

SALE OF STUPENDOUS MAGNITUDE

Opens on Monday Morning at the Chicago Store. We must dispose of our entire stock, as we have

Leased the Entire Block

And must dispose of the goods before the carpenters, brick-layers and plasterers start to work. This is a genuine, bona fide sale, as we have no place for the goods. We must dispose of them, regardless of cost.

This is one of the greatest opportunities that ever presented itself before the people of Salem. Just think! This magnificent stock of merchandise to be slaughtered. Every article throughout the entire store is included.

The Grandest Daylight Store

between Portland and San Francisco will be re-opened to the people of Salem when our store is complete. We have the goods. We will give you the prices, so now help us clean out this stock quick so we will be able to put the men to work as soon as possible.

Reason for Taking in So Much Floor Space

Is this: Our business has now grown to such large proportions that we could not conduct it satisfactorily in our present crowded quarters. The age we live in now is an age of progress, and the Chicago Store is all the time on this roadway

Sale Started Monday Morning

Come in and pick out whatever goods you want and we will give you prices that will make every customer a walking advertisement for our store.
