

RHEUMATISM CAUSED BY DYSPEPSIA

So Claim Many Eminent Doctors Upon Recent Scientific Investigation.

A large school of physicians which is constantly increasing, claims that the eating of too much animal foods creates an oversupply of proteids...

These proteids do not permit the assimilation processes to take place properly and blood poisoning results all through the blood.

However, of such proteids are perfectly digested they form a most valuable part of our food and are absolutely necessary to life.

The fault then rests with the stomach and the digestive apparatus.

Hence it is claimed by these latter day authorities that rheumatism arises through the stomach or through the stomach and not in the kidneys as some medical authorities teach.

Stuart's Dyspepsia Tablets cure dyspepsia, reduce proteids to their natural condition best taken up by the system, give strength to the blood...

Forty thousand physicians use the little digesters, and every druggist sells them, 50c per box or send us your name and address and we will send you a trial package free.

SMILES.

The people of Oregon are tired of tice-serving, alppery, double-dealing politicians, who go into to deceive both sides, and are after nothing but opportunities to graft in the name of partyism.

County Chairman Jones could not be mayor of Jefferson but what does he care for that so long as he can be postmaster?

The men who are saying things cannot be done are not in such great demand as they were a few years ago.

The Christmas Journal will have many bright features that will be helpful to make Salem the Greater City that it should be made.

The way that dairy convention punished the milk punch at that reception last night was a caution.

The Best Cough Cure

A half-ounce of Virgin Oil of Pine, two ounces of Glycerine and a half-pint of Whiskey, mixed, will cure any cough that is curable and break a cold in 24 hours.

Who says Salem is not a good convention city?

Marked for Death

Three years ago I was marked for death. A grave-yard cough was tearing my lungs to pieces. Doctors failed to help me, and hope had fled, when my husband got Dr. King's New Discovery.

Makes Dairy Display

Weller Brothers grocery is representing itself on the big special occasion of the dairy convention which is now being held here, by making an excellent display in front of their store, composed of both dairy products and other articles of which Marion county is noted.

It is a Wonder.

Chamberlain's Liniment is one of the most remarkable preparations yet produced for the relief of rheumatic pains, and for lame back, sprains and bruises.

MISSSES SHOT BUT GETS PET

G. A. Richmond, an employe of the insane asylum, has in his possession a Bobwhite quail, one of the speediest winged birds in the world, which has been raised through the kind and tender treatment of Mr. Richmond so that it is now a perfectly tame and a domesticated pet.

Some months ago, Mr. Richmond shot at his own unobtainable prize, and missed it, but in doing so the charge from his gun threw a cloud of dust over the tiny creature frightening it so that it permitted Richmond to pick it up.

Mr. Richmond brought "Bob" to the city yesterday under his coat and everyone who saw him, expressed their surprise at a so wonderful pet. It is a fact that the Bobwhite quail is the timidest fowl on wings, and to naturalize them to teaching them to become fearless of any hand, has never before been accomplished.

"Bob" has free access to any and all parts of the large institution of the insane, and his small presence is always welcome, especially to the women folk.

A man by the name of Kiggins has been elected mayor of Vancouver. That name is really nothing against him.
