EXTEND GREETINGS TO PRESIDENT HOMAN

Greetings were extended President Homan at the First M. E. church last night by the president of the colleges and universities of Oregon .All were of a congratulatory nature, and the speakers expressed the hope that Willamette university would become the great institution the people of Salem are endeavoring to make it. M. B. Rankin, president of the board of trustees, of the university presided and the speakers appeared in the following order: W. I. Kelsey, Pacific College; Dr. Withycombe, Oregon Agricultural College; O. V .White, Philomath College; P. L. Campbell, University of Oregon; W. N. Ferrin Pacific University; H. M. Crooks, Albany college; response, President Homan.

Professor Mendenhall, of the College of Music delighted the audience with a number of pipe-organ selections; the Methodist quartette appeared in a pleasing number, and the Willamette Glee club, sang the "Hunting Song" from Mendelssohn, to which they were obliged to give a recall number.

A reception to Dr. and Mrs. Homan followed in the church parlors, and was attended by a large number of people.

This afternoon at 3 o'clock members of the Alumni met, and extended greetings, and this evening at 7:30 o'clock Bishop Charles W. Smith D. D., L. L. D., will speak.

RIVER AT STAND STILL BUT A RISE EXPECTED

The old Willamette has the river men guessing today. Notwithstanding the .56 inches of rainfall last night, driven by a 45-mile an hour gale, the river at this point only raised seven-tenths and at 10 o'clock this morning was on a standstill.

The future river conditions here depend largely on the actions of the Santiam. Early last night that river was just topping the banks, and, according to the latest information received four inches would release the wicked little water course and send it flowing over the low lands at Stayton. The thermometer at Stayton is gradually going up, and a warm rain is falling, which, if it continues, will bring the snow water from Mt. Jefferson, and the result will be the Santiam will boost the Willamette up here around the 30-foot mark in a very short time. So far the Santiam is up to the highest stage reached this winter, but what is called "big water" by the Stayton residents has not been reached yet.

The Willamette here has changed its course, owing to the high stage, and is sending a strong current down the slough this side of Minto island, and the Spaulding Logging Company is having a difficult time in holding its logs.

EARTHQUAKE KILLS SEVERAL IN SMYRNA

Smyrna, Jan. 19.—Heavy earthquake shocks were felt here and in several neighboring towns today. A considerable amount of damage to property and several deaths are reported. The towns of Chocea and Menmen are known to be damaged. Details from the scene of the tremblor are very meager. The United States battleships Louisiana and Virginian are in the Smyrna harbor but suffered no injury. The Missouri and Ohio are expected within few days.

(Smyrna is the capital of Aiden province of Turkey in Asia, and has a population of about 180,000.—Ed.)

NORTH CAROLINA ELECTS SENATOR

Raleigh, N. C., Jan. 19.—Lee Slater Overman was today re-elected as United States senator by the legislature. Overman was first elected to the United States senate for the term beginning March 4, 1903. He is a life-long Democrat and had held many prominent offices in the state of North Carolina before his election as senator from that state.

ROOSEVELT GIVES PRAISE TO ENGLISH

London, Jan. 19.—President Roosevelt's praise of the English rule in India, which he uttered in a speech before the Methodist Missionary Workers in Washington last night, is being praised here today. The newspapers commented at large on the remarks of President Roosevelt and commended him very highly.

The Pure Food Law.

Secretary Wilson says: "One of the objects of the law is to inform the consumer of the presence of certain harmful drugs in medicines." The law requires that the amount of chloroform, opium, morphine, and other habit forming drugs be stated on the label of each bottle. The manufacturers of Chamberlain's Cough Remedy have always claimed that their remedy did not contain any of these drugs, and the truth of this claim is now fully proven, as not mention of them is made on the label. This remedy is not only one of the safest, but one of the best in use for coughs and colds. Its value has been proven beyond question during the many years it has been in general use. For sale by Dr. Stone's drug store.

Life 100,000 Years Ago.

Scientists have found in a cave in Switzerland bones of men, who lived 100,000 years ago, when life was in constant danger from wild beasts. Today the danger, as shown by A. W. Brown of Alexander, Me., is largely from deadly disease. "If it had not been for Dr. King's New Discovery, which cured me, I could not have lived," he writes, "suffering as I did from a severe lung trouble and stubborn cough.' To cure Sore Lungs, Colds, obstinate Coughs, and prevent Pneumonia, its the best medicine on earth. 50c and $1.00. Guaranteed by J. C. Perry. Trial bottle free.

The majority of the people are busy, but the few who are not can manufacture lots of trouble to keep the busy ones busier.
