

MUSIC, DANCING AND LAUGHTER AT THE OPERA HOUSE TONIGHT

"Hip! Hip! Hooray!" is the starring piece in which Rice and Cady, the greatest comedians ever produced by the Pacific coast will be here at the Grand opera house

Hooray!" with its knockabout collegians; its large truly-beauty chorus; its injection of Weber-Field comedy amplified by Rice and Cady; its able comedians, its new and novel

Joe O. Rice in Joe Webber's Big Musical Play "Hip Hip Hooray!"

Fred Cady in "Hip Hip Hooray!"

entirely supported by a company of people. This is the latest of the Weber successes, having run all last season at Weber's Broadway Music Hall. It is by Edgar Smith and Gus Edwards and is described on the program as a "college yell in two acts." In "Hip! Hip! Hooray!" the life in a college town is satirized humorously and very good naturedly. Everything within the range of reason has been done in providing a superb scenic setting; elaborate costumes, handsome show girls and pretty choruses. Pullan Mitchell's stage novelties have alone made the performances celebrated. The famous and "gym" where the scenes are laid have a counterpart in this play of college and the Rah Rah and their lively girl acquaintances are decided by the life wherever one does not expect realism in a musical comedy; arrangement for its sole purpose, and "Hip! Hip!

specialties, its sprightly dancing and its delightful music is gloriously diverting. Entertainment and not education is the primary purpose of the Rice and Cady show and it is a capital evening's diversion with two acts, literally packed with comedy with dash and go. There are a score of interesting types written to the measure of the players and the result is an abundance of laughter and applause. Rice and Cady have won national fame as comedians in their new vehicle "Hip! Hip! Hooray!" and the entire country has ratified the declaration of San Francisco theatergoers that they are the cleverest German dialect comedians on the American stage. In the company are such Broadway favorites as Mar Phelps, William Mack, Maude Le Roy, Ross Leslie, Harry Shunk, Thos. Murray, Masie Trumbull, the famous dancer Squabs and a chorus taken from Weber's forces.

If you are timid and do not like to try of a druggist send us fifty cents and we will send you a full sized box by mail in plain wrapper. EXPLOSION CAUSES

THEATRE PANIC
San Francisco, Nov. 5.—The Arcade Nickelodeon one of the largest show amusement houses of the city, closed today owing to an explosion that night of the kineoscope, which precipitated a panic, in which women and children were injured. The operator of the picture machine was severely burned, and the auditorium of the theatre was partially damaged by the flames. The building was packed with people when the explosion occurred. The picture machine was located in the gallery, and the occupants rushed in a panic for the exits. Wo-

men fainted and fell under the foot of the struggling mob.

The noise of the stampede up stairs started those in the parquet in a mad race for the doors. At that instant the stage manager ordered the house lights turned on and the darkened auditorium was illuminated. This somewhat reassured the frightened audience.

Police and firemen made their way into the building and succeeded in emptying it without further accident. None of the injured were taken to the hospital.

N. Y. THEATRE SOLD OUT FOR THE SEASON

New York, Nov. 5.—Because the subscriptions for advance seats at the Metropolitan opera house have poured in so fast, the management of the opera house announced today that the sale would be closed for the season. The Manhattan management also announces today that more subscriptions have been received to date than in any previous year.

The managers of the Manhattan Opera Company have made unusual preparations for the winter season. Hundreds of thousands of dollars have already been paid out in securing stars for the coming season. Many well-known singers of European reputation have been secured to appear at one or the other of the big opera houses.

Oscar Hammerstein, of the Manhattan, has just completed a new opera house in Philadelphia, and announced that he will give the same opera performances that he gives in New York, about a hundred. He will also give a number of performances in Brooklyn, where a new academy of music has been erected by popular subscription, at a cost of a million dollars.

The Metropolitan Opera Company will give 100 performances in New York and 22 in Philadelphia and Brooklyn, and then go on the road for a tour.

Consumption Statistics
prove that a neglected cold or cough opens the lungs in so bad a condition that consumption germs find a fertile field for fastening on one. Stop the cough just as soon as it appears with Ballard's Horehound Syrup. Soothes the torn and inflamed tissues and makes you well again.

Bad Symptoms.
The woman who has periodical headaches, backache, sees imaginary dark spots or specks floating or dancing before her eyes, has gnawing distress or heavy full feeling in stomach, faint spells, dragging-down feeling in lower abdominal or pelvic region, easily startled or excited, irregular or painful periods, with or without blood, is suffering from weakness and derangements that should have early attention. Not all of above symptoms are likely to be present in any case at one time.
Neglected or badly treated and such cases often run into maladies which demand the surgeon's knife if they do not result fatally.
No medicine extant has such a long and numerous record of cures in such cases as Dr. Pierce's Favorite Prescription. No medicine has such a strong medicinal impression on each of the several important organs of the human system as this. It is a number of ordinary non-professional ingredients. The very best ingredients known to medical science for the cure of woman's peculiar ailments enter into its composition. No alcohol, harmful, or habit-forming drug is to be found in the list of its ingredients printed on each bottle-wrapper and attested under oath. In any condition of the female system, Dr. Pierce's Favorite Prescription can do only good—never harm. Its whole effect is to strengthen, invigorate and regulate the whole female system, and especially the pelvic organs. When these are deranged in function or affected by disease the stomach and other organs of digestion become sympathetically deranged, the nerves are weakened and a long list of bad, unpleasant symptoms follow. To such must not be expected of this "Favorite Prescription." It will not perform miracles; will not cure tumors—no medicine will. It will often prevent them, if taken in time, and thus the operating table and the surgeon's knife may be avoided.
Women suffering from diseases of long standing, are invited to consult Doctor Pierce by letter, free. All correspondence is held as strictly private and sacredly confidential. Address Dr. R. V. Pierce, Buffalo, N. Y.
Dr. Pierce's Medical Adviser (1000 pages) is sent free on receipt of 21 one-cent stamps for paper-covered, or 31 stamps for cloth-bound.
