## Grows Hair and we can PROVE IT!

### The Great DANDERINE Never Fails to Produce the Desired Results.

It enlivens and invigorates the hair glands and tissues of the scalp, resulting in a continuous and increasing growth of the hair.

Letters of praise are continually coming in from nearly all parts of the country stating that Danderine has renewed the growth of hair in cases that were considered absolutely hopeless.

A lady from Brooklyn writes: "After a short trial my hair stopped falling, and I now have a lovely head of hair, very heavy and over one and a quarter yards long."

Danderine stimulates the scalp, makes it healthy and keeps it so. It is the greatest scalp invigorator known. It is a wholesome medicine for both the hair and scalp. Even a small bottle of it will put more genuine life in your hair than a gallon of any other hair tonic ever made. It shows results from the very start.

## To Cure Rheumatism

The excessive accumulation of uric acid must be radiated from the system. Dr. Miles' Nervine is alkaline in nature. It neutralizes this acid, and its soothing effect upon the irritated condition of the nerves relieves pain and induces sleep and rest.

"I was suddenly taken with a severe attack in my foot. My physician could tell what was the trouble. In a few days I had the same trouble with the other foot. I was so crippled that I could scarcely walk and at times I had to crawl on my hands and knees down my house on for an hour or two before I could manage to walk by suffering with pain. I suffered more or less all summer, and tried almost everything that got no relief. Then I began to use Dr. Miles' Nervine. It relieved the pain all through my system. My doctor told me I had an acute attack of inflammatory rheumatism. I was scarcely able to walk, but I read about Dr. Miles' Nervine, bought a bottle, and also wrote the Medical Co. for advice. They sent me to add salicylate of soda to the Nervine, and I commenced to use it. In six months I have scarcely any pain, and am able to walk as well as I ever was."

## ANOTHER CASHIER IS FOUND TO BE SHORT

(United Press Leased Wire.)  
San Francisco, Nov. 19.—Experts are working today on the books of the Merchants Association to ascertain the extent of the alleged defalcations of Frank W. Smithson, cashier and confidential man of the Mercantile organization.

The first alleged discrepancies in the accounts were discovered yesterday afternoon. Already it has been ascertained \$3000 is missing and the amount may reach \$10,000. The accounts are said to have been so manipulated that several days will be required to develop the full amount of the alleged embezzlement.

The attention of the officers of the association was drawn to an examination of Smithson's accounts through the charge that the cashier had become involved in forgeries of shipper's names on Southern Pacific freight vouchers. Smithson explained that he had signed the names of shippers but had done so at the instance of interested parties.

The young man has been connected with the association for several years and has hitherto been held in high esteem.

## 'ALASKA MINING KING' DECLARED BANKRUPT

(United Press Leased Wire.)  
San Francisco, Cal., Nov. 19.—James Treadwell, who is facing trial on a charge of embezzling securities on deposit in the California Safe Deposit and Trust company, while a director, is a bankrupt today. The banker was adjudged a bankrupt on the complaint of Daniel O'Connell, representing various depositors who claimed that Treadwell was transferring his property to his wife's name. The order declaring Treadwell insolvent was made yesterday afternoon by the United States circuit court of appeals.

The action against Treadwell was taken some time ago by the depositors. The decision was given against him by Milton S. Green, referee in bankruptcy and an appeal was taken to the higher court which affirm the judgment. No further opposition to the decision will be made by the millionaire-bankrupt.

Proceedings are also under way for similar action against Walter J. Barnett, former vice-president of the institution and convicted in the state court of embezzlement, and against J. Dalzell Brown, former manager, also convicted and serving his sentence at San Quentin prison.

## SHOT AT INTRUDER BUT KILLED SISTER

(United Press Leased Wire.)  
Miles City, Mont., Nov. 19.—The death of Mrs. Harriet Goodwin, who was killed by a wild bullet fired by her sister, Miss Pauline Lane, is today the subject of an investigation being conducted by the police and a coroner's jury.

Miss Lane says a man named Lucas entered their house last night and, after a dispute, knocked both herself and her sister to the floor. She arose and went to her room and Lucas followed her, trying to break down the door. She shot through the door at the intruder and hit her sister, who was sitting in her room, in the path of the bullet. The bullet was found in the dead woman's breast at the autopsy.

## MRS. HAINS AND ANNIS TOGETHER AT 3 A. M.

(United Press Leased Wire.)  
New York, Nov. 19.—That they have secured two new witnesses whose testimony will prove Captain Hains' story of his wife's alleged improper relations with William T. Annis, is the statement made by the attorneys for the Hains brothers today.

Joseph A. Shay, one of the attorneys for the two brothers, who are awaiting trial for killing Annis, declares that one of the new witnesses is a tradesman who delivered goods to Fort Hamilton, and who will swear that he saw Mrs. Hains and Annis together on many occasions and often under such circumstances as to attract attention.

Another new witness, according to the attorney, is the owner of a garage where Annis is said to have kept his automobile. This witness will swear, the attorneys say, that he was called up by Mrs. Hains on the telephone to go to the outskirts of Brooklyn where Annis' car had broken down and that when he arrived there he found Mrs. Hains and Annis together at 3 o'clock in the morning.

Hains' attorney says that it is doubtful if they can go to trial on December 14th, the date set.

M. P. McDaniels, of Ashland, is missing, having last been seen at Myrtle Point. He is said to be mentally deranged.
