**Sinking Fund Ordinance.**

...he ordinance committee reported ...sinking fund bill.

...he amendments struck out the commission of three to be appointed by the mayor. The sinking fund is to wipe out the bonded debt by a levy of a quarter of a mill annually.

The bill was passed.

**The Budget Bill.**

This ordinance was then read and it provides a total levy of six mills: 4¼ mills for general expenses; ¼ mill for sinking fnd; 1½ mills for street funds.

It also provides a poll tax of three dollars on each person not exempt by law.

The only change was a transfer of $200 from the library fund to the city recorder's fund. The Pari. fund was divided into two items—$1000 to Wilson avenue and $200 for Marion square.

An emergency clause was added and the bill was passed.

An ordinance was passed raising the salary of the engineer of the fire department $10 a month.

An ordinance was passed levying a tax of $646.79 to pay interest on the State street improvement of the street car line.

Also an ordinance levying tax to pay interest on State street improvement bonds.

Also an ordinance for similar purpose on South Commercial street.

It was decided to hold a caucus Tuesday night at 7:30.

Delinquent poll tax dues were ordered collected by the city attorney.

Petition for arc lights were received and referred at intersection of High and Division streets, Mill and Twenty-first streets and North Fifteenth and Mill Creek. It leaked out that only eight new lights were provided for next year, and 14 are asked for; the light chorus was heavy.

A resolution was adopted that the light at Seventeenth and Kansas avenue be removed to Seventeenth and D streets, and a new light at Seventeenth and Nebraska.

## Nerve Sick

If weak, worn-out, nervous, cannot sleep; have indigestion, headache, neuralgia or periodic pains, it is because your nerves are weak. It is the lack of nerve force that makes the stomach, heart, lungs, etc., work imperfectly—become sick. Dr. Miles' Nervine cures the sick when it restores nerve strength, and puts the power behind the organs to do their work.

"Almost three years I suffered from nervousness, indigestion, and palpitation of the heart. I could not eat or sleep with comfort, or walk or talk without suffering. Altogether I was in a bad condition. My doctor did not seem to do me any good. I had tried many remedies that I did not have any faith in, many of them doing me more harm. Dr. Miles' Nervine was recommended by a friend. I got relief from the first, and after a few days felt like a new person. It not only strengthened my heart and nerves, but also strengthened my whole system. I stopped taking it, I have had absolutely no return of my old trouble."

**Good Cough Medicine for Children.**

The season for coughs and colds is now at hand and too much care can not be used to protect the children. A child is much more likely to contract diptheria or scarlet fever when he has a cold. The quicker you cure his cold the less the risk. Chamberlain's Cough Remedy is the sole reliance of many mothers, and few of those who have ever tried it are willing to use any other. Mrs. F. F. Starcher, of Ripley, W. Va., says: "I have never used anything other than Chamberlain's Cough Remedy for my children and it has always given good satisfaction." This remedy contains no opium or other narcotic and may be given as confidently to a child as to an adult. For sale at Dr. Stone's drug store.
