

READ WHAT A PROMINENT ATTORNEY SAYS OF DR. BELL'S PINE-TAR-HONEY.

Gentlemen:—Having suffered for some weeks with a very annoying, hacking cough, I procured a 25 cent bottle of your Dr. Bell's Pine-Tar Honey. After a few doses I was much relieved and the cough entirely disappeared, and never returned, I having used only the one bottle.

Judge E. H. PURYEAR, Paducah, Ky.

EVEN FROM FAR AWAY MEXICO WE RECEIVE TESTIMONIALS.

Colima, Col. Rep. Mexico.

Dear Sirs:—Pine-Tar-Honey liberated me from certain death. Gentlemen, for six months I suffered from a cough that attacked me more strongly on cold nights, making me suffer great pain. I consulted all the doctors of this city, but none gave me permanent relief. A true friend recommended that I take Dr. Bell's Pine-Tar-Honey. Having bought a $1. bottle I commenced to take it and noted an incredible relief; with two or three doses I could go to my classes. Everybody who sees me says I owe my life to Dr. Bell's Pine-Tar-Honey.

Very truly yours, Enrique Silva y Vizcarro.

**Suit Over Hops—**

W. W. Fawk was given judgment in the sum of $1,414.14 against the Clemens, Horst Hop Company, yesterday by the jury in the circuit court, that being the sum contracted for between Fawk and the Horst company, and which was not paid over to the plaintiff after making the delivery. Mr. Fawk claimed that he sold, during the month of April, 1908, his crop of hops to the defendants, through Chas. Holmes and necessary witnesses, for the agreed price of $1,441.14, and after delivering the hops, the Horst company failed to pay the same. The jury gave the verdict to Fawk after a few moments deliberations.

**A Small Fire—**

The fire department made a call at the DeVoe & Son's grocery store on the Asylum avenue yesterday afternoon as the result of a call from that establishment to extinguish a small blaze which had, in some unknowi manner become started in one of the upper rooms in which a family by the name of Irwin lived. A bed was destroyed before the fire was put out, otherwise no damage was done. The proprietor of the store and others had the fire extinguished before the engine arrived.

**Beer Sign Was Fatal—**

The action for damage in which Ambrose Brooks was the plaintiff and Perry Buck, George Cusiter, H. R. Salisbury and J. E. Hosmer were defendants, was non-suited by Judge Burnett yesterday.

The case was quite interesting and Attorneys Rauch, Seitz & Senn, of Silverton, representing the defendants, and George G. Bingham and Carson & Brown, of this city, acting for the plaintiff, argued at length on whether or not there had been probable cause for suit brought against Brooks for violating the liquor law by selling spirituous liquors wihout a license. Brooks was arrested and hailed before the magistrate at Silverton but was acquitted of the charge. Brooks then brought a damage suit against the defendants for malicious arrest on the grounds that a beer sign hanging in front of his establishment would afford no probable cause. The plaintiff asked for $206.50 damages, but Judge Burnett was of the opinion that the beer sign indicated plaintiff was selling beer, and was a probable cause for suit, and so dismissed the case.

**Are You One of Them?**

The house wife who has been induced to buy a phosphate baking powder by grocers or canvassers will be somewhat chagrined to learn that this character of goods is made from burned bones, mixed with diluted oil of vitriol.

It seems that there is no law compelling those long-shot boys to print the ingredients on the can, and hence the consumer is easily deceived. Goods of this class cost very little to manufacture—about 3 or 4 cents per pound, not much more than the price of the bone or alum from which they are made.

We find upon investigation, that the only real baking powder is made from cream of tartar soda and a small per cent of starch to add to its keeping qualities. All the good brands have the ingredients printed on the label. 1-7-eod-4t

## PASSENGER TRAIN GOES IN THE DITCH

(United Press Leased Wire.)

La Grande, Or., Jan. 7.—Passengers aboard the Oregon Railroad & Navigation Company's train that was ditched three miles west of Perry late last night are on their way to Portland today, congratulating each other on their narrow escape from injury.

The train, which arrived in Portland early today, was climbing a hill when one of the trucks broke, derailing several cars. After bumping on the ties for a short distance the train toppled over into the ditch. Much to the surprise of all the passengers not a single one of them was reported injured.

## LOST SCHOOL TEACHER WAS SEEN WITH BOY

(United Press Leased Wire.)

Red Bluff, Cal., Jan. 7.—It was learned here today that Professor W. G. Sawyer, the missing school principal of Oakland, Oregon, left here December 30 accompanied by a 16-year-old boy who was not known in this city. One of the guns taken by them for duck hunting was borrowed in Red Bluff. It was returned the evening of the same day.

No one here saw them after December 30 and it is supposed they boarded a train at Marysville and went to Willows to continue their hunting.
