**TRIAL**  
(Continued From Page 1.)

to be allowed in the court room that there is to be no limit placed on the number except the capacity of the court room. Attorney Hiram Johnson wanted the court to stipulate how many of Ruef's friends could attend the trial but the court refused to do so.  
At the beginning of the trial, Judge Lawler admonished the jury that no attention was to be paid to the incident of Friday afternoon. "transaction" he declared is entirely outside the issues in this trial and no attempt is to be made by the jury in the case to fix the responsibility for the shooting of Heney. The judge told the jury that Heney was shot by a man named Haas who has taken his own life in the courtroom and that Heney is out of danger. The judge admonished the jury

that only the facts directed to the charge in the complaint upon which Ruef is being tried can be considered in determining the question of the guilt or innocence of the defendant. "Big Jim" Gallagher, leader of the hoodling supervisors took the stand for cross-examination. He had already told the whole story of graft on direct examination by Heney.  
The first question asked by Henry Ach was as to whether Gallagher had talked with the new attorneys for the prosecution. Gallagher said that he had attended a conference of the attorneys for the prosecution and that they had given him a copy of his testimony at the last trial.

**THE FIGURE**  
How Too Much Fat May Be Safely Reduced at Home.

"Oh, that this too, too solid flesh would melt!" cry the ladies nowadays as they try to squirm into a princess frock. How much would the too generously proportioned dame not give up for four inches less in the waistline as she compares herself with the more fortunate one hundred and twenty-five pound sister. Various devices are suggested to arrest the flesh producing tendency and keep the figure trim, including exercising, walking and dieting as well as numerous patented remedies, but there are objections to all of the e. Exercising is hard work and takes up precious time; dieting is distasteful and a real punishment, and most of the patent remedies are dangerous to health.  
The very best thing for the overweight, whether male or female, is a simple home receipt: 1/2 oz. Marmola, 1/2 oz. Fluid Extract Ca cara Aromatic, 3 1/2 oz. Peppermint Water, which can be obtained of any druggist at small cost. This should be taken a teaspoonful at a time after meals and at bedtime, and results will be both speedy and certain. This is a harmless mixture that cannot bring on any stomach troubles nor cause the dried-up wrinkled appearance of those who starve or take "patent reducers" to get thin. On the contrary, although it often takes the fat off at the rate of a pound a day, it is really very beneficial to the system, cleansing the blood and causing the complexion to become fair and beautiful. The cost of the three ingredients is a mere bagatelle, and one may, if they prefer, get them separately and mix them together at home.

**NANCE O'NEILL SAYS SPOOKS SCARED HER**

Boston, Mass., Nov. 18.—Nance O'Neill, the California tragedienne, is preparing today to leave her magnificent country home at Tyngboro near here because she says its hallways and rooms are inhabited by a family of spooks.  
The actress declares emphatically that their antics caused fear to pervade the entire household and that finally she became so frightened that she sold the place.  
The purchasers are the Sisters of The Norte Dame academy who are reported to have paid \$15,000 for the estate which is valued at \$75,000. The house has twenty rooms and five bath rooms, and is surrounded by 250 acres of woodland.

**ONE WEAK SPOT.**  
Most Salem People Have a Weak Part and Too Often It's the Back.

Everyone has a weak spot. Too often it's a bad back. Twinges follow every sudden twist. Dull aching keeps up, day and night. Tells you the kidneys need help. For backache is really kidney-ache.  
A kidney cure is what you need. Doan's Kidney Pills cure sick kidneys. Cure backache and urinary ills. Salem people recommend the remedy.  
E. E. Gilliam, proprietor of livery and feed stable, 332 Water street, Salem, Ore., says: "Years of almost constant driving and a fall I had several years ago affected my kidneys and I suffered from backache and lameness, so badly at times that I could hardly straighten. Sharp pains caught me when I arose after sitting and none of the remedies I tried did me any good. A short time ago I was induced to get Doan's Kidney Pills at Dr. Stone's drug-store and I soon obtained great relief. I know of neighbors who have taken Doan's Kidney Pills and they all speak of them as the best kidney medicine they have ever used."  
For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.
