DO NOT WANT PLEDGES THAT CANNOT BE BROKEN.

There should be a large attendance of people at Salem when the first ballot on senator is taken.

The people should assemble to see whether their representatives CAN BE SEDUCED INTO BREAKING PUBLICLY-MADE POLITICAL PLEDGES.

The Journal does not believe that a single pledge given in writing and under oath will be broken.

Pledges made by politicians to one another, pledges made in platforms, and even pledges made for money have been broken in Oregon politics.

But voluntary sworn pledges over a man's signature to get into office to do a certain specific thing PROVIDED FOR BY LAW HAVE NOT YET BEEN BROKEN NOR DO WE BELIEVE WITH SAFETY THEY CAN BE.

The people by thousands will be on hand to see that their representatives keep their pledges.

Hear what the machine politicians say:

"WHAT WE WANT IS PLEDGES THAT CAN BE BROKEN.

"Pledges to get in on but not to stand on.

"Pledges that leave the pledger free to do as he pleases.

"PLEDGES THAT ARE ONLY GOOD ONE WAY—OUR WAY.

"A pledge to the machine is sacred.

"A PLEDGE TO THE PEOPLE IS ONLY TO BE LAUGHED AT.

"A pledge without consideration is not binding.

"To simply vote for what the people want is not good party politics.

"You are not a good Republican if you keep a pledge made to the people.

"A BOSS CAN ENFORCE A PLEDGE. THE PEOPLE CANNOT.

"The people cannot pay a man for keeping his pledge because the machine will do the nominating in future.

"TO H—LL WITH A PRIMARY LAW THAT MAKES PUBLIC PLEDGES GOOD."

And so on infinitely ad nauseam.

The advocates of pledges breaking want to restore the slavery of the machine.

They argue the constitution to uphold that slavery just as the old slave drivers did. The ysay:

"It is unconstitutional of the people to exact pledges and unconstitutional to keep pledges."

The advocates of slavery argue:

IT WAS UNCONSTITUTIONAL TO INTERFERE WITH SLAVERY OR PROPERTY IN SLAVES.

It is unconstitutional to obey the will of the people in Oregon in 1909 as it was in Kansas in 1860.

By 46,000 majority on a square issue the people of Oregon directed the members of the general assembly to ratify the election of a senator by direct vote of the people.

PLEDGES, INSTRUCTIONS, BALLOTS, POPULAR WILL ARE ALL TO BE CAST ASIDE, SAYS THE MACHINE.

"We want pledges that are not binding upon us," say the political agents of the machine. "But we will keep the people in bondage to us."

They will find the people back of Statement No. 1, which means EMANCIPATION FROM THE MACHINE.

The people will be at the State house in January, 1909, to see to it that the peaceful rule of the ballot is maintained.

The people of Oregon have never asked any candidate for office to take a pledge.

But having taken the pledges to elect the choice of the people United State senator the people propose to see that they are kept.

The machine want pledges broken.

THE PEOPLE WANT PLEDGES KEPT.

Which will win, the people or their taskmasters?

The 19th day of January when the first ballot is taken will tell the tale.

STRENGTH FOR THE DAY'S WORK

DEPENDS UPON GOOD RED BLOOD TO NOURISH THE BODY

WEAK PEOPLE NEED A TONIC

One Which Acts Directly Upon the Blood and That Does Not Weaken the Body by Useless Purging.

The tonic treatment with Dr. Williams' Pink Pills for run-down conditions of the health is based on sound medical principles and on common sense. More and more men and women are beginning to realize that pure, red blood means health and that the efficiency of any tissue or organ is entirely dependant upon the quality of the blood.

There are thousands of people, who are without ambition or strength to do their day's work and who are always tired out, have but little appetite and a poor digestion, cannot get a refreshing night's sleep and are subject to headaches, backaches and nervousness because their blood is impure.

Dr. Williams' Pink Pills give quick relief and permanently cure such men and women because of their direct action on the blood, which they purify and build up to their normal strength. As the blood becomes pure and red it strengthens the muscles, tones up the nerves, makes the stomach capable of digesting the food and repairs the waste caused by growth and work. In a word it gives perfect health.

The need in every family of a safe and effective tonic is shown by the following statement of Mrs. A. B. Gates, of No. 807 East Second street, Duluth, Minn.

"I suffered for over a year," she says, "from general debility, which was brought on by overwork. I had no ambition to do any work, and the least exertion used me up. My appetite was poor and I was very nervous at times. I could not get a good night's rest. I was often confined to bed for a day or so, and certainly felt miserable. I doctored with local physicians for a time, but did not get any help from their medicine. I heard of Dr. Williams' Pink Pills through a friend, and gave them a trial. They soon gave me strength, and I was able to do my work. I have since kept the pills in the house, and recommend them very highly."

Dr. Williams' Pink Pills are not like ordinary medicine. They do not act on the bowels, but they may be said to actually make new blood. In this way they reach many diseases caused by deprived or vitiated blood and they have cured nervousness, St. Vitus' dance and have accomplished miraculous results in partial paralysis and locomotor ataxia. They are also a specific for anaemia, chlorosis or green sickness, and the special troubles of women and growing girls. All druggists sell Dr. Williams' Pink Pills, or they will be sent by mail, postpaid, on receipt of price, 50 cents per box; six boxes for \$2.50, by the Dr. Williams Medicine Co., Schenectady, N. Y.

The registration books for the election next Monday will close tomorrow afternoon at 5 o'clock. Get busy and show your interest in the welfare of your city, and be a good citizen.
