Qualified to Do It.

Did you know," said the tooth puller, looking up from his paper, at the Ind'an practiced dentistry the earliest times?"

"I didn't know it," replied the man who had once sat in a dentist's chair, "but I am not at all surprised. The Indians have always been a brutal and cruel race."

Then he laughed gleefully, forgetful of the fact that there was still due for the dentist to add $15 or $20 to his bill.—Chicago Post.

EASILY DECIDED.

This Question Should Be Answered Easily by Salem People.

Which is wiser—to have confidence in the opinions of your fellow-citizens, of people you know, or depend on statements made by utter strangers residing in far-away places? Read the following:

W. J. Carlton, of 1446 Third St., Salem, Or., says: "Doan's Kidney Pills, which I procured at Dr. Stone's drug store, not only strengthened my kidneys but they speedily removed the backache and lameness. A remedy that acts with such prompt and beneficial results as Doan's Kidney Pills is worthy of all confidence. I conscientiously recommend them to others for I know I never had any medicine of the kind equal to them for curing backache and kidney trouble."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Three men plead guilty to violating the prohibition law at St. Helens and were fined $200 each and sentenced to 30 days in jail, the last setence being suspended pending good behavior.

The Black Hand.

There is a historical foundation for the name Black Hand. Back in inquisition days in Spain there was the Mano Nera, a secret society which fought the government and the church. It passed, and the secret societies of southern Italy were its heirs. Twenty years or more ago a false report was raised in Spain that the mano Nera had been revived. The story lingered in the brain of a Herald reporter, and one fine day he attempted to rejuvenate waning interest in a puzzling Italian murder case by speculating as to the coming to life of the Black Hand among Latin immigrants in America. The other newspapers seized on the idea eagerly and kept it going.—Everybody's Magazine.

AFTER THE GRIPPE

Vinol Restored This Man's Strength

Several years ago I was attacked by a severe case of grippe, which left me with a hacking cough, soreness in my chest, and bronchitis. I took nearly every kind of cough syrup sold on the market, besides medicine given me by physicians.

I received no permanent relief until my druggist asked me to try Vinol, and after taking three bottles I was entirely cured.

I believe Vinol to be the greatest blessing ever offered to the public, as it does what is claimed for it." R. E. R. Mika, Maplesville, Ala.

The reason Vinol cures chronic coughs, colds and pulmonary troubles is because it contains tonic iron and all the healing and body building elements of cod liver oil but no oil.

Vinol is also unexcelled as a strength builder for old people, delicate children, weak and run-down persons, and after sickness.

CASTORIA

ACID AND ALKALI IN THE STOMACH

Digests the Food Naturally If In Right Proportion; If Not: Then Dyspepsia.

Acid and alkali make up the liquid known as gastric juice, which digests your food.

If through abuse of the stomach, or weakness of blood or through scores of other causes this gastric juice is not made up correctly of acid and alkali, your stomach cannot digest food.

Such a stomach then acts as a pit where the food lies, ferments, decays, is thrown off at last, either into the intestines or is vomited from the system.

If thrown into the intestines a large proportion of it is taken up and passed into the blood, for the intestines are covered on the inside surfaces with millions of little mouths whic are placed there to suck nourishment for the blood.

You may readily see that if instead of good rich nourishment, there is vile poisonous fermented bile and acid, these same little mouths suck some of it by necessity and pass it into the blood. The blood in turn throws it off and the system is immediately placed in an imperfect state.

The blood is weakened, the tissues lose strength, the skin becomes diseased and man in general suffers in a score of places.

Then again the blood furnishes gastric juice to the stomach, for when the gastric juice is not needed for digestive purposes it goes back to the blood. When food comes into the stomach the nerves along the Alimentary Canal and in the mouth signal the brain for help and the blood immediately furnishes sufficient gastric juice to do the work well and quickly.

Stuart's Dypespia Tablets go into the stomach, balance the gastric juice, digest the food, are taken up by the blood, purifies it, and when the food comes again to the stomach a natural gastric juice of right proportion greets it and does its work perfectly. After a time these little tablets restore Nature, build up the gastric juice and there is no longer dyspepsia.

Every druggist carries them in stock, price 50c; every druggist and 40,000 physicians will attest their word to the merit of these tablets. Buy a box now and relieve your stomach at once, or send us your name and address today and we will send you immediately by mail a sample package free. Address F. A. The Public Endorsement of Our Mining Properties

If You Have Not Read It Then Do So

The report of the committee appointed by the Salem Board of Trade is printed in your daily papers. It will post you on what the committee found at the mines. Now we have their endorsement we are in position to urge you to **SIGN UP AT ONCE FOR ALL THE STOCK YOU CAN HANDLE. DO IT NOW. DON'T WAIT.** We will try and call on you, but don't wait; come to our office and we will put you in a position to make some money. By this time with all the proofs we have furnished no one can question our mines being all we have claimed for them. Now, remember we are talking for the Gold Creek Mining & Milling Company's property. Our stock is selling at 10 cents. We have 17 claims in our group. We have a sawmill, electric light plant, electric drill in our equipment and we have **A MINING ENGINEER WITH US WITH A REPUTATION OF DOING THINGS** in charge. We have spent $20,000 more on our property than all the other mines on the creek combined. We have the ore opened up to show for it. There are five great ledges across our properties. We have 1300 feet of work done showing the ore. The smelter people ask us to supply **ONE-HALF THE ORE REQUIRED FOR THEIR SMELTER.** As much as all the others are required to furnish. Why? Because it was there. Our engineer told the smelter people that within 90 days from the time the road was completed he would furnish the full 100 tons per day they required, and he knew he could do it. Now don't it look as though our mines were the ones to invest in—we are boosting Marion county's resources, and want you to help us succeed.
