

KAISER GIVES UP

HIS LITTLE STEIN

(United Press Leased Wire.) Berlin, Dec. 17.—Semi-official announcement was made today that the Kaiser has become a teetotaler. His decision was made during his recent reform period.

But he has not joined the ranks of the prohibitionists by any means. On the contrary, he does not desire to compel his courtiers to abstain.

In order those about his board may drink freely, he has had prepared a special concoction the color of champagne, but without any alcoholic ingredients.

So, nowadays, while the favorites are enjoying the choicest wines, the Kaiser himself sips dolefully the bubbling near-champagne.

Good Cough Medicine for Children.

The season for coughs and colds is now at hand and too much care cannot be used to protect the children. A child is much more likely to contract diphtheria or scarlet fever when he has a cold. The quicker you cure his cold the less the risk. Chamberlain's Cough Remedy is the sole reliance of many mothers, and few of those who have ever tried it are willing to use any other. Mrs. F. F. Starcher, of Ripley, W. Va., says: "I have never used anything other than Chamberlain's Cough Remedy for my children and it has always given good satisfaction." This remedy contains no opium or other narcotic and may be given so confidently to a child as to an adult. For sale at Dr. Stone's drug store.
