

SMILES.

Send in items of progress for the Saturday Booster Journal.

Popular mechanics are much sought after these days—the plumbers.

There is water enough in sight so that no one need go dry in the Willamette valley.

The Ten-Story book, (315 Dearborn street, Chicago.) has the most altitudinous editorials of any magazine that reaches this office. Its articles are bohemian in the extreme and many of them libels on high society.

Legislature in session; inauguration of President Homan; state federation of labor in session; election of a United States senator; city council Monday night. Gee, but this is a busy week.

Miss Sadie Douglas, Springfield, Ore., was the leading prize winner for Oregon in a recent \$500 prize contest for students of the illustrating and cartooning course. Her prize was only \$5.00. Miss Douglas is only a new student and her success is most promising.

It would be too bad if more than about three persons in this city had a copy of the charter and ordinances in course of the next ten or fifteen years the city may be rich enough to have them printed, and let an ordinary citizen or even a taxpayer or business man know what laws he is living under.

The manager of the Waldorf-Astoria sends us a speech delivered at his hotel in the original Italian. We were glad to get it for we had not refreshed ourselves any on that language since we ate spaghetti and chili in the original at La Roma on State street, Chicago. We enjoyed the passage beginning "Sarreb puggie agglumgendways" very much and can taste it yet.

The Daily Capital Journal welcomes the State Federation to this city. It is a Union Label publication. It has an eight-hour day for its employees. It never had more than a nine-hour day in twenty years and yet has made a living. It has such confidence in the fairness of labor organizations that it has signed up a scale of wages for four years with the Typographical Union of this city. Salem would be a better city if it had more labor organizations that give consideration to the interests of the employer as do the Printers Union.

Every man wants to be a hero, but when the chance is offered him he is apt to object to the brand.

Stomach Trouble Cured.

If you have any trouble with your stomach you should take Chamberlain's Stomach and Liver Tablets. Mr. J. P. Klotz of Edina, Mo., says "I have used a great many different medicines for stomach trouble, but find Chamberlain's Stomach and Liver Tablets more beneficial than any other remedy I ever used." For sale by Dr. Stone's drug store.

You can't always tell how a thing will turn out, and sometimes you can never.

A serene confidence in the ability of his dollar sometimes misleads a man.

For cuts, burns, bruises and scratches, but especially recommended for piles—DeWitt's Carbolic Witch Hazel Salve. Sold by all druggists.

If a homely girl with much money talks to enough men she finally comes to believe she is beautiful.

There is no case on record of a cough, cold or la grippe developing into pneumonia after Foley's Honey and Tar has been taken, as it cures the most obstinate deep seated coughs and colds. Why take anything else? J. C. Perry.

The day after is an occasion long to be remembered—if that were possible.

If you will take Foley's Orino Laxative until the bowels become regular you will not have to take purgatives constantly, as Foley's Orino Laxative positively cures chronic constipation and sluggish liver. Pleasant to take. J. C. Perry.

SPEND YOUR HOLIDAY VACATION AT PASO ROBLES.

If complete rest and most perfect conditions imaginable for nature cure are what you need, spend your holidays at Paso Robles Hot Springs, California. A week or two, and even a few days there will accomplish more in the way of restored energy than a much longer period and more expensive treatment elsewhere, because good old Mother Nature is nurse and physician.

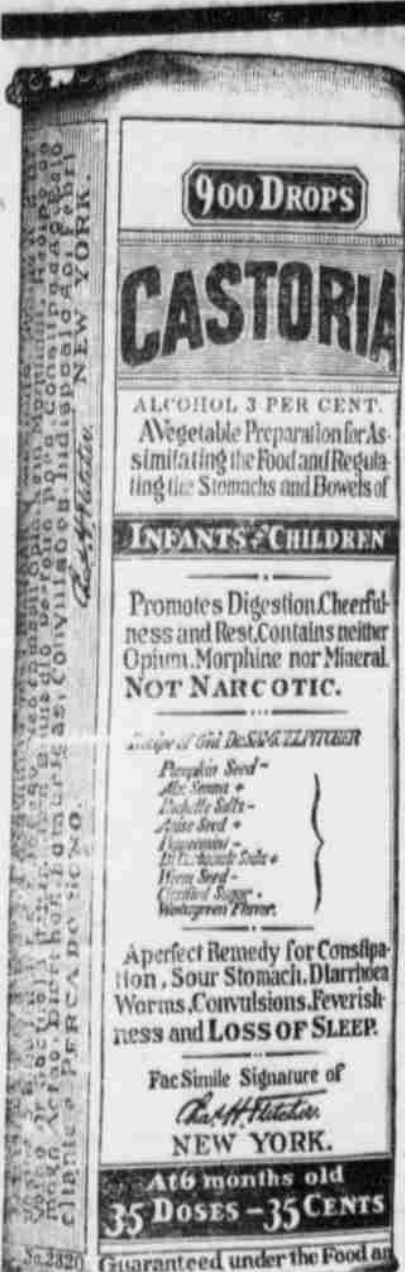

Paso Robles is taking the same rank in America and enjoying the same fame for wonderful cures that Carlsbad and Baden Baden do in Europe. The hotel is a marvel of comfort and luxury, and the bath house built by the city, free to all, is said to be one of the best in the world. It is a stubborn ailment and a hopeless condition of physical breakdown that the mineral waters and hot mud baths of Paso Robles will not heal in a short time.

Call on agent at Salem for descriptive booklets on Paso Robles, and he will also tell you all about rates.

We would like to believe in angels, but some of them won't let us.

Many little lives have been saved by Foley's Honey and Tar, for coughs, colds, croup and whooping cough. It is the only safe remedy for infants and children as it contains no opiates or other narcotic drugs, and children like Foley's Honey and Tar. Careful mothers keep a bottle in the house. Refuse substitutes. J. C. Perry.
