

STOMACH DOES NOT CAUSE DYSPEPSIA

Will It Cure It Because The Lack of Gastric Juices Prohibit Relief.

Stomach is a strong, powerful organ which is composed of muscles of great strength. It is filled with digestion with gastric juices when the stomach, extended and compressing the food, disintegrates and separates the nourishment from the waste matter. If, however, these gastric juices are absent, the stomach is not capable of digesting its food because it has the tools with which to work successfully.

ALL OUT OF SORTS.

Any Salem Person Never Felt That Way.

Get all out of sorts? Tired, Blue, Irritable, Nervous? Back feel lame and achy? That's the story of sick kidneys—bad blood circulating about; the acid poisoning the body. Just one way to feel right again. Cure the sluggish kidneys; Do it with Doan's Pills. Doan's have cured many Salem people.

Remember the name—Doan's—and take no other.

The rash is a little less prominent than a few weeks ago.

The Correct Time

When a cough or cold is just as soon as it starts—then there will be no danger of pneumonia or consumption. Just a few doses of Ballard's Horehound Syrup taken at the start will stop the cough. If it has been running on for some time the treatment will be longer, but the cure is sure. Sold by all dealers.

ALDERMEN CONFER ON CITY EMPLOYEES

New Man Put In for Street Commissioner—Keyes Re-elected City Attorney.

According to an old custom the new city council held a conference last night and selected nominees for the long list of city employes. J. L. Stockton was made chairman and A. N. Moore secretary. Chairman Stockton was instructed to report the names selected to the council for ratification Monday night.

One of the funny things was the nomination of a man for street commissioner who two of the aldermen confessed had been unkind to them. In response to a request, even when backed by Street Commissioner Martin, he had told them to go to the hot place. Hofer consoled the offended aldermen by saying he had heard a man in the street department tell the mayor himself to go to h—, and thought the man must have nerve and qualifications to fill such a position.

The employees selected at the conference were as follows:

- Street commissioner—Frank Heron. Policemen—L. R. Murphy, J. A. Foland, T. M. Eckhart, Charles Humphrey. Frank Scheideck received the next highest vote, and will probably succeed Welch.

TRAMPS FRIGHTEN STANFORD GIRLS

(United Press Leased Wire.)

Stanford University, Cal., Dec. 30.—Sorority girls on the campus are terrorized by the presence of vagrants who are taking advantage of the absence during the holidays of the greater part of the student body.

Tramps boldly attempted to gain entrance to the Kappa Alpha Theta last night, but were driven off by university men, summoned from the Kappa Sigma house fraternity by the frightened girls.

Many of the Greek letter houses are deserted at present, and for several days the hoboos have been hanging about the outskirts of the campus.

Assaulted Crippled Girl.

Centralia, Wash., Dec. 30.—While Marie Hall, seven-years-old, a cripple, lies at her home today seriously injured, a posse bent on lynching the brute that attacked her last night in front of her parents' home, is covering a wide area in search of him.

Good Cough Medicine for Children.

The season for coughs and colds is now at hand and too much care cannot be used to protect the children. A child is much more likely to contract diphtheria or scarlet fever when he has a cold. The quicker you cure his cold the less the risk.
