TIMMONS CASE RESTING.

No definite action has yet been taken in the Timmons murder case toward locating the mysterious "Bob," notwithstanding that a subpoena was supposed to have been issued for a one Robert Hornbuckle. In case a subpoena is served upon Hornbuckle, nothing can be gained in locating the real "Bob," as a subpoena issued and served in a case of this nature, does not force one to testify or in any way produce any information unless he desires to do so. Timmons is improving rapidly now and should be in fair condition to be removed to the county jail within another week.

Mr. and Mrs. A. L. Brown are home from a two-weeks' visit at Newport.

TAFT CLOSES

INDIANA CAMPAIGN
Richmond, Ind., Oct. 24.—Facing rousing crowds in all the cities where the Republican special stopped William H. Taft, closes his Indiana campaign today.

The Republican candidate began his day of speech-making at Greentfield at 7 o'clock where he illustrated to a large crowd of farmers and laborers the prosperity experienced by the farmers during Republican administration and their financial condition under Democratic rule. Taft was greeted uproariously when he arrived and cheered when the special pulled out.

F. W. Gilbert, of Aumsville, was looking after business matters here yesterday.
