**The Secret of a Beautiful Face**  
lies in keeping the skin protected as well as cleaned. Just washing is not enough--that only leaves the delicate surface more exposed to the irritation of dust and germs; to merciless attacks of sun and weather. After washing, apply Robertine and experience its delightful refreshment. You will admire the line-less softness it imparts to face, neck and arms. It not only stimulates a radiant glow, but protects the skin from becoming coarse. Prevents burning, tan and freckles.

Ask your Druggist for a few samples and--TRY--
