

Hard Coughs

We publish the complete formulae of all our medicines. We are proud of them. We have nothing to conceal; no secrets to hide.

Hearst is to be the next Senator from Nevada.

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed, you have a running or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube re-opened, no hearing can be restored. It is a simple matter, and can be done by the use of our medicine. It is a simple matter, and can be done by the use of our medicine. Had a Close Call

Mrs. Ada L. Croome, the widely known proprietor of the Croome hotel, Vancouver, B. C., says: "For several months I suffered with a severe cough, and consumption seemed to have its grip on me. When a friend recommended Dr. King's New Discovery, I began taking it, and in a few days I was able to breathe freely. The cough was completely cured. The fame of this life saving cough and cold remedy, and lung and throat healer is world wide. Sold at J. C. Perry's drug store. 50c and \$1.00. Total bottle free." Total bottle free.

More Than Enough Is Too Much

To maintain health, a mature man or woman needs just enough food to repair the waste and supply energy and body heat. The habitual consumption of more food than is necessary for these purposes is the prime cause of stomach troubles, rheumatism and disorders of the kidneys. If troubled with indigestion, revise your diet, eat only what is necessary for control and take a few doses of Chamberlain's Stomach and Liver Tablets and you will soon be all right again. For sale at Dr. Stone's drug store.

If your doctor fully endorses your taking Ayer's Cherry Pectoral for your hard cough, then buy it and use it. If he does not, then do not take a single dose of it. He shows all about this splendid medicine for coughs and colds.

G. G. Hunter, manager of the correspondence school at Salem, has been bought over for \$500.

Gold Weather Advice

To all is to beware of coughs and colds on the chest; as neglected they readily lead to pneumonia, consumption or other pulmonary troubles. Just as soon as the cough appears, take a few doses of Ballard's Horehound, the standard cure of America. Use as directed—perfectly harmless. A cure and preventive for all diseases of the lungs.

Price 25c, 50c and \$1.00 per bottle. Sold by all dealers.

For Chronic Diarrhoea

While in the army in 1863 I was taken with chronic diarrhoea, says George M. Felton of South Gibson, Pa. "I have since tried many remedies but without any permanent relief until Mr. A. W. Miles, of this place, persuaded me to try Chamberlain's Colic, Cholera and Diarrhoea Remedy, one bottle of which stopped it at once." For sale at Dr. Stone's drug store.

Slightly Colder With Snow

When you see that kind of a weather forecast you know that rheumatism, weather is at hand. Get ready for it now by getting a bottle of Ballard's Snow Liniment. Finest thing made for rheumatism, chilblains, frost bite, sore and stiff joints and muscles, all aches and pains. 25c, 50c and \$1.00 a bottle. Sold by all dealers.

Where Bullets Flew

David Parker, of Fayette, N. Y., a veteran of the civil war, who lost a foot at Gettysburg, says: "The good Electric Bitters have done me more than \$500 to me. I spent much money doctoring for a bad case of stomach trouble, to little purpose. I then tried Electric Bitters, and they cured me. I now take them as a tonic, and they keep me strong and well." Sold at J. C. Perry's drug store.

Why Colds Are Dangerous. Because you have contracted ordinary colds and recovered from them without treatment of any kind, do not for a moment imagine that colds are not dangerous. Everyone knows that pneumonia and chronic catarrh have their origin in a common cold. Consumption is not caused by a cold, but the cold prepares the system for the reception and development of the germ that would not otherwise have found lodgment. It is the same with all infectious diseases. Diphtheria, scarlet fever, measles and whooping cough are much more likely to be contracted when the child has a cold. You will see from this that more real danger lurks in a cold than in any other of the common ailments. The easiest and quickest way to cure a cold is to take Chamberlain's Cough Remedy. The many remarkable cures effected by this preparation have made it a staple article of trade over a large part of the world. For sale at Dr. Stone's drug store.

The deserted village store that does not advertise is not a good place to trade.

Would Mortgage the Farm.

A farmer on Rural Route 2, Empire Co., W. A. Floyd by name, says: "Buckley's Arnica Salve cured the two worst sores I ever saw, one on my hand and one on my leg. It is worth more than its weight in gold. I would not be without it if I had to mortgage the farm to get it." Only 25c at J. C. Perry's drug store.

TOO MUCH GOVERNMENT INSPECTION

"The time has come to stop the unjust attacks on honest business," declares Senator Beveridge. "There is enough law now to end the evils of big business and some of the laws already in existence result in business oppression. These hampering conditions can be corrected by amending the interstate commerce law, the Sherman law and the present tariff."

To pass laws giving the government further governmental powers would not only discourage business activity, but would dangerously increase the possibilities of the abuse of power by the federal government, in the opinion of Senator Beveridge. This, he holds, would be particularly true of the so-called franchise plan, by which corporations would be forbidden to control more than 25 per cent of the business in any one industry except under special license from the executive department of the government, or more than 50 per cent in any case.

"Suppose a concern deals exclusively in eggs—as several concerns now do," says Senator Beveridge. "How could the government tell whether that concern was buying and selling more than 25 per cent of all the eggs laid by all the hens in the country? Fifty thousand government egg agents, constantly at work questioning all the farmers' wives as to how many eggs their hens laid every day could not tell the President whether an egg franchise should be granted. Under such a plan even the hens would quit in disgust."
