The "Favorite Prescrip-tion" has proven a great boon to expectant mothers by preparing the system for the coming of baby, thereby rendering child birth safe, easy, and almost painless. Favorite Prescription is not a secret or patent medicine, against which the most intelligent people are quite naturally averse, because of the uncertainty as te their composition and harmless character, but is a MEDICINE OF ENOWN COMPOSI-TION, a full list of all us ingredients being printed, lu piain English, on every bottle

printed, in plain English, on every bottle-wrapper. An Camination of this list of ingredients will disclose the fact that it is non-alcoholic in its composition, chemiqually pure, triple-refined glycerine taking the place of the commonly used alcohol, in its make-up. In this connection it may not be out of place to state that the "Favorite Prescription" of Dr. Pierce is the only medicine put up for the cure of woman's peculiar wenknesses and all means, and sold through druggists, all the ingredients of which have the unanimous endorsement of all the leading medical writers and teachers of all the several schools of practice, and that too as remedies for the aliments for which "Pavorite Prescription" is recommended. A little book of these endorsements will be sent to any address, post-onid, and absolutely free if you request same by postal card, or letter, of Dr. R. V. Pierce, Buffelo, N. Y.

Suitable pest houses were also included in the report and places to care for cases which come under the city's jurisdiction.
