CAMPAIGN AGAINST DRUNKS INAUGTRATED IN THIS CITY

The Streets of the Capital City to be Rid of the Boozers Who Come Here From All Parts of the Valley

The city of Salem as the only wet city in the Willamette valley has become the mecca of the boozer, and the number of drunks on our streets of late has been increasing. They come from the dry and famished towns up and down the river where saloons have been abolished, and get a bottle or fill up at the bars, and then want to see the sights of the city. The common plain drunk should be run out and the streets cleared of all such day or night.

The matter is engaging the attention of the police department and the mayor, and may result in a sweeping order to clear the city and the streets of drunks. One thing is certain, if Salem has to stand for all the drunks in the valley it will soon make public sentiment enough to put this city in the dry list.

The boozer element seem to think they have license to come to the Capital City and parade the streets in an intoxicated condition. No such warrants exists, but indications are there will be a lot of warrants issued to clear the streets of all such. The saloon men do not allow them to hang around their places and there is no place for them but the city jail or to be ordered out of town.

ASTOR SCION JAILED FOR JUMPING BILLS

Chicago, Nov. 5.—Because he refused to touch the common prison fare, Clarence Granger Astor, a scion of the "million dollar Astor family" awoke today in a cell at the Harrison street police station, hungry and angry. With him was Abdom Grunder, son of the Reverend N. O. Grunder, of Fargo, N. D. Both were jailed last night because they refused to pay automobile and board bills.

Young Astor is the son of Arthur Astor and a relative of Mrs. William Astor. After his arrest he cabled frantically to Mrs. Arthur Astor at the Grand hotel, London, and failing to receive a quick reply wired his father at the Waldorf Astoria at New York.

Receiving no reply, Astor cabled for aid to Miss Marjorie Watterlow, the daughter of a millionaire printer, at 2 Presticott Court, London. It is hinted that a romance lies behind the appeal to Miss Watterlow.

Although Astor is said to have uttered a fictitious check no charge of forgery was placed against him and both men will be released when the bills are paid.

TAFT'S PLURALITY IN WASHINGTON 50,000

Seattle, Wash., Nov. 5.—The latest returns show that th eestimate of state is entirely too low. The figures now indicate that his plurality is probably approximately 50,000. Only one county in the state, Whitman, failed to give Cosgrove, Republican nominee for governor, a maority. Whitman is the home of ohn Pattison, Democratic candidate.

Taft's lead outside of King, Pierce and Spokane gave together a majority for the Republican candidate of 20,000.

The Hisgen vote in the state was practically nothing, but Chafin, the Prohibition, polled a respectable vote. As indicated the Socialist vote approximates 12,000. Only one candidate running on a non-partisan platform in the entire state got in.

Bad breath has probably broken off more matches than bad temper, and that's a good many. The best ure for bad breath is the tonic-laxative,Lane's Family Medicine.

INDIANS COMMIT BOLD HOLD-UP IN PENDLETON

Pendleton, Or., Nov. 5.—Two Indians, Joe Parr and Dan Gaston, are today awaiting trial on a charge of committing what the citizens of this city term the boldest hold-up ever perpetrated.

Pete Telleck says he was their victim. He charges that they held him up at the point of a revolver in the back room of a "soit drink" resort on Main street, and compelled him to turn over his valuables. The police were notified, and Parr and Gaston were arrested.

Would you give 25 cents to stop our cough? Then get a bottle of Kemp's Balsam and you will have enough for the whole family. It costs 25 cents.

Danderine

Grows Hair and we can PROVE IT!

DANDERINE is to the hair what fresh showers of rain and sunshine are to vegetation. It goes right to the roots, invigorates and strengthens them. Its exhilarating, stimulating and life-producing properties cause the hair to grow abundantly long, strong and beautiful. It at once imparts a sparkling brilliancy and velvety softness to the hair, and a few weeks' use will cause new hair to sprout all over the scalp. Use it every day for a short time, after which two or three times a week will be sufficient to complete whatever growth you desire.

A lady from St. Paul writes in substance, as follows:
"When I began using Danderine my hair would not come to my shoulders and now it is away below my hips."

Another from Newark, N. J.
"I have been using Danderine regularly. When I first started to use it I had very little hair, now I have the most beautiful long and thick hair anyone would want to have."
