WILL TAKE NO ACTION AGAINST JAPANESE

[United Press Leased Wire.]
 Sacramento, Cal., Jan. 20.—No anti-Japanese legislation will be enacted at this session of the legislature. Of that I am now convinced, I have talked with leading members of both houses, and they are of this opinion.

Governor Gillett today made a statement which disposes of the real question raised by President Roosevelt yesterday. It does not prevent the agitators from storming in both houses, but it assures the President of the United States that his fears of internal strife need be entertained no longer. No anti-Japanese bills will be passed. Gillett thinks he has the votes. He certainly has his veto.

"I am satisfied," said the governor today, "that the people of California, and particularly the members of this legislature, appreciate the efforts being made by the federal government, and the representations of Japan, to stop immigration to this country of all kinds of Japanese laborers. There can be no doubt that the Japanese government is acting absolutely in good faith in its endeavor to prevent its people from coming to our country. In my judgment it would be a serious mistake, while they are so doing, to enact any laws directed against Japanese people."

"This question is one in which the federal government is particularly interested, and its wishes should be carefully considered, and will be, I am sure, by the people of this state."
 Washington, Jan. 20.—Senator Flint and Senator Perkins, of California, today are using their every influence in supporting President Roosevelt in his attitude toward anti-Japanese legislation in California.

Senator Flint telegraphed Governor Gillett before Roosevelt's telegram was sent, and advised the California governor to hold back the measures, pending the receipt of a message from the President.

Congressman Kahn today said: "If the President believes the situation is so grave that trouble will arise if the legislation is enacted, I think he would be justified in sending a letter to a governor of a state urging him to use his influence with a legislature against the legislation."

Another California representative expressed a belief that the people of his state would meet the President half way, as they did two years ago, when they acceded to a request to kill similar legislation.

SENATOR BOURNE SENDS CONGRATULATIONS

At noon, upon his election, Senator Bourne wired his congratulations to Senator-elect Chamberlain, declaring it was the triumph of the law, and pledging his hearty co-operation in all lines of work for the state.

Mr. and Mrs. H. A. Deck and children went to Portland today. Mrs. Deck will visit her parents for a few days, but Mr. Deck will return this evening.

RAISING MONEY FOR SACRED HEART CROSS

The Capital Journal has been authorized to receive contributions for the erection and maintenance of an electric cross on Sacred Heart academy in this city. PART OF THE FINE HE DID NOT PAY

[United Press Leased Wire.]
 Chicago, Jan. 20.—Another \$1,000,000 has been added to the endowment fund of the Chicago university by John D. Rockefeller, who founded the Baptist institution.

Announcement of this latest benefaction by the oil king was made today by Registrar Thomas W. Goodspeed after he had received a telegram from John D. Rockefeller, Jr. The gift is in the form of securities. This sum increases the amount of money donated by Rockefeller to the Midway school to \$24,809,669. Of this amount \$15,000,000 is for endowment purposes.

OAKLAND TEACHER RETURNS TO WIFE

[United Press Leased Wire.]
 Roseburg, Or., Jan. 20.—Telling a strange story of his movements since he mysteriously disappeared from Red Bluff, Calif., directly after the holidays, George Sawyer, principal of the public school at Oakland, Ore., has returned to his wife here.

When he left home he promised his wife he would return before January 4, as on that day his school reopened. Sawyer says his mind collapsed in Red Bluff and instead of buying a ticket to Oakland, Ore., he purchased one for Oakland, Calif. He says he did not recall anything until after he had reached Cheyenne, Wyo.

SANTIAM IS ON ITS GOOD BEHAVIOR

A rumor gained credence this morning that the Santiam river was liable to break its banks above the intake to the Salem ditch, and the course of the stream directed so that it would come down the line of the ditch, along its old channel. The Journal called up Stayton at noon, and found the story was without any foundation whatever. The Santiam, while high, is not nearly up to its flood record, and is as mild as milk and water mixed.

Supply Ship Reaches Italy.

[United Press Leased Wire.]
 Washington, Jan. 20.—News of the arrival of the supply ship Coltic with supplies for earthquake sufferers and refugees was cabled the navy today from Naples.

A Religious Author's Statement.

For several years I was afflicted with kidney trouble and last winter I was suddenly stricken with a severe pain in my kidneys and was confined to bed eight days unable to get up without assistance. My urine contained a thick white sediment and I passed same frequently day and night. I commenced taking Foley's Kidney Remedy, and the pain gradually abated and finally ceased and my urine became normal. I cheerfully recommend Foley's Kidney Remedy. J. C. Perry.

TEXAS BRANCH OF STANDARD MUST PAY

[United Press Leased Wire.]
 Austin, Tex., Jan. 20.—Following a final decision by the supreme court of the United States in the suit brought by the state of Texas against the Waters-Pierce Oil Company, J. P. Gruetta, a former employe of the oil company, will receive \$100,000 as a bonus for exposing the trust, according to an attorney for the state today.

Texas, if the supreme court rules in its favor, will receive \$1,000,000 which will go into the revenue fund. The attorneys in the case will receive \$175,000.

The state's attorneys called upon the attorney for the defendant with a view to obtaining a settlement. The corporation's lawyers, however, declined to make any settlement until the supreme court had acted on their motion for a rehearing.

EXPRESS COMPANY MAKES 200 PER CENT

[United Press Leased Wire.]
 San Francisco, Jan. 20.—In discussing the evidence brought out at the hearing of shippers' complaints against Wells-Fargo & Company, which is pending before Interstate Commerce Commissioner Franklin K. Lane, Attorney J. L. Brown representing the shippers said today that the earnings of the express company showed profits of 200 per cent.

Brown said: "Of the Wells-Fargo Company's capital of \$8,000,000, only \$1,600,000 is invested in the express business. On this sum, for the fiscal year 1907, the company made more than 2 1/2 times the net earnings of the American Express Company on the lesser gross earnings of \$22,934,425, as against the much greater gross earnings of \$29,000,000 of the latter."

For the fiscal year Wells-Fargo received 200 per cent on its capital devoted to the express business. The Southern Pacific gets 50 per cent of the gross earnings, and also one-sixth of the capital stock of Wells-Fargo Company. The Wells-Fargo Company also gets 10 per cent dividends on that."

IMMIGRATION FROM GERMANY INCREASING

[United Press Leased Wire.]
 Berlin, Jan. 20.—Steamship officials today announced that the native emigration to America has increased greatly in volume, and that with a continuance during the early part of the year, the companies' losses of 1908 will be repeated. The Kaiser Wilhelm der Grosse left Bremen yesterday with all berths filled and 1000 passengers in the steerage.

The companies report that 2000 emigrants are waiting to leave for Galveston and Baltimore and an additional 2000 for New York.

Constipation Caused By Indigestion

Is Cured By Helping the Stomach Do Its Work as It Should.

All forms of constipation, bowel or intestinal trouble owe most of their origin to the improper digestion of food. The bowels measure 30 feet. The inside walls or surfaces are wound tightly with millions of nerves. These nerves give life and control millions of little mouths or suckers which are supposed to take nourishment from the food along this 30-foot human canal.

When indigestion, dyspepsia or stomach trouble occurs, the food being undigested passes over these millions of mouths, it is a fermented, decaying mass and holds no nourishment, as it should.

The little mouths suck it up, impart these impurities to the blood, impregnate the little nerves with poison, and so the work of constipation and bowel trouble begins.

A natural juice or secretion belongs normally in the little cells and glands along the mucous membrane of the 30-foot canal or bowel. When indigestion occurs this juice is lacking and so the mass of waste matter cannot pass along as it should, and is piled up and caked in the bowel, thus bringing pain and misery.

After a while the nerves and nerve centers which give vigor and life to the bowel becomes paralyzed, thus forever prohibiting the bowel from performing its natural duties.

Stuart's Dyspepsia Tablets, when taken after meals, digests the food properly even though the stomach is sick and it passes to the bowels nourishment and juices, which help the intestines not only to do their work at once, but building them up, restores vitality to the nerves, brings new secretion to the glands and cells, helps bowel action and enriches the blood.

The stomach is the cause. Common sense and science are one on this point. You see it yourself. One little grain of Stuart's Dyspepsia Tablets will perfectly digest 3000 grains of food. The assimilation of a meal by one of these tablets is an easy matter, and it keeps the stomach clean and sweet so that in a brief time this organ is restored.

Every druggist carries them in stock; price 50c. Send us your name and address and we will send you a trial package by mail free. Address F. A. Stuart Co., 150 Stuart Bldg., Marshall, Mich.

Fever Sores.

Fever sores and old chronic sores should not be healed entirely, but should be kept in healthy condition. This can be done by applying Chamberlain's Salve. This salve has no superior for this purpose. It is also most excellent for chapped hands, sore nipples, burns and diseases of the skin. For sale by Dr. Stone's drug store.
