

SMILES. Of course, Pat McArthur stood pat. If he couldn't, who could? No, Mable, there will not be a food, because the legislature reigns 40 days in Oregon. The leaders of the house so far, are Eaton, Buchanan, Campbell, McCue. There may be others. No member has mustered up courage so far to fight the ancient and hoary lists of grafts that are perpetrated on every legislature. The proof of the pudding comes on the 15th, at noon, when the legislature meets in joint session. The pudding is all right, but how about the sauce? Anyway, Harlow's pictures of Eugene girls eating strawberries in January looks good but the dames in the glass of water is liable to well need the services of a plumber to get her thawed out. The battle may not be to the strong, or the race to the swift, but when the minority in a legislature elects the officers it looks somewhat that way. Rip Van Winkle will wake up at the Grand Opera House tomorrow night. After being asleep for 20 years (Rip, not Salem people) it is well worth seeing how he does it. The New York lawyers and courts are still trying to determine whether or not Harry Thaw is insane. If his plethoric sack should get thin,

they all would know he was crazy inside of ten minutes. Walter Lyons is getting disciplined by Coos Bay people, because when he went to Washington, in the interest of that coming city by the sounding sea, he registered as coming from Portland. And it serves him right too. Jones of Lincoln and Polk says, if the committee on resolutions cuts him off without clerks to investigate the books and accounts of the insane asylum, he will hire a clerk and bookkeeper at his own expense and will investigate anyway. There is no stopping Jones when he starts to do something he thinks is right, unless you pass the road roller over him. It is refreshing to observe the solitude with which Senator Beach and Shanghai Brown hover over one of the Multnomah delegation. They fairly cover him with a halo of glory when one on each side spreads the shelter of his wings over the manly form. Going through the lobby yesterday, Shanghai brushed against Beale of Tillamook who shrank away in terror, saying, "I wouldn't have that man touch me for my farm down in Tillamook." Beale has served several terms in the legislature and seems to be a fairly honest man. O. R. & N. trains are frozen in and snowbound at Bonneville and Bridal Veil. This sounds like old times when it knew how to snow along the Columbia. The weather clerk now says a thaw is due, and this, too, just after everybody has invested in muffers, sleigh bells and skates. That weather clerk should be fined, or, better yet, frozen.

The effort to make the committee on resolutions a standing committee failed in the house. That is a plum very much sought after. It is part of the trading stock used to elect a speaker, and should be prohibited by law, as the committee carries so much control over patronage that any candidate for speaker who gives that place for a vote ought to be indicted for violation of the Corrupt Practices act. Of course, Mr. McArthur did not give it to Mr. Campbell and Mr. Campbell did not hold Mr. McArthur up for that chairmanship, but some future candidate for speaker, hard pressed for support, might do it. The committee on rules know that and wanted that particular luscious plum taken out of the list of available assets. That innocent committee is one of the greatest causes for the disgraceful scramble for graft which characterizes some speakership contests. Not the one just recently closed, of course. But some contest in the future. There is no case on record of a cough, cold or la grippe developing into pneumonia after Foley's Honey and Tar has been taken, as it cures the most obstinate deep seated coughs and colds. Why take anything else? J. C. Perry. Kind words never die—and the other kind live forever. If you will take Foley's Orino Laxative until the bowels become regular you will not have to take purgatives constantly, as Foley's Orino Laxative positively cures chronic constipation and sluggish liver. Pleasant to take. J. C. Perry.

SPEND YOUR HOLIDAY VACATION AT PASO ROBLES If complete rest and most perfect conditions imaginable for nature cure are what you need, spend your holidays at Paso Robles Hot Springs, California. A week or two, and even a few days there will accomplish more in the way of restored energy than a much longer period and more expensive treatment elsewhere, because good old Mother Nature is nurse and physician. Paso Robles is taking the same rank in America and enjoying the same fame for wonderful cures that Carlsbad and Baden Baden do in Europe. The hotel is a marvel of comfort and luxury, and the bath house built by the city, free to all, is said to be one of the best in the world. It is a stubborn ailment and a hopeless condition of physical breakdown that the mineral waters and hot mud baths of Paso Robles will not heal in a short time. Call on agent at Salem for descriptive booklets on Paso Robles, and he will also tell you all about rates. Wm. Mc MURRAY, 12-24-tf G. P. A. S. P. Co. On the ocean of life some Salem women sail under false colors. Many little lives have been saved by Foley's Honey and Tar, for coughs, colds, croup and whooping cough. It is the only safe remedy for infants and children as it contains no opiates or other narcotic drugs, and children like Foley's Honey and Tar. Careful mothers keep a bottle in the house. Refuse substitutes. J. C. Perry.
