

# THE WOMAN WHO IS PREPARED

Rich Blood and Strong Nerves sets the Trying Times of Life With Safety and Ease.

Women who suffer when the age of thirty, or thereabouts, is reached, Dr. Williams' Pink Pills give prompt permanent relief. And, if taken at the time is approached, their tonic in purifying and building up the blood strengthens the system so that this crisis in a woman's life may be passed in safety and comparative ease.

The pills, therefore, are of great help to women who are weak, nervous and nervous for in this condition the body is not prepared to stand the added burden put upon it by the change.

Through neglecting to build up her strength Mrs. L. H. Howard, of No. 17 Wayne avenue, Dayton, Ohio, suffered for three years. During this time she was treated by doctors and many medicines but found no relief until she used Dr. Williams' Pink Pills. Every woman should read by a careful reading of Mrs. Howard's experience, which follows:

"When I was in my thirty-ninth year I was more dead than alive, suffering with weakness common to women of my age. I was confined to bed for the greater part of nine months and was sick altogether for nearly three years. I had sick headaches, pains in the back and was listless with no ambition to work. My appetite was poor and my stomach would break that food would ferment on it, causing it to turn sour. Then my head would ache and I would get so dizzy that I would vomit. My hands and feet were cold, I was extremely nervous and my finger nails were blue. My circulation was poor and I had spells when it would be necessary for me to lie down from sheer weakness. I would ache all over and my legs were weak and easily gave out. I was so extremely nervous that the least noise, like the slamming of a door, made me worse. I was also troubled a great deal with constipation. I took medicine from different doctors without relief and upon the advice of a friend tried Dr. Williams' Pink Pills. In a week or so I noticed a change for the better and in a few weeks more I was cured. I am now in good health and have gained weight and strength. I feel that my good health is due to Dr. Williams' Pink Pills alone and hope I will be the means of helping many other suffering women back to health."

Women will find Dr. Williams' Pink Pills the tonic exactly suited to their needs. Most of the ills with which they suffer are due to blood-weakness—a condition which the pills remedy.

Dr. Williams' Pink Pills are also valuable in rheumatism, after-effects of the grip, and fevers, sick headaches, stomach trouble, neuralgia and even partial paralysis and motor ataxia.

The pills are sold by all druggists; they will be sent, postpaid, on receipt of 50 cents per box; six boxes for \$2.50, by the Dr. Williams Medical Company, Schenectady, N. Y.

Jackson Reid, the 12-year-old boy who killed George DeMars in Portland, was found guilty yesterday and will be sent to the reform school unless the case goes to the supreme court.

## MUST BELIEVE IT

When Well-Known Salem People Tell It So Plainly. When public endorsement is made by a representative citizen of Salem the proof is positive. You must believe it. Read this testimony. Every backache sufferer, every man, woman or child with any kidney trouble will find profit in the reading of this.

Joseph P. McCoy, retired, living on Capital St., beyond Mill creek, Salem, Or., says: "There has been no change or me to change my good opinion of Doan's Kidney Pills which have expressed through our papers three years ago. I procured the remedy at Dr. Stone's drug store at that time and received the most gratifying results from their use. I was relieved of my kidney complaint of several years standing. The principal symptoms were in connection with the kidney functions and any strain or over-exertion often caused hemorrhages of the kidneys. Nothing I had found in the way of medicine gave me any satisfactory relief until I got Doan's Kidney Pills. They gave prompt and lasting benefit. I have recommended them ever since then when occasion has arisen."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—take no other.

# JEFFERSON MAN WHO WINS OUT AGAINST ODDS

J. A. Aupperle, president of the Jefferson bank, has been playing in good luck of late. He sold a piece of land in Dakota for \$18,000 and has a tract left that he refused \$3,600 for. Aside from this he has 300 acres of fine farm land in Minnesota and his water front property at Seattle has become very valuable. Mr. Aupperle had plenty of hard luck for a while, but he worked hard money and interest, and has a good shape, paid all the depositors their money and interest, and has a good fat stake left to himself, and the Review is glad of it, for he has done much for the development of Jefferson, and has thereby helped all of us.—Jefferson Review.

The Capital Journal is delighted to know that John Aupperle, as honest a man as the sun ever shone upon, has won out under hard luck circumstances. There are a few two-bit politicians in every community who do not want to see any man succeed. They have always abused Aupperle, because he could make a living without asking their permission and fought Aupperle because he was a progressive man. The writer has not a cent of interest in the Jefferson bank, but rejoices at the success of an honest and independent man as the banker up there, who has done more to advance that town than all the kicking crowd.

## OREGON CLIMATE BEATS EVEN SOUTH DAKOTA

Mr. E. G. Wade of Mitchell, South Dakota, is here to visit his brother-in-law, S. D. Means, who located here last May. Means has been back to his old Dakota home, but returns to Oregon more charmed than ever with Oregon climate, and has about converted Mr. Wade to his way of thinking and presents one invincible argument that appeals to most Roosevelt Republicans. Mr. Means is the father of seven little Means, and the last one was born here and is a little Oregonian, and Means says it is by far the finest baby they have ever had, and beats anything in that line that has ever come to their house back East. That is a high tribute to the Oregon climate, when backed by Eastern energy and enterprise, and Mr. Wade is glad he has come here.

## INTERESTED IN SALEM FOR AN INVESTMENT

Chas. O. Anderson, the Brownsville jeweler, was in the city a few days this week and is very much pleased with the city. He is planning to make some investments here or at Portland, where he has also been on a prospecting tour. Traveling men all say next to Portland, Salem is the growing city of western Oregon.

## COMMON SENSE

Lead most intelligent people to use only medicines of known composition. Therefore it is that Dr. Pierce's medicines, the makers of which print every ingredient entering into them upon the bottle wrapper and state its correctness under oath, are daily growing in favor. The composition of Dr. Pierce's medicines is open to everybody. Dr. Pierce being desirous of having the search light of investigation turned fully upon his formulas, being confident that the better the composition of these medicines is known the more will their great curative merits be recognized. Being wholly made of the active medicinal principles extracted from native forest roots, by exact processes original with Dr. Pierce, and without the use of a drop of alcohol, triple-refined and chemically pure glycerine being used instead in extracting and preserving the curative virtues residing in the roots employed, these medicines are entirely free from the objection of doing harm by creating an appetite for either alcoholic beverages or habit-forming drugs. Examine the formula on their bottle wrappers—the same as sworn to by Dr. Pierce, and you will find that his "Golden Medical Discovery," the great blood-purifier, stomach tonic and bowel regulator—the medicine which, while not recommended to cure consumption in its advanced stages (no medicine will do that) yet does cure all those catarrhal conditions of head and throat, weak stomach, torpid liver and bronchial troubles, weak lungs and hang-on-coughs, which, if neglected or badly treated, lead up to and finally terminate in consumption. Take the "Golden Medical Discovery" in time and it is not likely to disappoint you if only you give it a thorough and fair trial. Don't expect miracles. It won't do supernatural things. You must exercise your patience and perseverance in its use for a reasonable length of time to get its full benefits. The ingredients of which Dr. Pierce's medicines are composed have the unqualified endorsement of scores of medical leaders—better than any amount of lay, or non-professional, testimonials. They are not given away to be experimented with, but are sold by all dealers in medicines at reasonable prices.
