**JANE EYRE,
A GREAT PLAY**

Novels in dramatized form are rapidly becoming the most popular plays of the theatrical seasons. The records for large business in nearly every theater are now held by plays that have been dramatized from a popular novel. The latest play of this type is "Jane Eyre," a dramatization of Charlotte Bronte's famous, book of the same title.

"Jane Eyre" is possibly one of the most popular and widely read novels of the present generation; in a recent article in the New York World it stated that "Jane Eyre" was one of the 10 greatest love stories ever written. This, of course, sounds like a strong statement, nevertheless it is true.

Like most novels of this class, the scenes are laid in England. The

Grammatical version is said to follow the original manuscript very closely, making a play that is intelligent and consistent as well as amusing. There is about the play a quaint, rare charm that fascinates. The story opens at the country home of Lord Rochester, Thornfield hall, where Jane Eyre and Rochester first met. Jane is the governess of Rochester's child, and her devotion to her charge her quiet self-reliance and strong independence all appeal to him and he quickly falls in love with her in spite of the fact that it is reported that he is to wed Lady Blanche Ingram. There is a family skeleton which Rochester reveals to his friend, Dr. Rivers, with the object of gaining his advice and in winning Jane's

hand. Rivers, however, has also fallen in love with Jane and, of course, does all he can to discourage Rochester, but Rochester, who is used to having his own way in all matters, rushes Rivers' advice aside and proposes to Jane. He is accepted. From this point to the preparation of the bride and the interrupted wedding, the revelation of the family secret, the departure of the guests, his desertion by Jane, the fire from which Rochester is rescued by Rivers, only to be left blind, and the final return of Jane to Rochester, just as Dr. Rivers is restoring his sight, makes a strong, vivid story, throbbing with interest, without a dull moment or incident.

The scenic investiture of "Jane Eyre" can hardly be described as elaborate; "beautiful" would probably be the word that would fit it more aptly. The cast is said to be considerably above the average an-

is headed by the charming young actress, Miss Dorothy Turner.

"Jane Eyre" will be the offering at the Grand opera house Saturday, January 2, 1909. Seats on sale at box office, Saturday, 9 a. m.

ALL OUT OF SORTS.

Has Any Salem Person Never Felt That way.

Feel all out of sorts?
Tired, Blue, Irritable, Nervous?
Back feel lame and achy?
That's the story of sick kidneys—bad blood circulating about; bile acid poisoning the body. Just one way to feel right again. Cure the sluggish kidneys; Do it with Doan's Pills. Doan's have cured many Salem people.

Here's one case.
N. S. Williams, 239 Liberty street, Salem, Oregon, says: "A number of years ago the doctors told me my kidneys were in bad shape. I came West on account of the trouble, thinking the change of climate would help me, but this was not the case, and, in spite of the use of remedies, I grew no better. On procuring Doan's kidney pills I found them to be the best medicine I ever used. At the time I got them I was suffering from an intense burning sensation as if two live coals were placed directly over the kidneys. The kidney secretions passed irregularly, and were also unnatural. After using two boxes of Doan's Kidney Pills I did not have the least pain in my back or trouble with the kidneys. This excellent remedy can be procured at Dr. Stone's drug store."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

BURGLARS CLEANED UP CALIFORNIA SALOON

(United Press Leased Wire.)
San Rafael, Cal., Dec. 31—Burglarspur, owned by Stringa and Morelli, early today and secured \$700 in gold and silver. No clue to the identity of the thieves has been discovered by the police authorities. The saloon was ransacked from one end to the other. A large quantity of whiskey was also carried off. Slot machines were rifled and a cash register looted of its contents. Entrance to the saloon was gained through a side window.

The safe was literally blown to bits. Persons at the Larkspur hotel, near the premises of String and Morelli say they heard two distinct explosions early this morning. No investigation was made, however, and the crime was not discovered until the proprietors opened up this morning.

The English Channel.
one of the most famous bits of water in the world is the English channel, which separates and yet unites the sister countries of England and France and has been the scene of so much of their history. It extends on the English side from Land's End to Dover and on the French side from the Island of Ushant to Calais. Its entrance from the German ocean is the strait of Dover, twenty-one miles wide, while at the other extremity where it joins the Atlantic it is 100 miles from shore to shore. Owing to the strong current setting in from the westward, the high wind which frequently prevails and the configuration of the shores it has a roughness which has become proverbial and few cross it without seasickness.

It Would Flatter Men.
Few men have deserved and few men have won higher praise in an epitaph than the following, which was written by Lord Byron on the tomb of his dead Newfoundland: "Near this spot is deposited the remains of one who possessed beauty without vanity, strength without insolence, courage without ferocity and all the virtues of man without his vices. This praise, which would be unmeaning flattery if inscribed over human ashes, is but a tribute to the memory of Bostwain, a dog, who was born at Newfoundland, May 3, 1803, and died at Newstead abbey Nov. 18, 1808.

The two best known streets in the United States are in New York. They are Wall street and Broadway. There is a lot of bunko about each.

It Does The Business.
Mr. E. E. Chamberlain, of Clinton, Maine, says of Bucklen's Arnica Salve. It does the business; I have used it for piles and it cured them. Used it for chapped hands and it cured them. Applied it to an old sore and it healed it without leaving a scar behind." 25c at J. C. Perry's drug store.

It is a mighty pretty chorus girl who doesn't wince when she sees an opera glass leveled at her.

A Higher Health Level.
"I have reached a higher health level since I began using Dr. King's New Life Pills," writes Jacob Springer, of West Franklin, Maine. "They keep my stomach, liver and bowels working just right." If these pills disappoint you on trial money will be refunded at J. C. Perry's drug store. 25c.

Time was when you could tell an actress by her high-heeled shoes. All the girls wear that kind now.

Stomach Trouble Cured.
If you have any trouble with your stomach you should take Chamberlain's Stomach and Liver Tablets. Mr. J. P. Klote of Edina, Mo., says "I have used a great many different medicines for stomach trouble, but find Chamberlain's Stomach and Liver Tablets more beneficial than any other remedy I ever used." For sale by Dr. Stone's drug store.

When a critic doesn't laugh at a comedian, maybe the critic isn't feeling well, or the comedian doesn't comed.

Fever Sores.
Fever sores and old chronic sores should not be healed entirely, but should be kept in healthy condition. This can be done by applying Chamberlain's Salve. This salve has no superior for this purpose. It is also most excellent for chapped hands, sore nipples, burns and diseases of the skin. For sale by Dr. Stone's drug store.

The palmy days of the drama were all very well, but few of the actors owned bank books. 'Tis different now.

The Pure Food Law.
Secretary Wilson says: "One of the objects of the law is to inform the consumer of the presence of certain harmful drugs in medicines." The law requires that the amount of chloroform, opium, morphine, and other habit forming drugs be stated on the label of each bottle. The manufacturers of Chamberlain's Cough Remedy have always claimed that their remedy did not contain any of these drugs, and the truth of this claim is now fully proven, as not mention of them is made on the label. This remedy is not only one of the safest, but one of the best in use for coughs and colds. Its value has been proven beyond question during the many years it has been in general use. For sale by Dr. Stone's drug store.
