## IT'S YOUR KIDNEYS

Don't Mistake the Cause of Your Troubles—A Salem Citizen Shows How to Cure Them.  
 Many people never suspect their kidneys. If suffering from a lame back or aching back they think that is only a muscular weakness; when their trouble sets in they think it will soon correct itself. And so it will, with all the other symptoms of kidney disorders. That is just where the danger lies. You must cure these troubles or they will lead to diabetes or Bright's disease. The best remedy to use is Doan's Kidney Pills. It cures all ills which are caused by weak or diseased kidneys. Salem people testify to permanent cures.  
 W. C. Johnson, gardener, of 1021 1/2 street, Salem, Or., says: "I had the grip a year ago this September and I believe it left me with kidney trouble. At any rate I suffered with pain in the small of my back and chills at night. In the morning when I arose, I felt lame and sore and tired very easily and often felt dizzy. Occasionally, there were attacks of headaches and dizzy spells and often there were specks before my eyes. The kidney secretions were irregular and unnatural in appearance. The relief I obtained from Doan's Kidney Pills was very great. I felt better after taking the first box and I now feel in better health than for a long time. Every kidney sufferer should use Doan's Kidney Pills."  
 For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.  
 Remember the name—Doan's—and take no other.

## Why Colds Are Dangerous.

Because you have contracted ordinary colds and recovered from them without treatment of any kind, do not for a moment imagine that colds are not dangerous. Everyone knows that pneumonia and chronic catarrh have their origin in a common cold. Consumption is not caused by a cold, but the cold prepares the system for the reception and development of the germs that would not otherwise have found lodgment. It is the same with all infectious diseases. Diphtheria, scarlet fever, measles and whooping cough are much more likely to be contracted when the child has a cold. You will see from this that more real danger lurks in a cold than in any other of the common ailments. The easiest and quickest way to cure a cold is to take Chamberlain's Cough Remedy. The many remarkable cures effected by this preparation have made it a staple article of trade over a large part of the world. For sale at Dr. Stone's drug store.

It has yet got to be shown that Governor Chamberlain is not a better supporter of Roosevelt policies than any other man who was mentioned for the United States senatorship in Oregon.

**For Chronic Diarrhoea.**  
 "While in the army in 1863 I was taken with chronic diarrhoea," says George M. Felton of South Gibson, Pa. "I have since tried many remedies but without any permanent relief, until Mr. A. W. Miles, of this place, persuaded me to try Chamberlain's Colic, Cholera and Diarrhoea Remedy, one bottle of which stopped it at once." For sale at Dr. Stone's drug store.

John F. Surrill, a farmer living near Sweet Home, Linn county, yesterday shot and killed himself.

Just as soon as the cough appears treat it with Ballard's Horehound Syrup the standard cure of America. Use as directed—perfectly harmless. A cure and preventive for all diseases of the lungs.  
 Price 25c, 50c and \$1.00 per bottle. Sold by all dealers.

**A Healthy Family.**

The Albany Congregational church is being used to relieve the crowded condition of the schools.

**Had a Close Call.**  
 Mrs. Ada L. Croom, the widely known proprietor of the Croom hotel, Vaughn, Miss., says: "For several months I suffered with a severe cough, and consumption seemed to have its grip on me, when a friend recommended Dr. King's New Discovery. I began taking it, and three bottles affected a complete cure." The fame of this life saving cough and cold remedy, and lung and throat healer is world wide. Sold at J. C. Perry's drug store. 50c and \$1.00. Trial bottle free.

Five thousand people viewed the Hood River fruit fair at Hood River yesterday.

**Slightly Colder With Snow.**

## SALEM REAL ESTATE

**MAN TELLS A STORY**  
 The Brownsville Times says: J. W. Willson, the bustling Salem real estate man returned home after spending several days hunting on the Powell farm north town. Jim tells a good story on a certain young Salem man named S. L. Morgan, who accompanied him on his hunt for a couple of days. It seems that the young fellow had never hunted pheasants before and when he had "hit his first bird, which was only 'winged,'" he shouted to Willson: "How shall I kill him, stab him under the wing?" Of course 'tys tickled Jim all over and he had to tell it, notwithstanding the fact that the young man offered him all kinds of bribes if he would keep mum.

**Where Bullets Flew.**  
 David Parker, of Fayette, N. Y., a veteran of the civil war, who lost a foot at Gettysburg, says: "The good Electric Bitters have done, is worth more than \$500 to me. I spent much money doctoring for a bad case of stomach trouble, to little purpose. I then tried Electric Bitters, and they cured me. I now take them as a tonic, and they keep me strong and well." 50c at J. C. Perry's drug store.
