C. P. TAFT LARGEST DONATOR

TO REPUB FUND OF $1,700,000

(Unite dPress Leased Wire.)

New York, Nov. 21.—When the report of Treasurer George R. Sheldon, of the Republican National committee, is filed with the state auditor at Albany to which Charles P. Taft, the largest contributor, gave $160,000.

The statement will be complete and will be in detailed form. It will include the report of S. S. Upham, assistant treasurer of the national committee who had charge in the west. Upham's report to be filed with Sheldon's in New York will show that he collected nearly $500,000 of the total contributions.

The fund is much smaller than usual. Four years ago the contributions reached $4,000,000 and eight years ago the sum reached $8,000,000, exclusive of amounts sent by state organizations. The report this year includes such state contributions in the total.

The report show the following contributions:

Theodore Roosevelt, $1000.
Andrew Carnegie, $25,000.
J. P. Morgan, $25,000.
Whitelaw Reid, $25,000
William Nelson Cromwell of New York, $25,000.
Adolphus Busch, of St. Louis, $5000.
R. C. Kerns, of St. Louis, $5000.
W. C. Dickey, of Kansas City, $5000.

Outside of these large amounts most of the fund is made up of small contributions from approximately twenty thousand contributors.

The report shows that the support of the campaign did not come from the railroads and banks but from the mercantile interests of the country

Cincinnati, O. Nov. 21.—It was announced today that Charles P. Taft, brother of the president-elect, will sever his connection with the public service corporation in which the Taft &Sinton millions are invested. He has resigned the presidency of the Cincinnati Gas & Electric Company and his directorship in the Cincinnati Traction company.

Taft's move is considered equivalent to a formal announcement on his part of his candidacy for the Ohio senatorship. He is anxious to have his affairs in good shape to handle the coming fight.

BRYAN GOT MAJORITY OF 4178 IN NEBRASKA

Lincoln, Neb., Nov. 21.—The official returns today show that Bryan polled 130,787 votes in Nebraska at the recent election; Taft 126,609, according to the statement of the secretary of the state.

BIG GAME IS WON BY HARVARD

YALE DEFEATED BY 4 TO 0

(United Press Leased Wire.)

New Haven, Conn., Nov. 21. — Harvard won the big annual game from Yale today with a core of 4 to 0. This is the first time Harvard has won since 1901.

New Haven, Conn., Nov. 21—When the teams lined up Coy was found in his old position at fullback for Yale.

Harvard won the toss and elected to defend the southern goal.

At 2:05 o'clock Andrus kicked off to Corbett who ran the ball back to Harvard's 20-yard line.

When the ball was put in play after the first down, Cutler punted to Coy in the middle of the field. Coy went through Fish for five yards and was then smashed through McKay for seven more. On the next play Coy made three yards through the same hole.

Wheaton hit Harvard's right end for five yards and then Coy was sent once more through McKay, Harvard's left tackle on whom the attack was being centered.

Attempt kicking and line rushes, both sides being penalized, characterized the next few minutes of play. Wheaton and Coy proved the heaviest ground gainers during this period of the game.

The ball see-sawed in the center of the gridiron for several minutes.

Verwieb, Harvard's fullback, proved a powerful ground gainer with repeated end runs and center bucks. Corbett, Harvard's left half, in four consecutive plays gained twenty-three yards. Verwieb was then relieved by Kennards at fullback.

The score was made by Kennard who went in as the successor of Verwieb as fullback for Harvard in the first half. He made the kick only a few minutes after entering the game.

One of the heroes of the game was Corbett, Harvard's great left half back, who comes from Portland, Oregon. This western lad probably did more than any other crimson player to gain ground for Harvard.

ALSO BEAT UP CLERK F. GUILD

FOUND WITH THE GOODS

Through the arrest of Black, the man who evidently shot Dr. Robertson last night, Sheriff Harry Minto has solved the Barnes Cash Store robbery if damaging evidence stands for anything.

Sheriff Minto late this afternoon made another examination of the shoes which Black wore, and took them to the Barnes store in hopes of gaining some identification from the proprietors. An empty box which has been pulled to the floor at the head of the head of the bed of Guild, the young man assaulted, bare out a comparison that could not be more perfect. The number of shoes found upon Black, were the same as those which the box had formerly contained.

(United Press Leased Wire.)
