TYPOGRAPHICAL UNION LABEL CAPITAL

CANNON MAY NOT AGAIN BE SPEAKER.

It will be a matter of interest whether Congressman Hawley shal support Speaker Cannon for re-election.

It is well known that Congressman Hawley is a champion of the cause OF THE CHRISITAN CHURCHES IN POLITICS.

After the warfare waged on Cannon by the organized church vote and the religious and temperance elements.

After the condemnation of several Methodist conferences, AND LARGE RELIGIOUS ORGANIZATIONS.

Congressman Hawley will hardly dare ally himself with the Cannon organization of the house.

The warfare on Cannon has only begun in the ranks OF THE CHRISTIAN CITIZENSHIP LEAGUERS.

That powerful organization, which extends to all the Christian churches of the land, will not consent to his becoming speaker again.

The Pacific Northwest could get along without Cannon, so far as getting appropriations for waterways.

THE EDITOR WEARS A TAFT SMILE

As the first daily paper in Oregon to champion the cause of Taft for President this editor wears a Taft smile.

For months before the Oregon machine politicians took up Taft this paper BOOSTED FOR TAFT FOR PRESIDENT.

We received almost daily letters from his managers commending our splendid fight for a Taft delegation.

Afterward the managers in Ohio forgot our postoffice address, but that is only THE CUSTOMARY WAY WITH POLITICIANS.

We do not mind that. We still wear the smile, while other fellows will probably get the offices.

The man who smiles because he thinks it is right to do a certain thing DOES NOT HAVE TO BE PAID FOR SMILING.

The fellows who refuse to adopt a resolution for Taft in the Republican county convention are also entitled to smile.

We will take a smile with them because they thought they were doing the right thing.

IF WILLAMETTE HAD 300 STUDENTS.

Have you ever thought what it means to have a college with 300 students located in a city like this

This means an expenditure of not less than $60,000 a year in the city FOR THE EXPENSES OF THOSE STUDENTS.

At a low estimate it costs a student $3.00 per week for board, and $2.00 a week for clothing and other expenses.

The members of the faculty and their families have to live here, AND THAT MEANS MORE DEMANDS FOR HOUSES.

A growing institution must be housed ,and that means more building on the college grounds.

The new $50,000 Eaton hall, that is going up, is the third of new buildings THAT HAVE GONE UP IN THE PAST FEW YEARS.

And there is still greater things in store for Willamette with good management.

NO DRUNKS WANTED ON SALEM STREETS.

Chief of Police Gibson is to be commended for his determination to fire the drunks off the streets of Salem.

The time has come in the evolution of this city when DRUNKS HAD BETTER BE KEPT OUT OF SIGHT.

Our sidewalks are wide and a drunk makes votes for Prohibition whenever he reels along the street.

Then besides as chief of police Gibson says, THE CARS ARE MAKING FAST TIME AND IT IS NOT SAFE.

This is the Capital City, where the lawmakers assemble, and the moral example of a public drunkard is not good.

The expense of housing these drunks in the city jail should not be allowed to interfere with arresting THEM AND TAKING THEM OFF THE STREETS.

The streets are more crowded with people than formerly ,and men, women and children should be spared the sight of public drunkenness.

Since Salem is the only saloon city in the valley, THE DRUNKS NATURALLY CONGREGATE HERE.

Non-resident drunks should be asked to move on to dry towns.

YOU! DYSPEPTICS READ

What An Eminent Medical Man Says Dyspepsia Really Is—Then Gain Hope.

"This affection called Dyspepsia, is the greatest torment of civilized life, and is to be considered rather as an unnatural functional difficulty than as a structural disease."

The same authority has classified dyspepsia thus: The first form due to relations with other organs which arein a morbid and unhealthy state, which is characterized as a reflex action. Of such a type is the nausea and vomiting caused by irritation of brain lungs, liver or uterus.

The second form is caused by scanty suply of gastric juice made evident by slowness of digestion, long retention of food in the stomach, distress for a long time after meals, accompanied by weighty and uneasy feelings at pit of stomach, decomposition of food in alimentary canal sition of food in alimentary canal causing fetid and foul gases and the appearance of undigested food in the evactuations from bowels.

The third and last form of dyspepsia, according to this renowned medical light, is that which accompanies some abnormal quality of the gastric juice, combined with a partial paralysis of the stomach's muscles so that this organ cannot sufficiently mix the food with the digestive fluids.

Stuart's Dyspepsia Tablets will remedy each condition of a stomach afflicted with dyspepsia as above described.

These tablets contain digestive agents which act with or without the aid of the stomach. One grain of an ingredient used in these tablets will digest 3,000 grains of good, and if necessary will do it in a glass vial so that the digestion can be seen by the human eye.

They help the stomach, enrich the blood, revitalize the gastric juices, give strength to the alimentary nerves and glands. They are recommended by every druggist and 40,000 physicians who use and prescribe them. Get a box today from any drug store; price 50c; or send us your name and address and we will send you a trial package by mail free. Address F. A. Stuart Co., 150 Stuart Bldg., Marshall, Mich.

Now is the Time to visit California

When summer has passed in these northern states, the sun is only mild under the bright blue skies of Southern California. This is one of nature's happy provisions—eternal summer for those who cannot endure a more severe climate.

California has been called the "Mecca of the winter tourist." Its hotels and stopping places are as varied as those of all well regulated cities. Visitors can always find suitable accommodations, congenial companions and varied, pleasing recreations.

SOUTHERN PACIFIC CO.

Will be glad to supply some very attractive literature, describing in detail the many delights of winter in California.

The rate from Salem to Los Angeles and return is $15. Limit six months, allowing stopovers in either direction. Similar excursion rates are in effect to all California points.

For full information, sleeping car reservations and tickets, call on telegraph or write agents, Salem, or
