

It doesn't do to take the thought for the deed in a real estate transaction.

Beware of Frequent Colds.

A succession of colds or a protracted cold is almost certain to end in chronic catarrh, from which few every cold the attention it deserves and you may avoid this disagreeable disease. How can you cure a cold? Why not try Chamberlain's Cough Remedy? It is highly recommended.

The man who jumps at conclusions doesn't always get there with both feet.

Marked for Death

Three years ago I was marked for death. A grave-yard cough was tearing my lungs to pieces. Doctors failed to help me, and hope had fled, when my husband got Dr. King's New Discovery.

Many a man fails to get ahead because he has the backward-glance habit.

The average man's word is considered as good as his bond—by a stranger.

Don't Be Hopeless.

about yourself when you're crippled with rheumatism or stiff joints—of course you've tried lots of things and they failed. Try Ballard's Snow Liniment—it will drive away all aches, pains and stiffness and leave persons ever wholly recover.

If you would be a leader of men you must be good natured.

More people are taking Foley's Kidney Remedy every year. It is considered to be the most effective remedy for kidney and bladder troubles that medical science can devise.

No one ever courts the company of a man with a grouch.

WAR WITH JAPAN

could not possibly make so many cripples as rheumatism does every year. And yet there is no reason why this disease should cripple anyone, if all sufferers will rub the affected parts night and morning with Ballard's Snow Liniment.

The Indian seldom laughs. But who wants to be an Indian?

Shook to Death

is commonly said of babies who have died of the croup. How unnecessary this is. No child ever had the croup without having a cold or cough at the start. If you will stop the first symptom of the cough with Ballard's Horehound Syrup there is no danger whatever of croup.

Even a self-made man will not admit that he sees his finish.

Guilty of Counterfeiting.

Passing counterfeit money is no worse than substituting some unknown worthless remedy for Foley's Honey and Tar, the great cough and cold remedy that cures the most obstinate coughs and heals the king.

The teeth of the gale demonstrate that cold winds bite, but never bark.

CASTORIA. The Kind You Have Always Bought. Bears the Signature of J. C. Perry.

We might enjoy work more if we didn't have to do it.

Mrs. McRaney's Experience.

Mrs. M. McRaney, Prentiss, Miss., writes: "I was confined to my bed for three months with kidney and bladder trouble, and was treated by two physicians, but failed to get relief. No human tongue can tell how I suffered, and I had given up hope of ever getting well until I began taking Foley's Kidney Remedy.

It is safe to judge a man by the object for which he strives.

A Dangerous Operation.

Is the removal of the appendix by a surgeon. No one who takes Dr. King's New Life Pills is ever subjected to this frightful ordeal. They work so quietly you don't feel them.

It is usually the things you haven't that would seem to make life worth living.

Good Cough Medicine for Children.

The season for coughs and colds is now at hand and too much care can not be used to protect the children. A child is much more likely to contract diphtheria or scarlet fever when he has a cold. The quicker you cure his cold the less the risk.

A certain kind of woman can be glad she married a man so as to be able to tell him she is sorry she did.

Wait with patience. If your turn doesn't come at least some philanthropical person may pass your way and note what a beautiful example of faith unshaken you are.

Medicine That Is Medicine.

I have suffered a good deal with malaria and stomach complaints, but I have now found a remedy that keeps me well, and that remedy is Electric Bitters; a medicine that is medicine for stomach and liver troubles, and for run down conditions.

If some people aren't idiots they are wonderfully clever in concealing their brains.

This Is Worth Reading.

Leo F. Zelinsky, of 68 Gibson street, Buffalo, N. Y., says: "I cured the most annoying cold sore I ever had, with Bucklen's Arnica Salve. I applied this salve once a day for two days, when every trace of the sore was gone."

There is many a hitch in the teamster's business.

Hoarse coughs and stuffy colds that may develop into pneumonia over night are quickly cured by Foley's Honey and Tar, as it soothes inflamed membranes, heals the lungs and expels the cold from the system.

It takes a sharp man to carve out a big fortune.

A Personal Appeal.

If we could talk to you personally about the great merit of Foley's Honey and Tar, for coughs, colds and lung trouble, you never could be induced to experiment with unknown preparations that may contain some harmful drugs.
