### TO FORM VALLEY BASEBALL LEAGUE

Jay McCormick, of Eugene, is in the city attending the legislature. McCormick is the baseball magnate of the city of Eugene and, while fanning him up some yesterday, he stated that the Eugene people were very anxious to get into baseball circles this season and that they were desirous of co-operating with other cities in view of forming a combination whereby Sunday ball could be played the season round.

McCormick stated that should Salem, Eugene, Springfield and Roseburg form a league and play Sunday ball only, and not go outside of the respective cities for players, a pleasant and successful season could be had. The Salem end of the league has its ground all in readiness, and two days' work would put the park in excellent condition. McCormick thinks it is a good plan, providing the league can be successfully arranged, to build a ball park half way between Springfield and Eugene on the new electric car line, and in this manner make it serve both cities. Springfield can support a ball team in good shape, as has been evidenced heretofore, and there is no question regarding Eugene's ability as that city has the record of placing the best unsalaried teams in the valley parks. Sid Smith of Springfield, has the correct system in managing a baseball team, and is a dependable article himself on the diamond. Smith managed the Springfield aggregation last season and left the parks to the good.

McCormick and Smith have been agitating the ball question among the Eugene and Springfield fans, who are highly in favor of their plans. The Salem magnates are now waking up, and if there can be suitable material picked up in the city, there will be a league of three put in motion at once. Roseburg has not been questioned on this plan as yet, but baseball enthusiasm in that city is lively, a fact demonstrated to Salem fans when Roseburg was in the game several years ago, and there will be no difficulty in inducing them to join the circle.

Jay McCormick has been the keynote to baseball in Eugene for the past two years, and is well-known locally. He was at one time leading man in Salem baseball circles.

### FIRE DESTROYED SEATTLE MILLS

Seattle, Wash., Jan. 16.—Fire completely gutted the Western mills, on the south shore of Lake Union, shortly before 3 o'clock this morning. The loss is estimated at \$150,000. Insurance in the amount of \$35,000 was carried. All the buildings and machinery with the exception of dry kilns and lumber were destroyed.

Only a few minutes before 3 o'clock the night fireman discovered a blaze in the engine room, and at once turned in an alarm, but before the fire apparatus arrived the whole plant was ablaze.

The Western mills were owned by John S. Brace and Frank Heigert.

### MURDERED MOTHER MUTILATED BODY

Baltimore, Md., Jan. 16.—The mutilated body of Mrs. Sophia Coufal, aged 81 years, was found today in the cellar of her home. Near her body was an axe, its blade covered with blood. Mrs. Coufal's skull had been split open and her lower limbs were chopped to pieces. Sophy Bartusek, the murdered woman's daughter, was placed under arrest on suspicion of having committed the crime.

Mrs. Bartusek, her husband and two children lived with the murdered woman. One of the children ran to a neighbor's house shouting that his grandmother had fallen down stairs. An investigation revealed the mutilated body in the cellar. Mrs. Bartusek accused her brother John Coufal of having committed the murder. John stated that when he went to the house last night to see his mother, he was refused admission by his sister. Persisting in his efforts to gain admission to the house, his sister finally opened the door. He declared that upon his entrance his sister shouted: "You killed mother."

John Coufal denied further knowledge of the crime.
