PORTLAND RAILWAY PRESIDENT ARRESTED

(United Press Leased Wire.) Cleveland, O., Jan. 6.—George Howard, who says he is a brakeman from Portland, Or., sits in a cell today wondering what might have happened if he hadn't been nabbed by the police yesterday after he made a determined attempt to pump Cleveland full of holes with his trusty revolver.

Accompanied by a friend, Howard, who admitted later that he had been drinking, started in by holding up a blue wagon and getting an armful of U. S. mail, with which they bombarded passengers. The two then broke into the Y. M. C. A. building. A half dozen railroad men were eating breakfast. Boarders and pretty waitresses ran screaming into the streets as the shots resounded through the building.

Howard and his companion then stopped a street car and drove the crew and passengers to cover with a volley. They next raided a coal office, where they overturned books, threw ink on the floor, and drove the clerks out.

Howard's companion escaped.

PORTLAND HAD ANOTHER MURDER LAST NIGHT

(United Press Leased Wire.) Portland, Or., Jan. 6.—Osborn Edwards, 24 years old, realized for the first time this morning after he had recovered from the effects of liquor that he is accused of murder; that he entered a rooming house last night and shot Thomas F. Jalliard, the proprietor, dead because he could not get the accommodations he sought.

Edwards went to the rooming house, accompanied by a young man giving the name of G. Caudhill. They staggered through the hallway, according to Mrs. Jalliard's story, and complained loudly when assigned to a room that did not suit their fancy. As Jalliard was ordering them from the place Edwards is alleged to have turned and shot the proprietor dead. Caudhill is also under arrest.

WOULD LIMIT RACE MEETS TO FOURTEEN DAYS

(United Press Leased Wire.) Butte, Mont., Jan. 6.—Butte's citizens today are backing a movement to rid the city of pool rooms, and to prohibit any horse race meeting if of longer duration than 14 days.

A committee composed of the Merchants' Association will circulate for signatures a petition to be presented to the state legislature at Helena. The petition asks the legislature to pass legislation that will suppress pool rooms entirely.

TWO HUNDRED THOUSAND FREIGHT CARS ARE IDLE

It Tastes Good and Creates Strength

Vinol

the famous cod liver and iron medicine, without oil. Vinol is much better than cod liver oil and emulsions, because, while it contains all the medicinal value they do, it disagrees with no one. As a body builder and strength creator for old people, delicate children, after sickness, and for stubborn coughs and colds Vinol is unequalled.

BASEBALL MAGNATES PREPARING FOR PLAY

(United Press Leased Wire.) Cincinnati, O., Jan. 6.—J. Cal Ewing, president of the Pacific Coast League, through whose efforts the organization was raised to a class AA designation by the National Commission yesterday, is today preparing to outline to his fellow magnates of the West the enlarged privileges conferred on the league by the change.

The double A classification carries with it the power heretofore exercised only by the major leagues, of drafting players from class organizations. This will mean the strengthening of the Pacific Coast teams in Portland, San Francisco, Oakland and Los Angeles, and in any other city which may be added to the league.

The league will govern its own internal affairs, and will continue on a similar footing with the Eastern league and American Association.
