appearance with Ballard's Horehound Syrup. It will stop the cough at once and put your lungs and throat back into perfectly healthy condition. Sold by all dealers.

**Notice to Taxpayers.** The board of equalization for Marion county, Oregon, will meet at the court house in said county, on Monday, October 19, 1908, at 10 o'clock a. m. and correct all errors in valuation, description or quantities of land, lots or other property, and will continue in session until such work is completed, not exceeding one month.

All parties interested are notified to appear and examine their assessment for the year 1908 and if not satisfied therewith, to file application in writing, properly verified, for a reduction or alteration of the same during the first week of such meeting, as no complaints can be received thereafter.

F. J. RICE, Assessor of Marion County, September 28, 1908.
