MANY PERSONS WERE GREATLY BENEFITTED

LOCAL DRUGGISTS SAY HUNDREDS HERE ARE TAKING THIS SIMPLE PRESCRIPTION

That the readers of this paper appreciate advice when given in good faith is plainly demonstrated by the fact that one well known druggist supplied the ingredients for the 'vegetable' prescription many times within the past two weeks.

Another well known druggist asks us to continue the announcement of the prescription. It is doing so much real good here, he continues, that it would be a crime not to do so.

The following is the prescription of simple ingredients, making a harmless, inexpensive compound, which any person can prepare by shaking well in a bottle: Fluid Extract Dandelion, one-half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces.

ROOT MAY BE SENATOR.

Washington, D. C., Nov. 16.—Elliott Root, secretary of state, today announced that he will accept the New York senatorship if he is elected authorizing the following statement: "I think that the Republicans of New York who have expressed a wish for my election as senator are entitled to a definite statement of my position. I am not seeking office. I do not think that great offices ought to belong to anyone because he wants them. But if the legislature of New York, representing the people of the state, feels that I can render useful service to that state and the country in the senate and calls upon me for that service, I shall respond to their call and accept the office."

MUCH INTEREST IN THE CLACKAMAS SCHOOL QUESTION.

Superintendent of Public Instruction Ackerman has returned from Clackamas county, where he, with the county superintendent, held six meetings in different parts of the county to air upon the school question. He reports that the churches and halls where the meetings were held, were crowded and the interest aroused will probably result in better educational conditions in that county.

Western banks have been named as depositories for receipts from the forest service, it has been stated.

I am continuing the use of them and recommending them to my friends. I feel like a new man. I hope to have a chance to recommend Cascarets." Fred C. Witten, 15 Elm St., Newark, N. J.

The Swine or the Flower?

Ah me! I saw a huge and loathsome sty, Wherein a drove of wallowing swine were barred, Whose banquet shocked the nostril and the eye; Then spoke a voice, "Behold the source of lard!" I fled, and saw a field that seemed at first One glistening mass of roses pure and white, With dewy buds 'mid dark green foliage nursed; And, as I lingered o'er the lovely sight, The summer breeze, that cooled that Southern scene, Whispered, "Behold the source of COTTOLIN!"

Prolonged Life

There are many persons living to-day, whom doctors have given up to die. Dr. Miles' Heart Cure has added years to their lives. It strengthens the heart nerves and muscles, restores normal heart action, so that it can send the blood through the veins to nourish and sustain life.

"I am glad to recommend Dr. Miles' Heart Cure and Nerve for they have been of great benefit to me. The doctors said I was liable to die any time; my case was incurable. I was told this by doctors in this village and Southern Minnesota. I have used four bottles of Heart Cure and the same of Nerve, and although not a young man, having passed through the war, I feel younger than I did before. I am feeling better in every way and sleep like a healthy six year old boy. I was advised to use your medicines by a man who is now a perfect specimen of manhood. He tried Dr. Miles' remedy and he said it cured him of heart trouble, twelve years ago after the doctors had given him up to die." CHAS. E. MURPHY, Verdala, Minn.

Now is the Time to visit California

When summer has passed in these northern states, the sun is only mild under the bright blue skies of Southern California. This is one of nature's happy provisions—eternal summer for those who cannot endure a more severe climate. California has been called the "Mecca of the winter tourist." Its hotels and stopping places are as varied as those of all well regulated cities. Visitors can always find suitable accommodations, congenial companions and varied, pleasing recreations.

Will be glad to supply some very attractive literature, describing in detail the many delights of winter in California. The rate from Salem to Los Angeles and return is \$15. Limit six months, allowing stopovers in either direction. Similar excursion rates are in effect to all California points.
