### BACK GIVES OUT.

Plenty of Salem Readers Have This Experience.

You tax the kidneys—overwork them—

They can't keep up the continual strain. The back gives out—it aches and pains;

Urinary troubles set in. Don't wait longer—take Doan's Kidney Pills.

Salem people tell you how they act.

W. H. Wood, carpenter, 250 Cottage street, Salem, Ore., says: "A good many years ago I was kicked by a mule. At another time while digging a well, it caved in on me. Since then I have had more or less trouble from my kidneys. Any change of weather caused my back to ache and when I worked hard I became so lame that I could hardly straighten after stooping. I finally procured Doan's Kidney Pills at Stone's drug store and although I have continued to work hard and have been exposed to bad weather, not an ache or other symptom of my former trouble remains. This clearly proves that Doan's Kidney Pills live up to the claims made for them. I also know of other people who have derived great benefit from their use."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Be as careful as you can you will occasionally take cold, and when you do, get a medicine of known reliability, one that has an established reputation and that is certain to effect a quick cure. Such a medicine is Chamberlain's Cough Remedy. It has gained a world wide reputation by its remarkable cures of this most common ailment, and can always be depended upon. It acts on nature's plan, relieves the lungs, aids expectoration, opens the secretions and aids nature in restoring the system to a healthy condition. During the many years in which it has been in general use we have yet to learn of a single case of cold or attack of the grip having resulted in pneumonia when this remedy was used, which shows conclusively that it is a certain preventive of that dangerous disease. Chamberlain's Cough Remedy contains no opium or other narcotic and may be given as confidently to a baby as to an adult. For sale at Dr. Stone's drug store.
